Solano County General Services, Purchasing Division

It is the policy of the County to competitively solicit the maximum number of bids for a commodity or service in order to uphold the best interests of the County and secure the best deal in the procurement process. There are certain acquisitions, however, that can only be obtained from a sole source due to the uniqueness of the commodity or service, prior knowledge of the County's business practices, or lack of other providers, etc. Sole source acquisitions must be justified in sufficient detail to explain the basis for suspending the usual competitive procurement process. Purchasing Services will attach the sole source justification to the procurement documents used to purchase a commodity.

For more information regarding sole source justification (exceptions, requirements, non-competitive negotiation, price/cost analysis, contract renewal, etc.) refer to Solano County's Purchasing & Contracting Policy, Chapter 1.1.11, 1.7.13, and 1.3.2.

Notice: If the sole source justification request is denied for any reason the procurement will undergo the normal competitive bidding process as defined in the Purchasing Policies and Procedures, Chapter 1.1.8 and 1.8.0 and the Solano County Code 22-15 and 22-23.

Directions:

Complete the form below. Attach any other required or additional documentation to support your justification and be sure to have the department head or the appropriately designated person sign and date. (Refer to Chapter 1.1.0 of the Purchasing & Contracting Policies and Procedures or Section 22.11, 22.13-14 of the Purchasing Ordinance for the designation of authorized persons to sign such documents.) Submit to the Purchasing Department for approval.

F-1 Purchasing and Contracting Policy
Attachment B
Revision Date: 11/14/2017
Page: 2 of 4

Justification for Sole Source Procurement:

- 1 Does the proposed contractor have unique, critical capabilities for the job required? Explain these unique or critical capabilities and why no other contractor can fill them ☒ Yes ☐ No ☐ N/A

Flock Safety uses patented proprietary machine vision technology to analyze vehicle license plate, state recognition, and vehicle attributes such as color, type, make and objects (roof rack, bumper stickers, etc.) based on image analytics (not car registration data) that analyzes the entire vehicle and not just a photo of a license plate.

- 2 Is the proposed contractor highly specialized to perform this particular job? ☒ Yes ☐ No ☐ N/A

Explain prior experience that supports this claim.

As a subsidiary of Axon, Flock Safety ALPR cameras and software will seamlessly integrate with the ALPR systems the Sheriff's Office currently uses for in-car cameras and ALPRs.

- 3 Does this contractor have specialized facilities, staffing, and/or equipment? ☒ Yes ☐ No ☐ N/A
Explain what these are and why they are vital to the required commodity or service

The cameras themselves are infrastructure free and location flexible. Their web-based footage retrieval tool has filtering capabilities such as vehicle color, vehicle type, vehicle manufacturer, partial or full license plate, state of license plate, and object detection.

- 4 Does the proposed contractor have a substantial investment that would have to be duplicated at the County's expense by another contractor entering the field? ☒ Yes ☐ No ☐ N/A

Explain what this investment is and how it will affect the County.

To utilize a different contractor/supplier would require a considerable investment by the County on infrastructure and equipment which would not effectively integrate into the systems which are already in place and in use.

- 5 Is the need for a commodity or service time-sensitive? ☐ Yes ☒ No ☐ N/A

Explain how the proposed contractor/vendor can meet these scheduling needs

- 6 Is competition precluded because of:

- the lack of drawings or specifications?
- existing patent rights or copyrights?
- existing equipment maintenance program or contracts?

☐ Yes ☐ No ☒ N/A
☒ Yes ☐ No ☐ N/A
☒ Yes ☐ No ☐ N/A

Provide details for positive responses:

Flock Safety uses patented proprietary technology which will integrate seamlessly and expand the systems already in use by the Sheriff's Office.

- 7 Can competition be achieved if sufficient lead-time is given to obtain drawings and specifications? ☒ Yes ☐ No ☐ N/A

If not, explain why drawings and specifications are lacking and how the proposed contractor can fulfill the need without them. If so, explain how much time is required to obtain drawings and specifications.

