Because of Katie A., Continuum of Care Reform and AB 2083 professionals across Solano's system of care are responsible for caring for foster youth and therefore are included in the second target audience and are eligible to benefit from Title IV-E funded Training. Both programs benefit children in foster or adoptive care in Solano County by providing training to those who care for them.

**ii. Contract Parties**

The trainings offered will fulfill the requirements for Title IV-E federally funded training programs. Contractor will collaborate with subcontracting agencies and Solano County (County) to coordinate training schedules, locations and subcontracting activities. The Contractor will review and adhere to County and HS&S Travel/Training Policies and Procedures.

**iii. Subcontractors**

Contractor will work closely with Foster Family Agency subcontractors (Seneca Family of Agencies, Alternative Family Services, A Better Way and Aldea). Contractor will also work with other Foster Family Agencies interested in providing training.

**B. Trainings Address Differing Needs in County**

**i. Child Welfare Staff Trainings**

County staff training courses will allow trainees to build on and enhance their professional competencies, as outlined by County supervisory staff. Training topics, scheduling and delivery, will be coordinated between County staff and Contractor.

County staff and Contractor will work together to establish the audiences for the trainings, as well as selecting which trainings and instructors can best address the needs identified by the department.

**ii. Foster Family Agency Staff and Resource Family Trainings**

Contractor, in collaboration with its subcontractors, will design and convene a series of training courses that will serve as a local training resource for foster care providers serving County's federally IV-E eligible children. Trainings will be delivered at the provider's site, another location, or virtually depending on need and specificity necessary for the audience.

**III. Categories of Title IV-E Allowable Trainings**

**General Trainings**

These trainings will provide new information and refresher courses directly related to working with court dependents and their families, and to maintain the exemplary skill level required by providers. General Trainings range in topic area including, but not limited to:

2. Cultural competency related to children and families.
3. Child abuse and neglect issues, such as the impact of child abuse and neglect on a child, and general overviews of the issues involved in child abuse and neglect investigations, but not related to how to conduct an investigation of child abuse and neglect.
4. Permanency planning including using kinship care as a resource for children involved with the child welfare system.
5. General substance abuse, domestic violence, and mental health issues related to children and families in the child welfare system, but not related to providing treatment or services.

7. Communication skills required to work with children and families.
8. Activities designed to preserve, strengthen, and reunify the family, but not related to providing treatment or services.
9. Assessments to determine whether a situation requires a child's removal from the home, but not directly related to conducting a child abuse and neglect investigation. Training on how to conduct specialized assessments such as psychiatric, medical or educational assessments are not permitted.
10. Ethics training associated with a Title IV-E State plan requirement, such as the confidentiality requirements in section 471(a) (8) of the Act.

Both Contractor and County retain the right to cancel any class that is offered under this Contract no later than seven days before the first meeting of the class. However, if there are less than six registrants for a scheduled class, the class may be canceled at Contractor's discretion for lack of interest.

**V. Evaluation and Post-Testing Requirements:**

Following all trainings, participants will be requested to fill out a course evaluation to assist the program coordinators with assessing the effectiveness of the instructor, training content provided and overall training experience

Contractor shall ensure that proper documentation of approval was received for travel related costs.

**VII. Certification/Licensure:**

1. Contractor represents that it is a public post-secondary educational institution with the capability and the experience to provide services in the specified subject areas. If any class offered under this Contract is for college credit, the instructor employed to teach this class will hold or qualify for a valid Faculty Service Area (FSA) authorizing instruction at the post-secondary level in the subject area specified.

**EXHIBIT B**  
**BUDGET DETAIL and PAYMENT PROVISIONS**

**I. Solano County's Contract Amount:** Maximum contract amount (payment to Contractor): **\$689,521.20**

The contract amount includes the total of Federal and County Reimbursement as shown in Exhibit B-1.

