RE: Nomination for Appointment to the Solano Transportation Authority (STA) Bicycle Advisory Committee (BAC)

Dear Ms. Draves,

Solano County currently does not have a representative on the Bicycle Advisory Committee, a position that has recently become vacant. The STA received an interest form from Jason Gray who comes highly recommended from the former BAC representative. Jason is currently the Member-at-Large for the BAC and is interested in representing Solano County. He is an active recreational cyclist on the weekends and an active alternative commuter during the week, riding his bicycle to and from work. He currently lives in Vallejo and looks forward to being a part of the transition to safer, more walkable communities.

I am requesting that you approve and sign the attached letter of nomination so we can move forward with Jason's appointment to the BAC to represent Solano County.

Sincerely,

James M. Bezek  
Director of Resource Management
