General Information

As a member of this board/council/committee/commission, what might you hope to achieve?

As the recently elected President of the Benicia Board of Library Trustees, I am interested in ensuring that Measure L funds are expended effectively and equitably for the benefit of the County’s libraries, which I regard as critical hubs for learning, creativity, and social connection and support in our communities.

As a member of this board/council/committee/commission, what do you think you might contribute to help it fulfill its missions and goals?

I have been a professional librarian in a university setting for over 25 years and served on the Benicia Board of Library Trustees for almost 5 years. I would bring extensive administrative experience in library settings, including a facility for working with complex budgets, to this Committee.
