Dear Alicia,

Alicia

After nearly 38 years of dedicated service on the Metropolitan Transportation Commission, I write to inform you of my intent to resign from the Commission with a soon to be determined effective date. As Chair of the regional Transportation Revenue Measure Select Committee, I have a responsibility to report to the full commission with a recommendation that will be presented to Senator Wiener and Senator Cortese. Therefore, my intent is that my resignation to be effective upon the conclusion of my reporting on the measure which I anticipate being no later than January 31, 2025, if not sooner. In order to effectively transition Solano's representation on MTC, I request that you begin the process of selecting my successor soon so that I may work to transition and acquaint that person with the current opportunities ahead for Solano County and MTC.

Sincerely,

Jim Sperring

Solano County Representative to MTC
