**Whereas**, the Solano County Board of Supervisors recognizes that the Department of Health and Social Services receives routine revenue agreements from various departments of the State of California, and other State agencies throughout the fiscal year; and

**Whereas**, the State of California requires a resolution authorizing approval and authorizing the County Administrator to execute the revenue agreements and any resulting amendments; and

**Whereas**, the Department of Health and Social Services has multiple federal, State, and other standard revenue agreements and memorandums of understanding that are submitted during the fiscal year and require the flexibility of execution so as to receive funding and services in a timely manner; and

**Whereas**, the Behavioral Health Division of the Department of Health and Social Services has a need to place clients in room and board facilities, board and care facilities, and other residential treatment facilities in a timely manner to ensure proper treatment and such placements are done with individual admission agreements to the facilities.

**Resolved**, that the Solano County Board of Supervisors approves the State of California revenue agreements and authorizes the County Administrator to execute said agreements and any subsequent amendments provided that no changes will negatively impact the County General Fund.

**Further resolved**, that the Solano County Board of Supervisors hereby delegates authority to the County Administrator to execute revenue agreements and memorandums of understanding which are included in the FY2025/26 budget or have no budget impact; and delegates authority to the Director of Health and Social Services or designee to execute individual admission agreements, including authorizations for services for clients placement in residential treatment facilities, room and board facilities, board and care facilities, and any other treatment facilities as necessary within FY2025/26 budget appropriations.
