To the Board of Supervisors and County Administrator:

After more than 27 years with Solano County, beginning my career in the Auditor-Controller's Office as a Fiscal Clerk and concluding it as the Acting Auditor-Controller, I have decided to retire and join my husband in his retirement years.

It is with utmost gratitude to the Board and to the County Administrator's Office for giving me the opportunity to assume the leadership position over the Auditor-Controller's Office as the Acting Auditor-Controller. My final day of work will be February 28, 2025. I will be fully engaged until my retirement day and will do everything I can to help with the transition.

To the Board, County Administrator's Office, and County Counsel, thank you so much for your trust in me and for the ongoing support to the Auditor-Controller's Office.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sheila O. Turgo".

Sheila O. Turgo  
Acting Auditor-Controller