- A. **Federal Reimbursement:** General trainings will be invoiced based on actual costs, which includes the match amount. Based on the FFR of the previous quarter, reimbursement will vary depending on the type of expense. The majority of these expenses will be reimbursed at the General Training rate (75% X FFR), with the exception of indirect costs for those trainings, which will be reimbursed at the Organizational Training rate (50% X FFR). The federal share of General Trainings is expected to be roughly 40.5 percent, which is calculated by multiplying the estimated FFR, 50 percent, by the federal sharing ratio for this class of costs, 75 percent.
- B. **County Reimbursement:** The County will reimburse the Contractor up to a maximum of \$138,000 in addition to the federal reimbursement in order to provide additional matching funds.
- C. **Federal Financial Ratio (FFR) for Solano County:** Title IV-E funded reimbursement is dependent on the federal financial ratio, which is the percentage of foster children determined to be federally eligible, for each individual county. This rate changes quarterly and affects the reimbursement amount for Title IV-E expenses. The estimated FFR for this Contract is 50 percent. Invoices and payment will be based on the FFR specific to the quarter for which the invoice is submitted.

**II. Maximum match amount (provided by Contractor): \$927,102.41** if entire contract is fully utilized.

Contractor will provide match in the amount that is the difference between the full cost of items and the combined federal and County reimbursement amounts. Actual match amount is dependent on the payment amount received. If the entire contract is utilized at the General Trainings rate, the match to be provided by Contractor under this Contract will be approximately **\$927,102.41**. This represents the non-federal share of the cost of Title IV-E allowable expenditures for the services defined under this Contract. The Contractor will certify the expenditure of one hundred (100) percent of the costs invoiced and will certify that federal funds were not used to support the expenditure. The Contractor will further certify that the match consists of certifiable public funds eligible for claiming Federal Financial Participation and that the funds were not used as match for any other federal program.

**III. Total Training Costs to be billed to the State (reimbursement + match): \$1,616,623.61.**

**IV. Terms and Conditions of Payment:** Contractor's payment amount will not exceed the total amount of \$689,521.20 for the term of this Contract. It is the obligation of the Contractor to progressively monitor all expenditures and take appropriate corrective preventive measures including the timely notification of Solano County Health and Social Services Department, Child Welfare Services Division (SCHSS-CWS) if stoppage of services becomes the necessary measure to prevent the over-expenditure of contract funds. Prior approval from the Deputy Director or an authorized designee and Contractor's signatory or an authorized designee will be required to alter or change the terms and conditions of this Contract.

**V. Payment for Services Rendered Only:** Contractor will only be paid on a cost reimbursement basis for services rendered and invoiced to County. County is not obligated to pay for any part of the contract amount that does not reflect services rendered with documentation of such services provided.

**VI. Funding Availability:** Funding of this Contract is subject to the availability of authorized funds. If expected or actual federal or state funding is withdrawn, reduced or limited in any way prior to the expiration date set forth in this contract, or any subsequent amendment, the County of Solano may, upon written notice to the Contractor, terminate this Contract in whole or in part. If funding is discontinued, Contractor will be reimbursed for services provided through the notice date.

**VII. Subcontracts:** Contractor will be developing subcontracts with Seneca Center, Alternative Family Services, Aldea, and A Better Way to deliver instruction. Other appropriate subcontracts may be developed to deliver trainings.

**VIII. Types of Trainings:** Trainings will be divided into two categories: General Trainings and Organizational Trainings. Organizational trainings will not be reimbursed under this Contract.

- A. General Trainings increase the ability of staff to provide support and assistance to foster and adoptive children; and include trainings for managers and supervisors who manage childcare workers, as well as trainings that increase the general skill level of employees.
- B. Organizational Trainings include trainings that do not benefit the foster children directly but give employees the tools to better perform at their jobs.

**IX. Contract Management:** Contractor's direct support costs (contract management unit costs) will be reimbursed at the enhanced federal sharing General Training rate (75% X FFR). Contractor's indirect costs, including eligible forgone district expenses, are not eligible for enhanced federal sharing and will be reimbursed at the Organizational Training rate (50% X FFR), roughly estimated to be 25 percent. This is calculated by multiplying the FFR, 50 percent, by the federal sharing ratio for Organizational Trainings, 50 percent.

