MEMORANDUM

DATE April 7, 2025
TO Allan Calder and Matt Walsh, Solano County
FROM Charlie Knox
SUBJECT Updated Work Scope for Pleasants Valley Agricultural Tourism Zoning Overlay

Per your request and direction, the purpose of this memo is to serve as a proposal to establish a zoning overlay for a portion of the Pleasants Valley Planning Area to allow and appropriately regulate certain agricultural tourism activities, the details of which will be determined through community engagement and County review that builds on the Pleasants Valley visioning work done in 2021.

Task 1 – Project Initiation, Management, and Webpage Materials (*ongoing*)

PlaceWorks will work with County staff to refine the scope of work if/as needed to ensure achievement of County objectives. PlaceWorks project staff will be available to meet bi-weekly online with County project staff as needed throughout the roughly 6-month project. PlaceWorks will provide project materials for posting by County staff on a dedicated webpage that presents updated information about the project, including summaries of community input and opportunities for public participation.

Task 2 – Community Open House #1: Zoning Overlay Options (*approx. 2 months after initiation*)

PlaceWorks will assist County staff in conducting an in-person open house to present options for an overlay zone that includes standards, geographic extent, and levels of review for potential newly allowable ag tourism activities. The options will be based on public input from the prior visioning phase and will enable community members to register detailed preferences for what, where, and how any new ag tourism land uses may be allowed and conducted within portions of the planning area.

PlaceWorks will prepare a slide presentation and display boards that will allow and encourage open house participants to comment in convenient ways that also will render their input visually accessible to the public and decision makers, including when photographs and a written summary of the open house are posted on the project website. The presentation materials will convey current regulations, resource constraints, and community input to date, as well as options for zoning text standards and overlay map boundaries.

Task 3 – Community Open House #2: Draft Zoning Overlay (*approx. 4 months after initiation*)

Based on input from the first open house and direction from County staff, PlaceWorks will assist County staff in hosting a second open house to refine a draft overlay and standards for consideration by the Planning Commission and Board of Supervisors. Presentation materials will describe how community preferences to date can be expressed through regulations and review processes applied to specific geographic locations within the planning area. Photographs and a written summary from the second open house will be posted on the project website.

Task 4 – Initial Study/Mitigated Negative Declaration (approx. 5 months after initiation)

If the Initial Study prepared by PlaceWorks determines that potential impacts can be avoided or mitigated to less-than-significant levels, PlaceWorks will prepare administrative and screencheck drafts of a Mitigated Negative Declaration, prior to providing a final version. PlaceWorks will also prepare a Mitigation Monitoring and Reporting Program in tabular form that identifies responsibility parties, monitoring triggers, and reporting frequencies.

PlaceWorks will draft a Notice of Intent for County staff to send to the project distribution list, State Clearinghouse, and applicable commenting agencies, as well as a Notice of Determination to be filed by the County at the Clerk’s Office and submitted by PlaceWorks to the State Clearinghouse via CEQAnet.

Task 5 – Planning Commission and Board of Supervisors Review (approx. 6 months after initiation)

PlaceWorks will prepare a summary of community input to date and materials for County staff to present to the Planning Commission to facilitate its recommendation on action regarding adoption of the zoning overlay. PlaceWorks will then assist County staff in preparing presentation materials for Board of Supervisors consideration of action regarding adoption of the zoning overlay and zoning code text amendments.

Project Budget

The not-to-exceed budget assumes that County staff will handle noticing and meeting arrangements, provide a single set of reconciled and consolidated County comments on each deliverable document, respond to any commenters regarding the project, and cover any CEQA filing fees.

Each invoice must specify services rendered, to whom, date of service and the accrued charges.

EXHIBIT C
GENERAL TERMS AND CONDITIONS

1. CLOSING OUT

A. County will pay Contractor's final request for payment providing Contractor has paid all financial obligations undertaken pursuant to this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to pay any obligations outstanding, County will withhold from Contractor's final request for payment the amount of such outstanding financial obligations owed by Contractor. Contractor is responsible for County's receipt of a final request for payment 30 days after termination of this Contract.

B. A final undisputed invoice shall be submitted for payment no later than ninety (90) calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that all payment obligations of the County under this Contract have ceased and that no further payments are due or outstanding.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

2. TIME

Time is of the essence in all terms and conditions of this Contract.

