SECTION I

Section 28.01 of the Solano County Code is amended as follows:

**Farm Stand**: An area of a property set aside for the sale of Agricultural Products, as defined below. Local and Other Products may also be sold, but only in conjunction with the sale of Agricultural Products, as regulated by the applicable zoning district. A Farm Stand shall not include the sale of alcoholic beverages, or any processing of Agricultural Products or “food preparation” unless conducted in compliance with the California Health and Safety Code and approved by the Department of Resource Management, Environmental Health Services Division. For purposes of Farm Stands, the following definitions apply:

Agricultural Products: Fresh or processed products including, but not limited to, fruits, nuts, vegetables, herbs, mushrooms, shell eggs, honey and other bee products, flowers, grains, nursery stock (grown in Solano County only), jams and jellies, and wool.

Nursery stock sold at Farm Stands must be produced within Solano County to minimize the risk of invasive pest movement. This restriction applies specifically to the resale of nursery

stock at Farm Stands. All nursery stock production and sales, including those at Farm Stands, are subject to regulation by the California Department of Food and Agriculture and the Solano County Agricultural Commissioner.

**Local Products:** Products made on-site or off-site within Solano County that promote the agricultural community character, such as handcrafted items (pottery, knitted goods, homemade clothing, jewelry, and similar), specialty candies, jams and jellies, and chocolates made with local ingredients, homemade soaps and lotions, and local artwork and photography.

**Other Products:** Other products include arts, crafts, bakery, candies, soaps, balms, perfumes, cosmetics, pottery, clothing, fabrics, pastas, compost, fertilizers, candles, ceramics, foraged foods, types of wares and other similar products that either do not promote the agricultural community character or products where the majority of its content is from outside Solano County.
