SOLANO COUNTY 2019 FEDERAL LEGISLATIVE PROGRAM

Here in Solano County we take seriously our role in local government to create a bright and promising future for everyone who lives, learns, works and plays here – free of discrimination – by establishing and maintaining the social, economic and physical environments that promote good health while protecting vulnerable populations - giving everyone the chance to succeed. Our residents share in this promise, and, by working together, we endeavor to establish communities where people are safer, families are stronger and local economies thrive. By acknowledging the significant contributions of diverse groups of people – both present and in the past – we welcome a future that is bright and promising, while embracing a set of values that gives everyone the chance to be the best versions of themselves they can possibly be. To this end, all persons within Solano County are free and equal, and shall not be discriminated against based on their age, gender, race, color, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, sexual orientation, gender identity, primary language, citizenship, or immigration status.

PRIORITY ISSUES

The ability of the County to serve its residents and provide for a thriving and sustainable community requires support from all levels of government. Federal legislative policy and funding decisions affect the County's ability to deliver services. In order to fulfill the County's commitment to the community, Federal resources should be sought to support the County's mission to enrich the quality of life in the County. To this end, the County Board of Supervisors supports the priorities and the legislative principles set forth below.

Priority issues are those that have a significant impact on County business and on which County staff, including the County's Federal legislative advocates, will concentrate their legislative efforts during the 2018 Legislative Session. The County's top priorities (Listed Alphabetically) include:

1. **Funding for Key Water Infrastructure Projects** - Support efforts to authorize and fund key water infrastructure projects in Solano County, including dredging, water reuse and recycling, and flood control projects.
2. **Health and Human Services** - Support increased federal funding for services and income support needed by parents seeking to reunify with children who are in foster care. Support increased financial support for programs that assist foster youth in the transition to self-sufficiency, including post-emancipation assistance such as secondary education, job training, and access to health care. Support retaining the entitlement nature of the Title IV-E Foster Care and Adoption Assistance programs and elimination of outdated rules that base the child's eligibility for funds on parental income and circumstances. Support federal funding to address the service needs of youth who are victims of commercial sexual exploitation. Support reauthorization of the Temporary Assistance for Needy Families (TANF) program with a particular emphasis on restoring state and county flexibility to tailor work and family stabilization activities to families' individual needs. Support ongoing Social Security benefits. Support federal Medicaid funding to be enhanced for individuals placed in Institutions for Mental Disease (IMDs). Support increased federal funding for the Older Americans Act and for programs and initiatives that enhance sustenance of independent living for disabled and senior adults.
3. **Housing, Economic Development, and Transportation Programs** - Support the highest possible funding level for key federal housing and economic development programs. Support efforts to restore and revitalize property impacted by prior realignment or closure of military installations. In the area of transportation, support efforts to protect the Highway Trust Fund and support programs that provide funding for local roads, bridges, transit initiatives, and aviation. 4. **Military Presence** - Support efforts to protect Travis Air Force Base from budget reductions, downsizing, as well as advocate for new and/or alternative missions to be directed to the base. Support additional assets/missions such as C-17, KC-46 squadrons, modernization of existing aircraft, and gaining other aviation and non-aviation missions. Support infrastructure investments, including military construction projects and housing upgrades and enhance use of underutilized property on base. Support efforts to implement and maintain public-public/public-private partnerships with Travis Air Force Base and other community organizations/agencies. Support funding for the maintenance, operations, and upkeep of federal facilities and infrastructure following the close of a military installation.
5. **Public Safety and Emergency Preparedness** - Support funding for programs that assist Solano County with efforts aimed at reducing crime and enhancing public safety through community partnerships and multi-jurisdictional efforts. In addition, support funding for programs that assist the County with disaster response and preparedness and homeland security-related needs, including efforts aimed at achieving communications interoperability.
6. **Sacramento-San Joaquin Delta and Suisun Marsh** - Support legislative and administrative efforts to protect the Sacramento-San Joaquin Delta and the County's interests relative to land use, agricultural stability, economic development, police or emergency response mandates, environmental preservation, flood protection, levee stability, habitat conservation, recreation, water supply, water quality, water rights, and dredging activities. Support governance structures that give local government a strong and equal voice with other stakeholders in setting Delta policy.

Furthermore, the Board of Supervisors adopts the following principles (Listed Alphabetically by Policy Area):

2. Support efforts that protect and/or enhance local governments' revenues, maximize the County's access to Federal funding sources, and/or increases local funding flexibility.

Oppose proposed regulations to change the public charge rule that, if implemented, would consider the receipt of federal non-cash benefits and other factors including income, age and health when determining whether a legal immigrant who is applying to extend or adjust his or her status is likely to become primarily dependent on government support. The mere issuance of the proposal is causing some otherwise eligible individuals to forgo or withdraw from health and human services programs which help ensure the wellbeing of all County residents, including immigrants.
