CONTRACT MUST BE EXECUTED BEFORE WORK CAN COMMENCE

EXHIBIT A
SCOPE OF WORK

PROGRAM AREA: CalFresh Healthy Living (CFHL)

1. Program Overview:

The CFHL Program assists older adults to make healthy food choices and choose physically active lifestyles consistent with the Dietary Guidelines for Americans to promote health and prevent disease. The Program strives to increase participants' consumption of fruits and vegetables, increase physical activity, reduce time spent in sedentary behaviors, and maintain a healthy weight to reduce the risk of chronic disease. Policy, Systems, and Environmental change (PSE) strategies support healthy behavioral changes among older adults in the community.

2. California Department of Aging Service Category Definition:

The CFHL Program provides evidence-based nutrition education and obesity prevention services based on United States Department of Agriculture, Food and Nutrition Services guidance. 16 Area Agencies on Aging (AAAs) and their contracted providers offer CFHL interventions to low-income older adults, age 60 or older, at eligible sites including Title IIIC congregate nutrition sites and other venues meeting eligibility criteria. In addition to direct education, the CFHL program incorporates PSE approaches to deliver effective, evidence-based nutrition education and obesity prevention programs.

3. Program Eligibility:

The CalFresh eligible population consists of:

- CalFresh recipients age 60 and older
- Individuals 60 or older, at or below 185 percent of the Federal Poverty Guidelines (FPG) with emphasis on those in economic and social need, with particular attention to low-income minority individuals, older individuals with limited English proficiency, and older individuals residing in rural areas.
- Unduplicated Client Count is defined as a new person served. A client is considered new only once within the fiscal year when he/she first utilizes a covered service. A client who has never been previously registered as a client for the service in the current fiscal year may be counted as unduplicated.

Program sites must meet CFHL eligibility standards using 1 of 4 methodologies:

3.1 Methodology 1 –

The site address must be within an eligible low-income census tract with greater than 50 percent of residents having incomes at or below 185 percent of the FPG

3.2 Methodology 2 –

The setting is qualified based on the population it serves and not its physical location (e.g., public housing, Commodity Food Distribution sites, etc.)

3.3 Methodology 3 –

Fifty percent of site participants must have incomes at or below 100 percent of the FPG as determined by income levels identified on intake forms

3.4 Methodology 4 –

Fifty percent of site participants must have incomes at or below 185 percent of the FPG as determined by individual participant queries conducted at the meal site

4. General Program Requirements for All Services.

Contractor will:

- 4.1. Provide priority to low-income, socially isolated older adults with greatest economic and social need and to eligible minorities.

County of Solano
Standard Contract

- 4.2. Implement the statutory provisions in accordance with State and federal laws and regulations. The Contractor shall make every effort to meet the goals and objectives stipulated in this Agreement. Performance shall not be unilaterally reduced or otherwise changed without prior consultation and written approval from N/S AAA.
 - 4.3. Establish and maintain an organization that shall have the ultimate accountability for funds received from N/S AAA and for the effective and efficient implementation of the activities described in this Agreement and all pertinent State and federal laws and regulations, including data reporting requirements.

 - 4.5. Maintain a program data collection and reporting system as specified in Exhibit C of this Contract.
 - 4.6. Recognize any same-sex marriage legally entered into in a United States (U.S.) jurisdiction that recognizes their marriage, including one of the fifty (50) states, the District of Columbia, or a U.S. territory, or in a foreign country so long as that marriage would also be recognized by a U.S. jurisdiction. This applies regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. However, this does not apply to registered domestic partnerships, civil unions, or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage. Accordingly, recipients must review and revise, as needed, any policies and procedures that interpret or apply federal statutory or regulatory references to such terms as "marriage," "spouse," family," "household member" or similar references to familial relationships to reflect inclusion of same-sex spouse and marriages. Any similar familial terminology references in the U.S. Department of Health and Human Services (HHS) statutes, regulations, or policy transmittals will be interpreted to include same-sex spouses and marriages legally entered into as described herein. [1 USC 7- Section 3 of the Defense of Marriage Act]
 - 4.7. Report suspected abuse, neglect, or exploitation of program participants to Napa or Solano County Adult Protective Services and/or law enforcement.
 - 4.8. Prevent disclosure of any information about the participant without written consent of the individual.

