Supervisor Brown noted that there was debris under the railroad trestle on Thomasson Lane and advised that there needed to be engagement with the railroad about this.

Mr. Ryan noted that the debris was removed by the railroad and advised that Suisun Creek would be assessed for debris removal.

Chairwoman Hannigan invited members of the public to address the Board on this matter and the following comments were received:

A) Eleanor McMakin, Vacaville, commented on past 2017 flood damage to her property that had not been resolved through the County.

Chairwoman Hannigan advised that she was not interested in being appointed.

Supervisor Brown advised that she would like to be primary representative, that Marin Clean Energy had been established in Benicia since 2016 and provided examples of efforts she had undertaken to promote clean energy.

Director of Resource Management Bill Emlen introduced the item.

Senior Planner Narcissa Untal provided an overview of the Marin Clean Energy program and the request for representation from the Board of Supervisors to the Marin Clean Energy Joint Powers Authority Board of Directors.

Supervisor Vasquez advised that the program affected those in the unincorporated county and gave residents a choice for their energy needs. He asked which district had the highest population in the unincorporated county area.

Mr. Emlen advised that District 4 had the highest population of residents in the unincorporated County and that District 4 and 5 had the highest number of wells.

Supervisor Brown made a motion to appoint herself as the primary representative.

Supervisor Sperring made a motion that Supervisor Vasquez be primary and Supervisor Brown the alternate based on the population affected.

In response to a question from Supervisor Vasquez, Ms. Untal advised that the alternate representative would attend in the absence of the primary but could also attend as a member of the public.

Consider the Claim for Refund of Taxes of Chatfield Properties II, L.P., in the total amount of \$76,379.38 in special assessments levied by the Reclamation District No. 501; and Authorize the Auditor-Controller to pay the refund from such available funds as the District may have on deposit in the County treasury

[Minute Order](#)

County Counsel Dennis Bunting provided an overview of the item. He advised that he had mailed a copy of the agenda item and exhibits to all parties and that he had only heard back from the property owner's attorney.

Chairwoman Hannigan commented on the change in value.

Mr. Bunting provided information on the tax bills in question.

Chairwoman Hannigan invited members of the public to address the Board on this matter and the following comments were received:

A) Steve Malcoun, representing Chatfield Properties II, LP, commented on the recommendation noting that it would not result in his client receiving a refund and asked that the County deny the claim so that the property owner could file a lawsuit.

Auditor-Controller Phyllis Taynton advised that the reclamation district had sufficient funds in the treasury to pay for the refund.

Mr. Bunting advised that the reclamation district would have to sever the agreement with the County and take over the assessment and collection process to create a permanent change. He then noted that there was an engineer's report that established the classifications for the assessment. He advised that the report listed this property as residential and was a mistake. He noted that the reclamation district recognized that there was a mistake but didn't want to fix it for some reason.

Chairwoman Hannigan advised that there was two remedies, the first to refund the money or the second would be a lawsuit by the claimant.

Mr. Bunting advised that the funds were there to cover the refund and noted that it was up to the reclamation district to make the change on the assessment report.

Supervisor Spering asked how much the reclamation district had on deposit in the treasury.

Ms. Taynton advised that the reclamation district had \$234,000 on deposit.

Mr. Malcoun noted that his client was willing to support the recommendation as there was adequate funds to cover the refund.

Supervisor Spering asked if the refund would be paid once the board approved the refund.

Ms. Taynton noted that it would be paid within 90 days after the Board approved.

Mr. Bunting advised that the funds would be encumbered for 90 days in case the reclamation district wished to challenge the decision.

In response to a question from Supervisor Vasquez, Mr. Bunting provided information on statutes that would allow the reclamation district to correct the issue.

After considering the agenda materials and the testimony of Steven Malcoun, the attorney for Claimant Chatfield Properties II, L.P., and Solano County Auditor-Controller Phyllis Taynton, on motion of Supervisor Spering, seconded by Supervisor Vasquez, the Board ordered the refund of taxes to Chatfield Properties II, L.P., in the total amount of \$76,379.38 in special assessments, plus interest, levied by Reclamation District No. 501; and Authorized the Auditor-Controller to pay the refund from such available funds as Reclamation District No. 501 may have on deposit in the County treasury. So ordered by 4-0 vote.
