**Re: SCA 3 (Dodd) Local government financing: public libraries: voter approval – Support**

Dear Senator Dodd,

On behalf of the Solano County Board of Supervisors, I write in support of your SCA 3 which would lower the voting threshold for library bonds to 55%.

The mission of local public libraries has changed over the years. This measure is greatly needed as State funding has been drastically cut for facility upgrades and vital services that include everything from child and adult literacy programs to computers for job searches and training to help citizens transition to better quality lives.

For these reasons, the Solano County Board of Supervisors is pleased to support your SCA 3.

Sincerely,