6. Service Requirements:
- Contractor will:
- A. Administer SNAP-Ed in accordance with program requirements, policies/procedures outlined in this Agreement, and in the current FFY federal SNAP-Ed Guidance <https://snaped.fns.usda.gov/program-administration/snap-ed-plan-guidance-and-templates> [SNAP-Ed Guidance]

- E. Ensure SNAP-Ed sites meet at least one of the following site eligibility USDA, FNS Guidance Standards:
1. Method 1. Means-Tested Setting. Sites are qualified on the population they serve, and not on their physical location. Only low-income residents receive services at this site. This population qualifies by being eligible for CalFresh, Medi-Cal, public housing, low-income senior apartments, shelters, SSI, Low Income Home Energy Assistance Program (LIHEAP), IHHS, or a food pantry/food bank/Food Distribution on Indian Reservations, etc.

Ensure Title IIIC SNAP-Ed site eligibility is evaluated annually, and the eligibility documentation records are kept on file at the contracting agency. [7 CFR 272.2(d)(2)(i) and (v)] [USDA/Western Regional Office Targeting Methodology Summary]
 - b. Survey – Identify that at least 50 percent (50%) of participants have gross incomes at or below 185 percent (185%) of the FPL.
 4. Method 11. Qualifying Farmers Markets. If the Farmer's Market is not in an allowable low-income census tract, nutrition education programs must identify whether the farmers market accepts CalFresh Electronic Benefit Transfer (EBT). The Local Implementing Agencies (LIA) will need to show that the market is the only place where low-income consumers can buy from local farmers, or that there are only one or two markets that serve this area.

- K. Ensure that each SNAP-Ed intervention is evaluated for effectiveness using any of the following methods: formative, impact, outcome, and process evaluation techniques as defined in <http://www.fns.usda.gov/sites/default/files/EvaluationPrinciples.pdf>. Use CDA recommended evaluation tools as appropriate.
- L. Conduct pre- and post- intervention evaluations in SNAP-Ed series-based classes. Monthly claims for payment should be submitted to County by the 15th day of the subsequent month. Notwithstanding Section 1 in Exhibit C, Contractor is required to submit all monthly claims for services provided through May 31st no later than June 15 of the following month.

- C. Contractor must request approval for transfers between budget categories or the addition of line items within a budget category, which are set forth in Exhibit B-1. Requests for transfers between budget categories or addition of budget line items within a budget category must be presented to the County on the County's "Budget Modification Request Form". Transfers between budget categories or addition of line items within a budget category may be made only upon prior written approval of County, which approval may be withheld in the sole and absolute discretion of County. County may authorize the transfers between budget categories or the addition of line items within a budget category under this section, except for indirect costs and capital expenditures (equipment or real property), provided that such transfers or additions do not substantially change the scope of services to be provided under this Contract and do not increase the contract amount.
- D. Contractor must repay the County for any disallowed costs identified by County through monthly reports, audits, Quality Assurance monitoring, or other sources within thirty days of receipt of notice from County that the costs have been disallowed. Contractor agrees that funds to be disbursed under the terms of this contract will be withheld if repayment is not received by the County within thirty days of receipt of notice from County. Contractor may submit a written appeal to a disallowance to the County Health and Social Services Older and Disabled Adult Services (ODAS) Deputy Director, or designee, within fifteen days of receipt of a disallowance notice. The appeal must include the basis for the appeal and any documentation necessary to support the appeal. No fees or expenses incurred by Contractor in the course of appealing a disallowance will be an allowable cost under this Contract and will not be reimbursed by County. The decision of the County regarding the appeal will be final.
- E. The following criteria apply to Contract Budget submitted by Contractor under this Contract:
 - 1. Requests for payment of personnel costs must include positions, salary, and actual percentage of time for each position. If Contractor provides fringe benefits to part time employees, salary and fringe benefits must be pro-rated for non-full-time employees. Salaries are fixed compensation for services performed by staff who are directly employed by Contractor and who are paid on a regular basis. Employee benefits and employer payroll taxes include Contractor's contributions or expenses for social security, employee's life and health insurance plans, unemployment insurance, pension plans, and other similar expenses that are approved

by County. These expenses are allowable when they are included and in accordance with Contractor's approved written policies and allocation plan.