**X. Method of Payment:**

- A. Upon submission of an invoice and a Solano County vendor claim form by Contractor, and upon approval by County, County will in accordance with the "Contract Budget" attached to this Contract as Exhibit B-1 and incorporated into this Contract by this reference, pay Contractor monthly in arrears for fees and expenses actually incurred in the prior month, up to the maximum amount set forth in Section 3 of the Standard Contract.

The invoice and Solano County vendor claim will be submitted monthly and quarterly in accordance with the table below by the last day of the following month. Except for the May 2026 invoice which is due June 22, 2026.

1. For the first and second months of the quarter, Contractor will bill for their actual monthly costs of the Community Based Organization/Subcontractors (CBOs), eligible payments to vendors providing training services to County, eligible staff and Contractor's coordination and management costs of 18% only (see budget below).
2. In the third month of the quarter, Contractor will issue a true up billing that reflects the actual costs incurred over the entire quarter. The billed amount will equal to the total actual costs for the quarter minus the payments already made by the County for the first and second months of the quarter. Additionally, the Contractor will submit quarterly claiming

documentation, including the match, alongside this billing in accordance with the table below:

Quarter	Period Covered	Due Date
1	July – September 2025	October 31, 2025
2	October – December 2025	January 31, 2026
3	January – March 2026	April 30, 2026
4	April - June 2026 (Final Invoice)	August 31, 2026

3. At the time of true up invoice, if County has overpaid for the quarter, Contractor will issue a check for the difference.

A final invoice that includes final June costs and that reconciles any differences will be submitted by August 31, 2026.

- B. The request for payment will include an “Invoice/Statement of Costs” in the form of Exhibit B-2, incorporated into this Contract by this reference.
  1. Exhibit B-2 will accurately reflect Contractor’s direct and indirect General Training and Fee for Service costs incurred in the delivery of the training services described in Exhibit A. Exhibit B-2 will serve as the County’s documentation for purposes of claiming federal reimbursement.
  2. Exhibit B-2 will include the following certification statement and will require the original, or electronic, signature of the District Executive Director, Economic Development/Contract Education, Vice Chancellor of Business Services, or an official designee:

*“I certify that this invoice reflects actual direct and indirect costs, as defined by 45 CFR parts 235.66 and 1356.60 incurred by Chabot-Las Positas Community College District in the provision of Title IV-E training. I further certify that the non-federal funds used to support these expenditures are public funds that are not being used as match for any other federal program.”*

- C. Most services rendered through this Contract are subcontracted to other agencies. Each invoice must specify services rendered, to whom, date of service and the actual charges incurred.
- D. Invoices will require the original, or electronic, signature of the District Executive Director, Economic Development/Contract Education, Vice Chancellor of Business Services, or an official designee.
- E. Notwithstanding Section 1 in Exhibit C, Contractor is required to submit a “preliminary year-end claim” for payment within 7 days after termination/expiration of this Contract. Contractor may submit a corrected “final claim” provided that it is submitted no later than 30 days after contract termination and/or expiration.
- F. Claims submitted by Contractor must meet the criteria set forth in section I and be documented by a fiscal monitoring report (Exhibit B-3).
- G. Contractor must request approval for transfers between budget categories or the addition

of line items within a budget category, which are set forth in Exhibit B-1, when the cumulative amount of such transfers or additions exceed the lesser of \$50,000 or 10% of the total annual contract budget amount. Requests for transfers between budget categories or addition of budget line items within a budget category must be presented to the County on the County's "Budget Modification Request Form." Transfers between budget categories or addition of line items within a budget category that exceed the threshold may be made only upon prior written approval of County, which approval may be withheld in the sole and absolute discretion of County. County may authorize the transfers between budget categories or the addition of line items within a budget category under this section, except for indirect costs and capital expenditures (equipment or real property), provided that such transfers or additions do not substantially change the scope of services to be provided under this Contract and do not increase the contract amount.

