

RESOLUTION NO. 2024-203

RESOLUTION OF THE SOLANO COUNTY BOARD OF SUPERVISORS APPROVING THE UPDATED ENGLISH HILLS TRANSPORTATION IMPACT FEE AREA CAPITAL IMPROVEMENT PLAN, AND MAKING FINDINGS REGARDING EXPENDITURE OF FUNDS FROM THE ENGLISH HILLS AREA ROAD IMPROVEMENT RESERVE ACCOUNT

Whereas, on June 26, 2001, pursuant to §66000 et seq. of the California Government Code, known as the Mitigation Fee Act, the Solano County Board of Supervisors adopted the Transportation Impact Fee Program, the English Hills Transportation Impact Fee Area (Fee Area), and the English Hills Transportation Impact Fee Area Capital Improvement Plan (Capital Improvement Plan); and

Whereas, the Fee Area collects transportation impact fees to complete road improvements on certain roads within the English Hills area of unincorporated Solano County; and

Whereas, §66002(b) of the Mitigation Fee Act requires the local agency to update the Capital Improvement Plan annually to show the improvements to be funded by the program; and

Whereas, the Capital Improvement Plan has been updated to reflect the improvements to be funded by the program; and

Whereas, the updated Capital Improvement Plan shows the roads in the English Hills area that will be improved with funds generated by the Fee Area, the ultimate right-of-way and paved widths of the roads, and the estimated funds that will be generated by the Fee Area; and

Whereas, §66001(d) requires Solano County make several findings regarding unexpended funds in the English Hills Area Road Improvement Reserve Account.

Resolved, the Solano County Board of Supervisors approves the updated English Hills Transportation Impact Fee Area Capital Improvement Plan which is attached as Exhibit A.

Resolved, the Solano County Board of Supervisors makes the following findings regarding the unexpended funds in the English Hills Area Road Improvement Reserve Account:

1. The purpose of the fee from which the funds have been collected is to pay the costs of roadway facilities and improvements in accordance with the provisions of the Solano County General Plan.
2. There is a reasonable relationship between the need for the roadway facilities and improvements identified in the Capital Improvement Plan and the development projects on which the fee is imposed, since new development will generate new demand for roadway facilities, which must be accommodated by construction of new or expanded facilities.
3. Funding for the projects included in the Capital Improvement Plan will come from the funds generated by the Fee Area, with the anticipated amounts of funding shown in the Capital Improvement Plan.
4. Funding is collected by the Fee Area and deposited into the English Hills Area Road Improvement Reserve Account as facilities are constructed within the boundary of the Fee Area. The date for collection of the fees is anticipated to extend for approximately twenty years, depending upon the rate of development in the Fee Area.