Flock Safety equipment is leased and therefore replaced and updated as needed at no cost to the County. Other contractors/suppliers require the purchase the equipment with additional costs to the County to operate, repair, or upgrade equipment. Flock Safety has knowledge of the existing equipment and coverage and can quickly identify coverage gaps and suggest the most effective locations for this coverage expansion project.

- 8 Does this acquisition require compatibility with any existing county equipment? ☒ Yes ☐ No ☐ N/A
Explain why only one contractor can provide sufficient compatibility

To ensure effective integration the desired equipment must be compatible with pre-existing County equipment currently in use by the Sheriff's Office.

- 9 What unique characteristics does the equipment or material offered by the proposed contractor/vendor possess that are required to meet the County's needs? ☒ Yes ☐ No ☐ N/A

These are best in class cameras allowing for fewer cameras to capture higher levels of traffic. The software is consistently upgraded to capture new license plates, such as paper plates. The search feature allows users to search the make, model or description of a vehicle and not just a license plate.

- 10 Were similar goods or services evaluated and determined to be inadequate? ☒ Yes ☐ No ☐ N/A
What steps were taken to verify that this item is unique, absolutely necessary, and is the most financially responsible option for the County?

The Sheriff's Office has used other vendors for ALPRs in the past. Other contractors/suppliers require the purchase the equipment with additional costs to the County to operate, repair, or upgrade equipment. Flock Safety equipment is leased and therefore replaced and updated as needed at no cost to the County. Additionally, the Flock system provides better coverage and patented proprietary technology which increases the usefulness and effectiveness of the ALPR program.

- 11 Were samples of goods from more than one vendor tested by the requesting department? ☒ Yes ☐ No ☐ N/A
List each vendor whose products were tested and explain what was deficient or why the product does not meet the needs of the department

Vigilant, Boss, Intellisite (QPCS) are all companies the Sheriff's Office has worked with in the past. The equipment was found to have substantially higher costs to procure and to operate. Additionally, equipment provided by these vendors does not compare to the superior features and service provided by Flock Safety.

- 12 Was competitive bidding first sought but proved to be inadequate for any reason and would not hold the County's best interests in mind? ☒ Yes ☐ No ☐ N/A
Explain why the competitive bidding process was inadequate and why the County's best interests could not be maintained:

Competitive bidding was used with previous purchases by the Sheriff's Office. Previously purchased equipment was determined to provide inferior functionality at significantly higher cost. Flock Safety is a subsidiary of Axon, the company which is in contract with the Sheriff's Office for in-car cameras and ALPRs.

Additional justification or further explanation of answers above:

The Sheriff's office will be monitoring security cameras for Resource Management, so the only option is to use the same vendor the Sheriff is using, which is Flock Security.

Company Overview

At Flock Safety, technology unites law enforcement and the communities they serve to eliminate crime and shape a safer future, together. We created the first public safety operating system to enable neighborhoods, schools, businesses, and law enforcement to work together to collect visual, audio, and situational evidence across an entire city to solve and prevent crime.

Our connected platform, comprised of License Plate Recognition (LPR), live video, audio detection, and a suite of integrations (AVL, CAD & more), alerts law enforcement when an incident occurs and turns unbiased data into objective answers that increase case clearance, maximize resources, and reduce crime -- all without compromising transparency or human privacy.

Join thousands of agencies reducing crime with Flock Safety's public safety operating system

all acts as may be necessary for Flock to provide the Flock Services to Customer. Flock does not own and shall not sell Customer Data.