- H. Contractor must repay the County for any disallowed costs identified by County through monthly reports, audits, Quality Assurance monitoring, or other sources within thirty days of receipt of notice from County that the costs have been disallowed. Contractor agrees that funds to be disbursed under the terms of this contract will be withheld if repayment is not received by the County within thirty days of receipt of notice from County. Contractor may submit a written appeal to a disallowance to the County Health and Social Services Child Welfare Services Deputy Director, or designee, within fifteen days of receipt of a disallowance notice. The appeal must include the basis for the appeal and any documentation necessary to support the appeal. No fees or expenses incurred by Contractor in the course of appealing a disallowance will be an allowable cost under this Contract and will not be reimbursed by County. The decision of the County regarding the appeal will be final.
- I. The following criteria apply to Contract Budget submitted by Contractor under this Contract:
  1. Requests for payment of personnel costs must include positions, salary, and actual percentage of time for each position. If Contractor provides fringe benefits to part time employees, salary and fringe benefits must be pro-rated for non-full-time employees. Salaries are fixed compensation for services performed by staff who are directly employed by Contractor and who are paid on a regular basis. Employee benefits and employer payroll taxes include Contractor's contributions or expenses for social security, employee's life and health insurance plans, unemployment insurance, pension plans, and other similar expenses that are approved by County. These expenses are allowable when they are included and in accordance with Contractor's approved written policies and allocation plan.
  2. Salaries and benefits of personnel involved in more than one contract, grant, or project must be charged to each grant based on the actual percentage of time spent on each grant or project. Timesheets and Time studies for each employee whose time is charged to this contract must be maintained by Contractor and available upon request by the County.
  3. Allowable operating expenses are defined as necessary expenditures exclusive of personnel salaries, benefits, equipment or payments to subcontractors. The expenses must be to further the program objectives as defined in Exhibit A of this Contract and be incurred during the invoiced period. County reserves the right to make the final determination if an operating expense is allowable and necessary.
  4. Indirect costs are shared costs that cannot be directly assigned to a particular activity but are necessary to the operation of the organization and the performance of the

program. The costs of operating and maintaining facilities, accounting services and administrative salaries are examples of indirect costs.

5. Contractor must provide the County with a cost allocation plan that clearly differentiates between direct and indirect costs. Contractor ensures that the same costs that have been treated as indirect costs have not been claimed or budgeted as direct costs, and that similar types of costs in like circumstances have been accounted for consistently. Contractor will provide this plan to County upon request. In the event that Contractor is unable to provide County with an acceptable cost allocation plan, County may disallow any indirect cost billed amounts.

## **XI. Accounting Standards**

- A. Contractor shall establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles and practices for organizations/governmental entities as described in Exhibit C – section 13C. Additionally, Contractor must submit claims for payment under this Contract using either a cost allocation method or a direct allocation method.
- B. Contractor's cost allocation method must be supported by a cost allocation plan with a quantifiable methodology validating the basis for paying such expenditures. The cost allocation plan should be prepared within the guidelines set forth under 2 CFR Part 200, subpart E, Cost Principles and Appendix IV to Part 200, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations.
- C. Contractor shall document all costs by maintaining complete and accurate records of all financial transactions associated with this Contract, including, but not limited to, invoices, time studies, and other official documentation that sufficiently support all charges under this Contract.

## **XII. Personal Property**

Contractor shall develop and maintain a system to track the acquisition of tangible personal property purchased with County funds having a cost of at least \$1,500 and submit, upon County's request, an annual accounting of all such property purchased that includes information on cost and acquisition date. Contractor shall ensure adequate safeguards are in place to protect such assets and shall exercise reasonable care over such assets to protect against theft, damage or unauthorized use. Contractor shall, upon County's request, return such assets to the County upon contract termination; unless the depreciated value of the asset is \$0, based on a straight-line method of depreciation (refer to CFR Part 200.436).

## **XIII. Financial Statements and Audits**

- A. Contractor agrees to furnish annual audited financial statements to the County, which must be submitted within 30 days of its publication. If contractor is not required by federal and/or state regulations to have an independent audit of its annual financial statements, contractor agrees to furnish unaudited financial statements by September 1<sup>st</sup>.
- B. Contractor agrees to furnish all records and documents within a reasonable time, in the event that the County, State or Federal Government conducts an audit.

