

Resolution No.2023-214

RESOLUTION OF THE SOLANO COUNTY BOARD OF SUPERVISORS RECOGNIZING OCTOBER 2023 AS NATIONAL CYBERSECURITY AWARENESS MONTH IN SOLANO COUNTY

WHEREAS, National Cybersecurity Awareness Month is a nationwide effort held each October; and

WHEREAS, the goal of National Cybersecurity Awareness Month is to raise awareness about the importance of cybersecurity and to ensure that all residents of America have the resources they need to be safer and more secure online, the Solano County Department of Information Technology is coordinating its efforts to bring the same message to all; and

WHEREAS, the U.S. Department of Homeland Security, through the "It's easy to stay safe online" campaign, will highlight the importance of individuals and organizations taking proactive steps to enhance cybersecurity in key areas including privacy, consumer devices, and e-commerce security, both at home and in the workplace; and

WHEREAS, the staff of Solano County should join with residents across the nation to ensure action is taken, including accessing cybersecurity awareness videos readily available on the web site for the U.S. Department of Homeland Security and participation in County security training opportunities.

NOW, THEREFORE BE IT RESOLVED, that the Solano County Board of Supervisors, on behalf of the residents of Solano County, hereby recognizes the month of October 2023 as "National Cybersecurity Awareness Month" and that the County of Solano will continue to participate in efforts that ensure its employees have access to cybersecurity resources, including reporting mechanisms, so all County personnel and the general public can work together to secure and protect our digital presence.

Dated this 3rd day of October 2023