2. Salaries and benefits of personnel involved in more than one contract, grant, or project must be charged to each grant based on the actual percentage of time spent on each grant or project. Timesheets and Time studies for each employee whose time is charged to this contract must be maintained by Contractor and available upon request by the County.
3. Allowable operating expenses are defined as necessary expenditures exclusive of personnel salaries, benefits, equipment or payments to subcontractors. The expenses must be to further the program objectives as defined in Exhibit A of this Contract and be incurred during the invoiced period. County reserves the right to make the final determination if an operating expense is allowable and necessary.
4. Indirect costs are shared costs that cannot be directly assigned to a particular activity but are necessary to the operation of the organization and the performance of the program. The costs of operating and maintaining facilities, accounting services and administrative salaries are examples of indirect costs. Contractor must have a negotiated indirect cost rate with a federal agency. A Contractor who does not have a such a negotiated indirect cost rate agreement may claim an indirect cost rate of up to 10% of modified total direct costs, as defined in 2 CFR part 200.68, provided the Contractor does not use the Direct Allocation Method of allocating indirect costs (as discussed in Appendix IV to Part 200).
5. Regardless of whether Contractor claims indirect costs through a negotiated indirect cost rate, Direct Allocation Method or the 10% of modified total direct costs, Contractor must provide the County with a cost allocation plan that clearly differentiates between direct and indirect costs. Contractor ensures that the same costs that have been treated as indirect costs have not been claimed or budgeted as direct costs, and that similar types of costs in like circumstances have been accounted for consistently. Contractor will provide this plan to County upon request. In the event that Contractor is unable to provide County with an acceptable cost allocation plan, County may disallow any indirect cost billed amounts.

II. ACCOUNTING STANDARDS

- A. Contractor shall establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles and practices for organizations/governmental entities as described in Exhibit C – section 13C. Additionally, Contractor must submit claims for payment under this Contract using either a cost allocation method or a direct allocation method.
- B. Contractor's cost allocation method must be supported by a cost allocation plan with a quantifiable methodology validating the basis for paying such expenditures. The cost allocation plan should be prepared within the guidelines set forth under 2 CFR Part 200, subpart E, Cost Principles and Appendix IV to Part 200, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations.
- C. Contractor shall document all costs by maintaining complete and accurate records of all financial transactions associated with this Contract, including, but not limited to, invoices, time studies, and other official documentation that sufficiently support all charges under this Contract.

III. PERSONAL PROPERTY

Contractor shall develop and maintain a system to track the acquisition of tangible personal property purchased with County funds having a cost of at least \$1,500 and submit, upon County's request, an annual accounting of all such property purchased that includes information on cost and acquisition date. Contractor shall ensure adequate safeguards are in place to protect such assets and shall exercise

reasonable care over such assets to protect against theft, damage or unauthorized use. Contractor shall, upon County's request, return such assets to the County upon contract termination; unless the depreciated value of the asset is \$0, based on a straight-line method of depreciation (refer to CFR Part 200.436).

IV. FINANCIAL STATEMENTS AND AUDITS

- A. Contractor agrees to furnish annual audited financial statements to the County, which must be submitted within 30 days of its publication. If contractor is not required by federal and/or state regulations to have an independent audit of its annual financial statements, contractor agrees to furnish unaudited financial statements by September 1.

EXHIBIT C
GENERAL TERMS AND CONDITIONS

1. CLOSING OUT

A. County will pay Contractor's final request for payment providing Contractor has met all obligations required under this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to meet any outstanding obligation, County will withhold compensation due under this Contract from Contractor's final request for payment until Contractor satisfies such obligation(s). Contractor is responsible for County's receipt of a final request for payment 30 days after expiration or earlier termination of this Contract.

B. A final undisputed invoice shall be submitted for payment no later than 90 calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that, upon full payment of such invoice, no further payments are due or outstanding under the Contract.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

2. TIME

Time is of the essence in all terms and conditions of this Contract.

3. TIME OF PERFORMANCE

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

4. TERMINATION

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

5. SIGNATURE AUTHORITY

The parties executing this Contract certify that they have obtained all required approvals and have the proper authority to bind their respective entities to all certifications, terms, and conditions set forth in this Contract.

6. REPRESENTATIONS

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state

and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

B. Minimum Scope of Insurance
Coverage must be at least as broad as:

- (1) Insurance Services Office Commercial General Liability coverage (occurrence Form CG 00 01).
- (2) Insurance Services Office Form Number CA 00 01 covering Automobile Liability, Code 1 (any auto).
- (3) Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

| (2) Automobile Liability: | \$1,000,000 | per accident for bodily injury and property damage. |
| (3) Workers' Compensation: | As required by the State of California. | |
| (4) Employer's Liability: | \$1,000,000 | per accident for bodily injury or disease. |

| (1) Cyber Liability: | \$1,000,000 | per incident with the aggregate limit twice the required limit to cover the full replacement value of damage to, alteration of, loss of, or destruction of electronic data and/or information property of the County that will be in the care, custody or control of Contractor under this Contract. |
|----------------------|--------------------|--|

- (2) Professional Liability: **\$2,000,000** combined single limit per claim and in the aggregate. The policy shall remain in full force and effect for no less than 5 years following the completion of work under this Contract.