**EXHIBIT C**  
**GENERAL TERMS AND CONDITIONS**

**1. CLOSING OUT**

A. County will pay Contractor's final request for payment providing Contractor has met all obligations required under this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to meet any outstanding obligation, County will withhold compensation due under this Contract from Contractor's final request for payment until Contractor satisfies such obligation(s). Contractor is responsible for County's receipt of a final request for payment 30 days after expiration or earlier termination of this Contract.

B. A final undisputed invoice shall be submitted for payment no later than 90 calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that, upon full payment of such invoice, no further payments are due or outstanding under the Contract.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

**2. TIME**

Time is of the essence in all terms and conditions of this Contract.

**3. TIME OF PERFORMANCE**

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

**4. TERMINATION**

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

**5. SIGNATURE AUTHORITY**

The parties executing this Contract certify that they have obtained all required approvals and have the proper authority to bind their respective entities to all certifications, terms, and conditions set forth in this Contract.

**6. REPRESENTATIONS**

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure,

including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

## 7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

B. Minimum Scope of Insurance

Coverage must be at least as broad as:

- (1) Insurance Services Office Commercial General Liability coverage (occurrence Form CG 00 01).
- (2) Insurance Services Office Form Number CA 00 01 covering Automobile Liability, Code 1 (any auto).
- (3) Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

C. Minimum Limits of Insurance

Contractor must maintain limits no less than:

(1) General Liability: (Including operations, products and completed operations.)	<b>\$2,000,000</b>	per occurrence for bodily injury, personal injury and property damage, or the full per occurrence limits of the policy, whichever is greater. If Commercial General Liability insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.
(2) Automobile Liability:	<b>\$1,000,000</b>	per accident for bodily injury and property damage.
(3) Workers' Compensation:	As required by the State of California.	
(4) Employer's Liability:	<b>\$1,000,000</b>	per accident for bodily injury or disease.

D. Additional Insurance Coverage

To the extent coverage is applicable to Contractor's services under this Contract, Contractor must maintain the following insurance coverage:

(1) Cyber Liability:	<b>\$1,000,000</b>	per incident with the aggregate limit twice the required limit to cover the full replacement value of damage to, alteration of, loss of, or destruction of electronic data and/or information property of the County that will be in the care, custody or control of Contractor under this Contract.
(2) Professional Liability:	<b>\$2,000,000</b>	combined single limit per claim and in the aggregate. The policy shall remain in full force

and effect for no less than 5 years following the completion of work under this Contract.

**E.** If Contractor maintains higher limits than the minimums shown above, County is entitled to coverage for the higher limits maintained by Contractor. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

**F. Deductibles and Self-Insured Retentions**

Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either:

(1) The insurer will reduce or eliminate such deductibles or self-insured retentions with respect to County, its officers, officials, agents, employees and volunteers; or

(2) Contractor must provide a financial guarantee satisfactory to County guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

**G. Other Insurance Provisions**

(1) The General Liability and Automobile Liability policies must contain, or be endorsed to contain, the following provisions:

(a) The County of Solano, its officers, officials, agents, employees, and volunteers must be included as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of Contractor; and with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts or equipment furnished in connection with such work or operations. General Liability coverage shall be provided in the form of an Additional Insured endorsement (CG 20 10 11 85 or both CG 20 10 and CG 20 37 if later ISO revisions are used or the equivalent) to Contractor's insurance policy, or as a separate owner's policy. The insurance afforded to the additional insureds shall be at least as broad as that afforded to the first named insured.

(b) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(2) If Contractor's services are technologically related, Professional Liability coverage shall include, but not be limited to claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to such obligations. The policy shall also include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the County in the care, custody, or control of the Contractor. If not covered under the Contractor's Professional Liability policy, such "property" coverage of the County may be endorsed onto the Contractor's Cyber Liability Policy.

(3) Should any of the above described policies be cancelled prior to the policies' expiration date, Contractor agrees that notice of cancellation will be delivered in accordance with the policy provisions.

**H. Waiver of Subrogation**

(1) Contractor agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

(2) The Workers' Compensation policy must be endorsed with a waiver of subrogation in favor of County for all work performed by Contractor, its employees, agents and subcontractors.

