

**PROCLAMATION OF LOCAL EMERGENCY**  
[Gov. Code, § 8630]

**WHEREAS**, Government Code section 8630 and Solano County Code sections 7-12 (a) and (b) and 7-13 (a)(1), authorize the Solano County Administrator, acting as the Incident Commander for Emergency Services, to proclaim a local emergency as defined by Government Code section 8558, subdivision (c) when the Solano County Board of Supervisors is not in session; and

**WHEREAS**, the City of Vallejo City Manager signed a Declaration of Emergency that will be considered for ratification at their next City Council Regular Meeting in response to extreme events, including recent power outages, fires, and a mandatory water conservation notice in response to the Public Safety Power Shutoff that impacted that City's ability to pump raw water for treatment, limiting the City to what was pumped in reservoirs, resulting in the Solano County Incident Commander finding that conditions now exist in Solano County which have caused or threaten to cause the destruction of critical infrastructure, residences and businesses, the evacuation of residents, the exposure and infliction of severe respiratory distress, and other damage and impacts; and

**WHEREAS**, such conditions are or are likely to be beyond the control of the services, personnel, equipment, and facilities of Solano County; and

**WHEREAS**, the Solano County Board of Supervisors is not in session and cannot immediately be called into session.

**NOW THEREFORE, THE SOLANO COUNTY INCIDENT COMMANDER DECLares AND PROCLAIMS THAT:**

1. Conditions of extreme peril to the safety of persons and property have arisen throughout Solano County and a local emergency now exists in Solano County.
2. During the existence of this local emergency the powers, functions, and duties of the emergency organization of Solano County shall be those prescribed by state law, by ordinances, resolutions and approved emergency plans of Solano County.
3. This local emergency proclamation shall expire in 7 days after its issuance unless confirmed and ratified by the Solano County Board of Supervisors.
4. This proclamation and its contents will be published and promulgated in as widespread a manner as is reasonable feasible under the conditions prevailing during this local emergency.
