Whereas, the Solano County Board of Supervisors recognizes that the Department of Health and Social Services receives routine revenue agreements from various departments of the State of California, including the Department of Health Services, the Department of Rehabilitation, and other State agencies throughout the fiscal year; and

Whereas, the State of California requires a resolution authorizing approval and authorizing the County Administrator to execute the revenue agreements and any resulting amendments; and

Whereas, the Department of Health and Social Services has multiple federal, State, and other standard revenue agreements and memorandums of understanding that are submitted during the fiscal year and require the flexibility of execution so as to receive funding and services in a timely manner; and

Whereas, the Behavioral Health Division of the Department of Health and Social Services has a need to place clients in room and board facilities, board and care facilities, and other residential treatment facilities in a timely manner to ensure proper treatment and such placements are done with individual admission agreements to the facilities.

Resolved, the Solano County Board of Supervisors approves the State of California revenue agreements and authorizes the County Administrator to execute said agreements and any subsequent amendments provided that no changes will negatively impact the County General Fund.