**I. Acceptability of Insurers**

Insurance is to be placed with insurers with a current AM Best rating of no less than A:VII unless otherwise acceptable to County.

**J. Verification of Coverage**

(1) Contractor must furnish County with original certificates and endorsements effecting coverage required by this Contract.

(2) The endorsements should be on forms provided by County or, if on other than County's forms, must conform to County's requirements and be acceptable to County.

(3) County must receive and approve all certificates and endorsements before work commences.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

(5) County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage described above at any time.

## 8. BEST EFFORTS

Contractor represents that Contractor will at all times faithfully, industriously and to the best of its ability, experience and talent, perform to County's reasonable satisfaction.

## 9. DEFAULT

A. If Contractor defaults in Contractor's performance, County shall promptly notify Contractor in writing. If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall constitute cause for termination of this Contract.

B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County. The contract may be terminated at County's sole discretion.

C. If County serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.

D. If this Contract is terminated because of Contractor's default, County shall be entitled to recover from Contractor all damages allowed by law.

## 10. INDEMNIFICATION

A. Contractor will indemnify, hold harmless and assume the defense of the County of Solano, its officers, employees, agents and elective and appointive boards from all claims, losses, damages, including property damages, personal injury, death and liability of every kind, directly or indirectly arising from Contractor's operations or from any persons directly or indirectly employed by, or acting as agent for, Contractor, excepting the sole negligence or willful misconduct of the County of Solano. This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

B. Acceptance of insurance required by this Contract does not relieve Contractor from liability under this indemnification clause. This indemnification clause shall apply to all damages or claims for damages suffered by Contractor's operations regardless of whether or not any insurance is applicable.

## 11. INDEPENDENT CONTRACTOR

A. Contractor is an independent contractor and not an agent, officer or employee of County. The parties mutually understand that this Contract is between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

B. Contractor shall have no claim against County for employee rights or benefits including, but not limited to, seniority, vacation time, vacation pay, sick leave, personal time off, overtime, medical, dental or hospital benefits, retirement benefits, Social Security, disability, Workers' Compensation,

unemployment insurance benefits, civil service protection, disability retirement benefits, paid holidays or other paid leaves of absence.

C. Contractor, and not County, is solely obligated to pay all taxes, deductions and other employer-related obligations with respect to Contractor's employees including, but not limited to, federal and state income taxes, withholding, Social Security, unemployment, disability insurance, Workers' Compensation and Medicare payments.

D. Contractor shall indemnify and hold County harmless from any liability which County may incur because of Contractor's failure to pay such obligations and County shall not be responsible for any employer-related costs not otherwise agreed to in advance between the County and Contractor.

E. As an independent contractor, Contractor is not subject to the direction and control of County except as to the final result contracted for under this Contract. County may not require Contractor to change Contractor's manner of doing business but may require redirection of efforts to fulfill this Contract.

F. Contractor may provide services to others during the same period Contractor provides service to County under this Contract.

G. Any third persons employed by Contractor shall be under Contractor's exclusive direction, supervision and control. Contractor shall determine all conditions of employment with respect to its employees including hours, wages, working conditions, discipline, hiring and discharging or any other condition of employment.

H. As an independent contractor, Contractor shall indemnify and hold County harmless from any claims that may be made against County based on any contention by a third party that an employer-employee relationship exists under this Contract.

I. Contractor, with full knowledge and understanding of the foregoing, freely, knowingly, willingly and voluntarily waives the right to assert any claim with respect to any right or benefit or term or condition of employment insofar as such claim may be related to or arise from compensation paid under this Contract.

## 12. RESPONSIBILITIES OF CONTRACTOR

A. The parties understand and agree that Contractor possesses the requisite skills necessary to perform the work under this Contract and County relies upon such skills. Contractor pledges to perform the work skillfully and professionally. County's acceptance of Contractor's work does not constitute a release of Contractor from professional responsibility.

B. Contractor verifies that Contractor has reviewed the scope of work to be performed under this Contract and agrees that in Contractor's professional judgment, the work can and shall be completed for costs within the maximum amount set forth in this Contract.

