Regarding: Technical Correction to Unit 15, Probation Supervisors, Collective Bargaining Agreement

Dear Tarita:

On November 7, 2017, the Board of Supervisors adopted a Resolution adopting the successor collective bargaining agreement for Unit 15, Probation Supervisors. The collective bargaining agreement stated, in part, as Appendix B, paragraph 1, the following:

Effective the beginning of the first full pay period on or following Association ratification and Board adoption of the Memorandum of Understanding (whichever occurs first), a cost of living increase to base rate by four percent (4%).

A technical correction to this paragraph is necessary, and the corrected paragraph shall read:

Effective the beginning of the pay period which includes the date the Board of Supervisors' adoption of the collective bargaining agreement, the base wage rates set in this Appendix B will increase by four percent (4%) of the base wages in effect the day before such increase takes effect.

Sincerely,

A handwritten signature in black ink, appearing to read "Marc A. Fox".
