2.6.3) Sterile dry hypodermic needles and syringes or clean dry vacuum-type containers with sterile needles shall be used. No reusable equipment shall be used. B. A final undisputed invoice shall be submitted for payment no later than ninety (90) calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that all payment obligations of the County under this Contract have ceased and that no further payments are due or outstanding.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

(2) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(3) Should any of the above described policies be cancelled prior to the policies' expiration date, Contractor agrees that notice of cancellation will be delivered in accordance with the policy provisions.

H. Waiver of Subrogation

(1) Contractor agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

8. BEST EFFORTS

Contractor represents that Contractor will at all times faithfully, industriously and to the best of its ability, experience and talent, perform to County's reasonable satisfaction.

If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall terminate this Contract.

B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County.

C. If County serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.

Contractor shall employ or retain no such person while rendering services under this Contract. Services rendered by Contractor's associates or employees shall not relieve Contractor from personal responsibility under this clause.