C. To fully comply with the terms and conditions of this Contract, Contractor shall:

(1) Establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles for government agencies;

### **13. COMPLIANCE WITH LAW**

A. Contractor shall comply with all federal, state and local laws and regulations applicable to Contractor's performance, including, but not limited to, licensing, employment and purchasing practices, wages, hours and conditions of employment.

B. To the extent federal funds are used in whole or in part to fund this Contract, Contractor specifically agrees to comply with Executive Order 11246 entitled "Equal Employment Opportunity", as amended and supplemented in Department of Labor regulations; the Copeland "Anti-Kickback" Act (18 U.S.C. §874) and its implementing regulations (29 C.F.R. part 3); the Clean Air Act (42 U.S.C. §7401 et seq.); the Clean Water Act (33 U.S.C. §1251); and the Energy Policy and Conservation Act (Pub. ### **14. CONFIDENTIALITY**

A. Contractor shall employ or retain no such person while rendering services under this Contract. Services rendered by Contractor's associates or employees shall not relieve Contractor from personal responsibility under this clause. Contractor agrees to file a Statement of Economic Interest if specified in the applicable County department's Conflict of Interest policy or if required by Cal. Code Regs., tit. 2 §§ 18219, 18700.3, 18704, or 18734.

## **25. NONRENEWAL**

Contractor acknowledges that there is no guarantee that County will renew Contractor's services under a new contract following expiration or termination of this Contract. Contractor waives all rights to notice of non-renewal of Contractor's services.

## **26. COUNTY'S OBLIGATION SUBJECT TO AVAILABILITY OF FUNDS**

A. The County's obligation under this Contract is subject to the availability of authorized funds. The County may terminate the Contract, or any part of the Contract work, without prejudice to any right or remedy of the County, for lack of appropriation of funds. Should such an appropriation not be approved, this Contract will terminate at the close of the current appropriation year.

D. This Contract is void and unenforceable if all or parts of federal or state funds applicable to this Contract are not available to County. If applicable funding is reduced, County may either:

In addition, contractors billing for Medi-Cal services must screen against the Department of Health Care Services Medi-Cal Suspended and Ineligible Provider List.

C. Contractor shall retain each of its staff members' background screening documentation for a period of three years following the conclusion of the employment relationship.

avoid conflict. In the event of conflict in the Contract documents, the parties agree that the document providing the highest quality and level of service to the County shall supersede any inconsistent term in these documents.

### **34. PRICING**

Should Contractor, at any time during the term of this Contract, provide the same goods or services under similar quantity, terms and conditions to one or more counties in the State of California at prices below those set forth in this Contract, then the parties agree to amend this Contract so that such lower prices shall be extended immediately to County for all future services.

### **35. USE OF PROVISIONS, TERMS, CONDITIONS AND PRICING BY OTHER PUBLIC AGENCIES**

Contractor and County agree that the terms of this Contract may be extended to any other public agency located in the State of California, as provided for in this section. Another public agency wishing to use the provisions, terms, and pricing of this Contract to contract for equipment and services comparable to those described in this Contract shall be responsible for entering into its own contract with Contractor, as well as providing for its own payment provisions, making all payments, and obtaining any certificates of insurance and bonds that may be required. County is not responsible for providing to any other public agency any documentation relating this Contract or its implementation. Any public agency that uses provisions, terms, or pricing of this Contract shall by virtue of doing so be deemed to indemnify and hold harmless County from all claims, demands, or causes of actions of every kind arising directly or indirectly with the use of this Contract. ### **37. EXECUTION IN COUNTERPARTS**

This Contract may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument, it being understood that all parties need not sign the same counterpart. In the event that any signature is delivered by facsimile or electronic transmission (e.g., by e-mail delivery of a ".pdf" format data file), such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or electronic signature page were an original signature.

### **38. LOCAL EMPLOYMENT POLICY**

Solano County desires, whenever possible, to hire qualified local residents to work on County projects. A local resident is defined as a person who resides in, or a business that is located in, Solano County. The County encourages an active outreach program on the part of its contractors, consultants and agents. When local projects require subcontractors, Contractor shall solicit proposals for qualified local residents where possible.

### **39. ENTIRE CONTRACT**
