B. MTW Supplement Narrative.

The Solano County Housing Authority (SCHA) exists to serve our community's housing needs using all resources available. Participation in the Department of Housing and Urban Development's (HUD) Moving-to-Work (MTW) demonstration provides the SCHA with the ability to make the best use of existing program funds to assist the City of Dixon, City of Rio Vista, and the unincorporated areas of Solano County's very low- and low-income residents to obtain safe, decent, and affordable housing. Participation in the MTW demonstration supports the SCHA's goal to provide affordable housing opportunities through creative partnerships with public and private collaborators. Participation in the MTW demonstration also expands the SCHA's ability to provide participants with opportunities to achieve self-sufficiency. The SCHA is able to utilize the benefits of the Moving-to-Work (MTW) to meet the three statutory objectives of the MTW Demonstration Program in the following ways:

Cost-Effectiveness -

Reexaminations: SCHA has transitioned to require reexaminations every 36 months for families in which at least 90 percent of income is from a fixed source. The reexamination process can be cumbersome for persons who are elderly and/or disabled families that may have sight, hearing, cognitive, and/or mobility, etc. issues, or other families in which at least 90% of their income is from a fixed source. This burden can be removed as these families have few, if any, changes in household income and/or composition from year to year. Changing required reexaminations for these families from every 12 months to every 36 months will also reduce the administrative burden for the SCHA

Self-Certification of Assets: The SCHA has increased the value of family assets and anticipated asset income, when applicable. The SCHA accepts the family's self-certification from \$5,000 or less to \$50,000 or less. All assets valued over \$50,000 will continue to require 3rd party verification.

Self-Sufficiency -

Funding flexibility and streamlining administrative processes allow the SCHA to expand resources and staff assistance provided to program participants during the housing search process. Activities may include expanded briefing topics/activities such as warm referrals to rental and/or utility deposit assistance, developing a rental profile, practicing completing rental applications, and/or reviewing credit/rental history.

Housing Choice -

Tenant Rent Policies: The SCHA increased the 40 percent affordability cap to 50 percent at initial lease-up in order to increase housing choice for low-income households. This has increased low-income families' ability to secure housing in low-poverty concentration and areas of opportunity.

Landlord Leasing Incentives: By combining the activities available under the Landlord Leasing Incentives category, the SCHA originally planned to launch its Landlord Partnership Program (LPP) in Fiscal year 2022-2023. Due to limited staff capacity, the SCHA was unable to implement as planned. The SCHA plans on implementing March 2024. The LPP is aimed at expanding rental opportunities for families holding housing choice vouchers by making landlord participation in the program more attractive. The LPP provides financial incentives to landlords who rent to housing choice voucher participants in the form of vacancy payments, damage claims funds, and additional lease-up incentives to landlords with new units.

Housing Quality Standards: In conjunction with the LPP, the SCHA will conduct pre-qualifying unit inspections for landlords that are willing to participate in the program but have not yet identified an eligible tenant. Conducting pre-qualifying inspections supports the recruitment of new landlords and units as well as retaining existing units within the portfolio of available housing.

Utility Reimbursements -

Solano County Housing Authority will eliminate Utility Reimbursement payments when the Utility Reimbursement Allowance is less than \$50.00. This will reduce the amount of fees the SCHA must pay the bank each month when families do not cash their UR checks and SCHA has to reissue the check.

<p>Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative</p> <p>Of all SCHA participant families, approximately 15 (6%) were being provided with a utility reimbursement. Of those participating families 3 (1%) are receiving Utility Allowance reimbursements less than \$50. Solano County Housing Authority will eliminate Utility Reimbursement payments when the Utility Reimbursement Allowance is less than \$50.00. This will reduce the amount of fees the SCHA must pay the bank each month when families do not cash their UR checks and SCHA has to reissue the check. SCHA will save approximately \$698.76 annually in administrative costs and \$912.00 in Utility Reimbursement Payments.
