General Information

* As a member of this board/council/committee/commission, what might you hope to achieve?

As a member of the Solano County Fairgrounds Board, I hope to help strengthen the fairgrounds’ role as a vibrant, inclusive, and future-focused community asset. The Solano County Fairgrounds serves as a vital gateway to the county—both symbolically and physically. The LED marquee along Highway 80 is often the first impression visitors and commuters get of what’s happening in Solano, making it a powerful showcase for our county’s identity, energy, and priorities. I see the fairgrounds not just as a space for events, but as a true destination for cultural tourism, entertainment, business investment, and innovative partnerships. As a member of the Board, I hope to be an ambassador to our county, and specifically to attract conventions, festivals, and new sponsors. I’m confident I can bring vision, valuable insight and connections to the board. My goal is to help position the fairgrounds as a place where culture, community, and commerce come together to benefit all Solano residents.

* As a member of this board/council/committee/commission, what do you think you might contribute to help it fulfill its missions and goals?

As a member of the Solano County Fairgrounds Board of Directors, I would bring a unique blend of leadership, cultural vision, and community-centered experience that aligns directly with the fairgrounds' mission to serve as a hub for education, celebration, and economic opportunity. With over 20 years of experience in public policy, community organizing, and nonprofit leadership, I have a proven track record of building initiatives that uplift local culture, promote civic engagement, and drive equitable access to public resources.

Through my work with the San Francisco Black Wallstreet Foundation, I've led large-scale cultural celebrations—such as Juneteenth Festivals and the 415 Day celebration—that have drawn thousands of attendees and generated significant economic activity for local vendors, artists, and small businesses. I understand the importance of inclusive, joyful spaces that reflect and celebrate the richness of our communities—especially in diverse counties like Solano.

As someone who lived in Vallejo for five years and recently purchased a home in the Country Club Crest neighborhood, I have a strong personal connection to Solano County and a deep desire to contribute to its growth. I am especially passionate about engaging youth, preserving cultural traditions, and ensuring that historically underrepresented communities have a voice in shaping public spaces like the fairgrounds.

My goal as a board member would be to help expand the fairgrounds' role as a cultural and economic engine—by supporting inclusive programming, attracting diverse partners, and helping to shape a vision that reflects the people who call Solano County home.
