Whereas, on Monday, October 28, 2019, the Solano County Administrator found that due to Public Safety Power Shutoffs, wildfires including the Kincadee fire in Sonoma County that began on October 23, 2019, conditions now exist in the County of Solano that cause or threaten to cause the destruction of critical infrastructure, residences and businesses, the exposure and infliction of severe respiratory distress, and other damage and impacts, and proclaimed a local emergency; and

Whereas, under Solano County Code Section 7-13 (a)(2), the Solano County Administrator has now determined that locally available resources are inadequate to cope with the local emergency.

Proclaimed, the Solano County Board of Supervisors confirms the determination of the Solano County Administrator that locally available resources are inadequate to cope with the emergency and proclaims that a local emergency exists in Solano County under Government Code section 8630 and other applicable laws.

Resolved, the Solano County Administrator, or her representative, is designated as the authorized representative of the County of Solano for the purpose of receipt, processing, and coordination of all inquiries and requirements necessary to obtain available state and federal assistance.
