6. REPRESENTATIONS

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

7. INSURANCE

Contractor shall employ or retain no such person while rendering services under this Contract.
