## 25. COUNTY'S OBLIGATION SUBJECT TO AVAILABILITY OF FUNDS

A. The County's obligation under this Contract is subject to the availability of authorized funds. The County may terminate the Contract, or any part of the Contract work, without prejudice to any right or remedy of the County, for lack of appropriation of funds. appropriation by the Board of Supervisors of sufficient funds to support the activities described in this Contract. Should such an appropriation not be approved, this Contract will terminate at the close of the current appropriation year.

D. This Contract is void and unenforceable if all or parts of federal or state funds applicable to this Contract are not available to County. If applicable funding is reduced, County may either:

Any failure of a party to assert any right under this Contract shall not constitute a waiver or a termination of that right, under this Contract or any of its provisions.

## **30. CONFLICTS IN THE CONTRACT DOCUMENTS**

The Contract documents are intended to be complementary and interpreted in harmony so as to avoid conflict. In the event of conflict in the Contract documents, the parties agree that

the document providing the highest quality and level of service to the County shall supersede any inconsistent term in these documents.

### **32. PRICING**

Should Contractor, at any time during the term of this Contract, provide the same goods or services under similar quantity, terms and conditions to one or more counties in the State of California at prices below those set forth in this Contract, then the parties agree to amend this Contract so that such lower prices shall be extended immediately to County for all future services.

C. This representation and warranty shall be an ongoing representation and warranty during the term of this Contract and Contractor must immediately notify the County of any change in the status of the representation and warranty set forth in this section.

D. If services pursuant to this Contract involve federally-funded programs, Contractor agrees to provide certification of non-suspension with submission of each invoice. Failure to submit certification with invoices will result in a delay in County processing Contractor's payment.