4.2 Customer Generated Data. Flock may provide Customer with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information, content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Customer (“***Customer Generated Data***”). Customer shall retain whatever legally cognizable right, title, and interest in Customer Generated Data. Customer understands and acknowledges that Flock has no obligation to monitor or enforce Customer’s intellectual property rights of Customer Generated Data. Customer grants Flock a non-exclusive, irrevocable, worldwide, royalty-free, license to use the Customer Generated Data for the purpose of providing Flock Services. Customer hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right to use and distribute such Anonymized Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, and other Flock offerings. Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Customer includes non-public data provided by Customer to Flock or collected by Flock via Flock Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving

Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event less than commercially reasonable precautions, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public; or (b) was in its possession or known by it prior to receipt from the Disclosing Party; or (c) was rightfully disclosed to it without restriction by a third party; or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. At the termination of this Agreement, all Proprietary Information will be returned to the Disclosing Party, destroyed or erased (if recorded on an erasable storage medium), together with any copies thereof, when no longer needed for the purposes above, or upon request from the Disclosing Party, and in any case upon termination of the Agreement. Notwithstanding any termination, all confidentiality obligations of Proprietary Information that is trade secret shall continue in perpetuity or until such information is no longer trade secret.

5.2 Usage Restrictions on Flock IP. Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Customer acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Customer further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. Customer and Authorized End Users shall not: (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within the Flock Services or Flock IP; (vi) use the Flock Services for anything other

than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Customer's rights. There are no implied rights.

5.3 Disclosure of Footage. Subject to and during the Retention Period, Flock may access, use, preserve and/or disclose the Footage to California law enforcement authorities, government officials, and/or third parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to comply with a legal process, enforce this Agreement, or detect, prevent or otherwise address security, privacy, fraud or technical issues, or emergency situations.

6. PAYMENT OF FEES

6.1 Billing and Payment of Fees. Customer shall pay the fees set forth in the applicable Order Form based on the billing structure and payment terms as indicated in the Order Form. If Customer believes that Flock has billed Customer incorrectly, Customer must contact Flock no later than thirty (30) days after the closing date on the first invoice in which the error or problem appeared to receive an adjustment or credit. Customer acknowledges and agrees that a failure to contact Flock within this period will serve as a waiver of any claim. If any undisputed fee is more than thirty (30) days overdue, Flock may, without limiting its other rights and remedies, suspend delivery of its service until such undisputed invoice is paid in full. Flock shall provide at least thirty (30) days' prior written notice to Customer of the payment delinquency before exercising any suspension right.

6.2 Notice of Changes to Fees. Flock reserves the right to change the fees for subsequent Renewal Terms by providing sixty (60) days' notice (which may be sent by email) prior to the end of the Initial Term or Renewal Term (as applicable).

6.3 Late Fees. If payment is not issued to Flock by the due date of the invoice, an interest penalty of 1.0% of any unpaid amount may be added for each month or fraction thereafter, until final payment is made.

6.4 Taxes. Customer is responsible for all taxes, levies, or duties, excluding only taxes based on Flock's net income, imposed by taxing authorities associated with the order. If Flock has the legal obligation to pay or collect taxes, including amount subsequently assessed by a taxing

authority, for which Customer is responsible, the appropriate amount shall be invoice to and paid by Customer unless Customer provides Flock a legally sufficient tax exemption certificate and Flock shall not charge customer any taxes from which it is exempt. If any deduction or withholding is required by law, Customer shall notify Flock and shall pay Flock any additional amounts necessary to ensure that the net amount that Flock receives, after any deduction and withholding, equals the amount Flock would have received if no deduction or withholding had been required.

7. TERM AND TERMINATION

7.1 Term. The initial term of this Agreement shall be for the period of time set forth on the Order Form (the “***Term***”). Following the Initial Term, unless otherwise indicated on the Order Form, this Agreement may be renewed for successive renewal terms for the greater of one year or the length set forth on the Order Form (each, a “***Renewal Term***”, and together with the Initial Term, the “***Service Term***”) upon written notice of renewal prior to the end of the then-current term.

7.2 Termination. Upon termination or expiration of this Agreement, Flock will remove any applicable Flock Hardware at a commercially reasonable time period. In the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period (“Cure Period”). Either Party may terminate this Agreement (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. In the event of a material breach by Flock, and Flock is unable to cure within the Cure Period, Flock will refund Customer a pro-rata portion of the pre-paid fees for Services not received due to such termination.

