Erin Hannigan, Chair
Solano County Board of Supervisors
675 Texas St.
Fairfield, CA 94533

Dear Supervisor Hannigan:

RE: American Armory Museum Proposed Zoning Amendment

The Solano County Agricultural Advisory Committee (AAC) provides expertise on farm production and farm sustainability to the Solano County Board of Supervisors (Board). Members of the committee are farmers who represent individual board members districts, commodities and agricultural processing.

The AAC is writing to request a delay in making a zoning amendment to the ATC designation. The AAC would like the opportunity to study the proposal in further detail to understand the potential impact to the area and the agricultural industry.

The AAC believes that the best decisions are made when all stakeholders are provided an opportunity to be heard, and it is with that in mind that the Committee request additional time to study the proposal and to present the Board with a recommendation.

Sincerely,

A handwritten signature in cursive script that reads "Russ Lester".

AAC Chair on behalf of the AAC Members