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

4. TERMINATION

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

5. SIGNATURE AUTHORITY

The parties executing this Contract certify that they have the proper authority to bind their respective entities to all terms and conditions set forth in this Contract.

6. REPRESENTATIONS

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the negligent performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

B. Minimum Scope of Insurance

Coverage must be at least as broad as:

and completed operations.) | \$2,000,000 | per occurrence for bodily injury, personal injury and property damage, or the full per occurrence limits of the policy, whichever is greater. If Commercial General Liability insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit. |
| (2) Automobile Liability: | \$1,000,000 | per accident for bodily injury and property damage. |
| (3) Workers' Compensation: | As required by the State of California. | |

D. Additional Insurance Coverage

To the extent coverage is applicable to Contractor's services under this Contract, Contractor must maintain the following insurance coverage:

- (1) Cyber Liability: **\$1,000,000** per incident with the aggregate limit twice the required limit to cover the full replacement value of damage to, alteration of, loss of, or destruction of electronic data and/or information property of the County that will be in the care, custody or control of Contractor under this Contract.
- (2) Professional Liability: **\$2,000,000** combined single limit per claim and in the aggregate. The policy shall remain in full force and effect for no less than 5 years following the completion of work under this Contract.

E. If Contractor maintains higher limits than the minimums shown above, County is entitled to coverage for the higher limits maintained by Contractor. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

F. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either:

- (1) The insurer will reduce or eliminate such deductibles or self-insured retentions with respect to County, its officers, officials, agents, employees and volunteers; or
- (2) Contractor must provide a financial guarantee satisfactory to County guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

G. Other Insurance Provisions

(1) The general liability and automobile liability policies must contain, or be endorsed to contain, the following provisions:

- (a) The County of Solano, its officers, officials, agents, employees, and volunteers must be included as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of Contractor; and with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts or equipment furnished in connection with such work or operations. General Liability coverage shall be provided in the form of an Additional Insured endorsement (CG 20 10 11 85 or both CG 20 10 and CG 20 37 if later ISO revisions are used or the equivalent) to Contractor's insurance policy, or as a separate owner's policy. The insurance afforded to the additional insureds shall be at least as broad as that afforded to the first named insured.

(b) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(2) If Contractor's services are technologically related, Professional Liability coverage shall include, but not be limited to claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to such obligations. The policy shall also include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the County in the care, custody, or control of the Contractor. If not covered under the Contractor's Professional Liability policy, such "property" coverage of the County may be endorsed onto the Contractor's Cyber Liability Policy.

(3) Should any of the above described policies be cancelled prior to the policies' expiration date, Contractor agrees that notice of cancellation will be delivered in accordance with the policy provisions.

H. Waiver of Subrogation

(1) Contractor agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

J. Verification of Coverage

(1) Contractor must furnish County with original certificates and endorsements effecting coverage required by this Contract.

(2) The endorsements should be on forms provided by County or, if on other than County's forms, must conform to County's requirements and be acceptable to County.

(3) County must receive and approve all certificates and endorsements before work commences.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

(5) County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage described above at any time.

8. BEST EFFORTS

Contractor represents that Contractor will at all times faithfully, industriously and to the best of

its ability, experience and talent, perform to County's reasonable satisfaction.

9. DEFAULT

A. If Contractor defaults in Contractor's performance, County shall promptly notify Contractor in writing. If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall constitute cause for termination of this Contract.

B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County. The contract may be terminated at County's sole discretion.

C. If County serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.

D. If this Contract is terminated because of Contractor's default, County shall be entitled to recover from Contractor all damages allowed by law.

This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

B. Acceptance of insurance required by this Contract does not relieve Contractor from liability under this indemnification clause. This indemnification clause shall apply to all damages or claims for damages suffered by Contractor's operations regardless if any insurance is applicable or not.

11. INDEPENDENT CONTRACTOR

A. Contractor is an independent contractor and not an agent, officer or employee of County. The parties mutually understand that this Contract is between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

12. RESPONSIBILITIES OF CONTRACTOR

A. The parties understand and agree that Contractor possesses the requisite skills necessary to perform the work under this Contract and County relies upon such skills.