7.3 Survival. The following Sections will survive termination: 1, 3, 5, 6, 7, 8.3, 8.4, 9, 10.1 and 10.6.

8. REMEDY FOR DEFECT; WARRANTY AND DISCLAIMER

8.1 **Manufacturer Defect.** Upon a malfunction or failure of Flock Hardware or Embedded Software (a “**Defect**”), Customer must notify Flock’s technical support team. In the event of a Defect, Flock shall make a commercially reasonable attempt to repair or replace the defective Flock Hardware at no additional cost to the Customer. Flock reserves the right, in its sole discretion, to repair or replace such Defect, provided that Flock shall conduct inspection or testing within a commercially reasonable time, but no longer than seven (7) business days after Customer gives notice to Flock.

8.2 **Replacements.** In the event that Flock Hardware is lost, stolen, or damaged, Customer may request a replacement of Flock Hardware at a fee according to the reinstall fee schedule (<https://www.flocksafety.com/reinstall-fee-schedule>). In the event that Customer chooses not to replace lost, damaged, or stolen Flock Hardware, Customer understands and agrees that (1) Flock Services will be materially affected, and (2) that Flock shall have no liability to Customer regarding such affected Flock Services, nor shall Customer receive a refund for the lost, damaged, or stolen Flock Hardware.

8.3 **Warranty.** Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock’s reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

8.4 **Disclaimer.** THE REMEDY DESCRIBED IN SECTION 8.1 ABOVE IS CUSTOMER’S SOLE REMEDY, AND FLOCK’S SOLE LIABILITY, WITH RESPECT TO DEFECTS. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED “AS IS” AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A

PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6.

8.5 **Insurance.** Flock will maintain commercial general liability policies as stated in Exhibit B.

8.6 **Force Majeure.** Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, pandemics (including the spread of variants), issues of national security, acts or omissions of third-party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, financial institution crisis, weather conditions or acts of hackers, internet service providers or any other third party acts or omissions.

9. LIMITATION OF LIABILITY; INDEMNITY

9.1 **Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK, ITS OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR LOSS OF REVENUE, BUSINESS OR BUSINESS INTERRUPTION; (B) INCOMPLETE, CORRUPT, OR INACCURATE DATA; (C) COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY; (D) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (E) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY CUSTOMER TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT DURING THE INITIAL TERM, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE REFERENCED IN SECTION 10.6.

NOTWITHSTANDING ANYTHING TO THE CONTRARY, THE FOREGOING LIMITATIONS OF LIABILITY SHALL NOT APPLY (I) IN THE EVENT OF GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OR (II) INDEMNIFICATION

OBLIGATIONS.

9.2 **Responsibility.** Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable for the torts of its own officers, agents, or employees.

9.3 **Flock Indemnity.** Flock shall indemnify and hold harmless Customer, its agents and employees, from liability of any kind, including claims, costs (including defense) and expenses, on account of: (i) any copyrighted material, patented or unpatented invention, articles, device or appliance manufactured or used in the performance of this Agreement; or (ii) any damage or injury to property or person directly caused by Flock's installation of Flock Hardware, except for where such damage or injury was caused solely by the negligence of the Customer or its agents, officers or employees.

10. INSTALLATION SERVICES AND OBLIGATIONS

10.1 **Ownership of Hardware.** Flock Hardware is owned and shall remain the exclusive property of Flock. Title to any Flock Hardware shall not pass to Customer upon execution of this Agreement, except as otherwise specifically set forth in this Agreement. Except as otherwise expressly stated in this Agreement, Customer is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Customer agrees and understands that in the event Customer is found to engage in any of the foregoing restricted actions, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination for material breach by Customer. Customer shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Customer default on any payment of the Flock Services, Flock may remove Flock Hardware at

Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Customer's default and Flock shall have the right to enforce any other legal remedy or right.

