RESOLUTION NO. 2019 - 249

PROCLAMATION AND RESOLUTION OF THE SOLANO COUNTY BOARD OF SUPERVISORS CONFIRMING AND TERMINATING LOCAL EMERGENCY

Whereas, Government Code section 8630 and Solano County Code sections 7-12 (a) and (b) and 7-13 (a)(1), authorize the Solano County Administrator, acting as the Incident Commander for Emergency Services, to proclaim a local emergency as defined by Government Code section 8558, subdivision (c) when the Solano County Board of Supervisors is not in session; and

Whereas, on Sunday, October 27, 2019, the Solano County Administrator found that due to Public Safety Power Shutoffs, wildfires including the Kincade fire in Sonoma County that began on October 23, 2019, conditions now exist in the County of Solano that cause or threaten to cause the destruction of critical infrastructure, residences and businesses, the exposure and infliction of severe respiratory distress, and other damage and impacts, and proclaimed a local emergency; and

Whereas, under Solano County Code Section 7-13 (a)(2), the Solano County Administrator determined that locally available resources were inadequate to cope with the local emergency; and

Whereas, the County Administrator has informed the Board of Supervisors that the emergency conditions and their effects have now abated sufficiently that the protective services, personnel, equipment and facilities of Solano County acting within their normal procedures and powers are now adequate to handle such conditions and effects without the need for the extraordinary powers and procedures available only under a proclamation of local emergency.

Proclaimed, the Solano County Board of Supervisors confirms the determination of the Solano County Administrator that locally available resources were inadequate to cope with the emergency and proclaims that a local emergency existed in Solano County under Government Code section 8630 and other applicable laws.

Resolved, the Solano County Administrator, or her representative, is designated as the authorized representative of the County of Solano for the purpose of receipt, processing, and coordination of all inquiries and requirements necessary to obtain available state and federal assistance.

Resolved, the Solano County Administrator shall prepare damage estimates and reports in coordination with the Coastal Region of the Governor's Office of Emergency Services and apply for Federal or California Disaster Assistance Act funds should they become available.

Resolved, the Solano County Board of Supervisors authorizes the Auditor-Controller, with concurrence from the County Administrator, to make the necessary budgetary adjustments in the applicable fund(s).

Resolved, the Solano County Board of Supervisors proclaims the termination of the local emergency and declares that any orders made by the Board of Supervisors or the County Administrator about the local emergency are immediately rescinded.

Passed and adopted by the Solano County Board of Supervisors at its regular meeting on November 5, 2019 by the following vote:

AYES:	SUPERVISORS	Brown, Spering, Vasquez, Thomson and Chairwoman Hannigan
NOES:	SUPERVISORS	None.
EXCUSED:	SUPERVISORS	None.

ERIN HANNIGAN, Chairwoman
Solano County Board of Supervisors
