Please provide a brief description of your employment & educational history: I have served in the public sector for 25 years, at many levels of government, including the CA State Assembly and El Dorado County Board of Supervisors. For 14 years, I was the Clerk of the Board for a special district and am currently with the City Clerk's Office at the City of Citrus Heights. I am well-versed in public meetings, the Brown Act, advisory committees, local government tax measures, the Form 700, ethics requirements, government finance and the state legislative process. I have a M.A. in International Studies and a B.A. in Political Science.

As a member of this board/council/committee/commission, what might you hope to achieve? I hope to help achieve greater understanding and communication with my community about how tax dollars are spent. It would be an honor to continue advocating for the Solano County library system.

As a member of this board/council/committee/commission, what do you think you might contribute to help it fulfill its missions and goals?

I bring experience with placing local tax measures on the ballot and preparing citizen advisory committee annual reports. I can review expenditure reports knowledgeably and support the Director of Library Services by sharing information with Dixon residents to promote transparency.