10.2 Deployment Plan. Flock shall advise Customer on the location and positioning of the Flock Hardware for optimal product functionality, as conditions and locations allow. Flock will collaborate with Customer to design the strategic geographic mapping of the location(s) and implementation of Flock Hardware to create a deployment plan ("***Deployment Plan***"). In the event that Flock determines that Flock Hardware will not achieve optimal functionality at a designated location, Flock shall have final discretion to veto a specific location, and will provide alternative options to Customer.

10.3 Changes to Deployment Plan. After installation of Flock Hardware, any subsequent requested changes to the Deployment Plan, including, but not limited to, relocating, re-positioning, adjusting of the mounting, removing foliage, replacement, changes to heights of poles will incur a fee according to the reinstall fee schedule located at (<https://www.flocksafety.com/reinstall-fee-schedule>). Customer will receive prior notice and confirm approval of any such fees.

10.4 Customer Installation Obligations. Customer is responsible for any applicable supplementary cost as described in the Customer Implementation Guide, attached hereto as Exhibit C ("***Customer Obligations***"). Customer represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the designated locations and to make any necessary inspections or maintenance in connection with such installation.

10.5 Flock's Obligations. Installation of any Flock Hardware shall be installed in a professional manner within a commercially reasonable time from the Effective Date of this Agreement. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Flock will continue to monitor the performance of Flock Hardware for the length of the Term. Flock may use a subcontractor or third party to perform certain obligations under this agreement, provided that Flock's use of such subcontractor or third party shall not release Flock from any duty or liability to fulfill Flock's obligations under this Agreement.

11. MISCELLANEOUS

11.1 Compliance With Laws. Parties shall comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s).

11.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

11.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchaser of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

11.4 Entire Agreement. This Agreement, together with the Order Form(s), the reinstall fee schedule (<https://www.flocksafety.com/reinstall-fee-schedule>), and any attached exhibits are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous or contemporaneous negotiations, discussions or agreements, whether written and oral, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Customer's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. Any mutually agreed upon purchase order is subject to these terms. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail. Customer agrees that Customer's purchase is neither contingent upon the delivery of any future functionality or features nor dependent upon any oral or written comments made by Flock with respect to future functionality or feature.

11.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Parties do not have any authority of any kind to bind each other in any respect whatsoever. Flock shall at all times be and act as an independent contractor to Customer.

11.6 Governing Law; Venue. This Agreement shall be governed by the laws of the state in which the Customer is located. The Parties hereto agree that venue would be proper in the chosen courts of the State of which the Customer is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

11.7 Special Terms. Flock may offer certain special terms which are indicated in the proposal and will become part of this Agreement, upon Customer's prior written consent and the mutual execution by authorized representatives ("*Special Terms*"). To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

11.8 Publicity. Flock has the right to reference and use Customer's name and trademarks and disclose the nature of the Services in business and development and marketing efforts.

11.9 Feedback. If Agency or Authorized End User provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency or Authorized End User hereby assigns to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

11.10 Export. Customer may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign Customer or authority. As defined in Federal Acquisition Regulation ("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

11.11 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

11.12 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing.

11.13 **Conflict.** In the event there is a conflict between this Agreement and any applicable statement of work, or Customer purchase order, this Agreement controls unless explicitly stated otherwise.

11.14 **Public Disrepute.** In the event Customer or its employees become the subject of an indictment, arrest, public disrepute, contempt, scandal or behaves in a manner that, in the reasonable judgment of Flock, reflects unfavorably upon Flock, and/or their officers or principals, licensees, such act(s) or omission(s) shall constitute a material breach of this Agreement and Flock shall, in addition to any other rights and remedies available to it hereunder, whether at law or in equity, have the right to elect to terminate this Agreement.

11.15 **Notices.** All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

The general liability and automobile liability policies must contain, or be endorsed to contain, the following provisions:

- (i) The County of Solano, its officers, officials, agents, employees, and volunteers must be included as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of Flock; and with respect to liability arising out of work or operations performed by or on behalf of Flock including materials, parts or equipment furnished in connection with such work or operations.