E. If Contractor maintains higher limits than the minimums shown above, County is entitled to coverage for the higher limits maintained by Contractor. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

F. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either:

- (1) The insurer will reduce or eliminate such deductibles or self-insured retentions with respect to County, its officers, officials, agents, employees and volunteers; or

General Liability coverage shall be provided in the form of an Additional Insured endorsement (CG 20 10 11 85 or both CG 20 10 and CG 20 37 if later ISO revisions are used or the equivalent) to Contractor's insurance policy, or as a separate owner's policy. The insurance afforded to the additional insureds shall be at least as broad as that afforded to the first named insured.

(b) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(2) If Contractor's services are technologically related, Professional Liability coverage shall include, but not be limited to claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to such obligations. The policy shall also include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the County in the care, custody, or control of the Contractor. If not covered under the Contractor's Professional Liability policy, such "property" coverage of the County may be endorsed onto the Contractor's Cyber Liability Policy.

(3) Should any of the above described policies be cancelled prior to the policies' expiration date, Contractor agrees that notice of cancellation will be delivered in accordance with the policy provisions.

H. Waiver of Subrogation

(1) Contractor agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

(2) The Workers' Compensation policy must be endorsed with a waiver of subrogation in favor of County for all work performed by Contractor, its employees, agents and subcontractors.

I. Acceptability of Insurers

Insurance is to be placed with insurers with a current AM Best rating of no less than A:VII unless otherwise acceptable to County.

J. Verification of Coverage

(1) Contractor must furnish County with original certificates and endorsements effecting coverage required by this Contract.

(2) The endorsements should be on forms provided by County or, if on other than County's forms, must conform to County's requirements and be acceptable to County.

(3) County must receive and approve all certificates and endorsements before work commences.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

(5) County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage described above at any time.

8. BEST EFFORTS

Contractor represents that Contractor will at all times faithfully, industriously and to the best of its ability, experience and talent, perform to County's reasonable satisfaction.

9. DEFAULT

A. If Contractor defaults in Contractor's performance, County shall promptly notify Contractor in writing. If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall constitute cause for termination of this Contract.

B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County. The contract may be terminated at County's sole discretion.

C. If County serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.

D. If this Contract is terminated because of Contractor's default, County shall be entitled to recover from Contractor all damages allowed by law.

This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

B. Acceptance of insurance required by this Contract does not relieve Contractor from liability under this indemnification clause. This indemnification clause shall apply to all damages or claims for damages suffered by Contractor's operations regardless of whether or not any insurance is applicable.

11. INDEPENDENT CONTRACTOR

A. Contractor is an independent contractor and not an agent, officer or employee of County. The parties mutually understand that this Contract is between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

B. E. As an independent contractor, Contractor is not subject to the direction and control of County except as to the final result contracted for under this Contract. County may not require Contractor to change Contractor's manner of doing business but may require redirection of efforts to fulfill this Contract.

F. Contractor may provide services to others during the same period Contractor provides service to County under this Contract.

G. Any third persons employed by Contractor shall be under Contractor's exclusive direction, supervision and control. Contractor shall determine all conditions of employment with respect to its employees including hours, wages, working conditions, discipline, hiring and discharging or any other condition of employment.

I. Contractor, with full knowledge and understanding of the foregoing, freely, knowingly, willingly and voluntarily waives the right to assert any claim with respect to any right or benefit or term or condition of employment insofar as such claim may be related to or arise from compensation paid under this Contract.

12. RESPONSIBILITIES OF CONTRACTOR

A. The parties understand and agree that Contractor possesses the requisite skills necessary to perform the work under this Contract and County relies upon such skills. Contractor pledges to perform the work skillfully and professionally. County's acceptance of Contractor's work does not constitute a release of Contractor from professional responsibility.

B. Contractor verifies that Contractor has reviewed the scope of work to be performed under this Contract and agrees that in Contractor's professional judgment, the work can and shall be completed for costs within the maximum amount set forth in this Contract.

C. To fully comply with the terms and conditions of this Contract, Contractor shall:

(1) Establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles for government agencies;
