#### **V. APPROPRIATE SAFEGUARDS**

1. Contractor shall implement appropriate safeguards as are necessary to prevent the use or disclosure of Protected Health Information otherwise than as permitted by this Agreement, including, but not limited to, administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the Protected Health Information in accordance with 45 C.F.R. §§ 164.308, 164.310, and 164.312. [45 C.F.R. § 164.504(e)(2)(ii)(B); 45 C.F.R. § 164.308(b)]. Contractor shall comply with the policies and procedures and documentation requirements of the HIPAA Security Rule, including, but not limited to, 45 C.F.R. § 164.316. [42 U.S.C. section 17931].
2. Contractor agrees to comply with Subpart 45 CFR part 164 with respect to Electronic Protected Health Information (ePHI). Contractor must secure all Electronic Protected Health Information by technological means that render such information unusable, unreadable, or indecipherable to unauthorized individuals and in accordance with the National Institute of Standards Technology (NIST) Standards and Federal Information Processing Standards (FIPS) as applicable.
3. Contractor agrees that destruction of Protected Health Information on paper, film, or other hard copy media must involve either crosscut shredding or otherwise destroying the Protected Health Information so that it cannot be read or reconstructed.
4. Should any employee or subcontractor of Contractor have direct, authorized access to computer systems of the County that contain Protected Health Information, Contractor shall immediately notify County of any change of such personnel (e.g. employee or subcontractor termination or change in assignment where such access is no longer necessary) in order for County to disable previously authorized access.

#### **VI. AGENT AND SUBCONTRACTOR'S OF CONTRACTOR**

1. Contractor shall ensure that any agents and subcontractors to whom it provides Protected Health Information, agree in writing to the same restrictions and conditions that apply to Contractor with respect to such PHI and implement the safeguards required with respect to Electronic PHI [45 C.F.R. § 164.504(e)(2)(ii)(D) and 45 C.F.R. § 164.308(b)].
2. Contractor shall implement and maintain sanctions against agents and subcontractors that violate such restrictions and conditions and shall mitigate the effects of any such violation (see 45 C.F.R. §§ 164.530(f) and 164.530(e)(I)).

#### **VII. ACCESS TO PROTECTED HEALTH INFORMATION**

1. If Contractor receives Protected Health Information from the County in a Designated Record Set, Contractor agrees to provide access to Protected Health Information in a Designated Record Set to the County in order to meet its requirements under 45 C.F.R. § 164.524.

2. Contractor shall make Protected Health Information maintained by Contractor or its agents or subcontractors in Designated Record Sets available to County for inspection and copying within five (5) days of a request by County to enable County to fulfill its obligations under state law, [Health and Safety Code section 123110] the Privacy Rule, including, but not limited to, 45 C.F.R. § 164.524 [45 C.F.R. § 164.504(e)(2)(ii)(E)]. 3. If Contractor receives a request from an Individual for a copy of the individual's Protected Health Information, and the Protected Health Information is in the sole possession of the Contractor, Contractor will provide the requested copies to the individual in a timely manner. If Contractor receives a request for Protected Health Information not in its possession and in the possession of the County, or receives a request to exercise other individual rights as set forth in the Privacy Rule, Contractor shall promptly forward the request to the County. Contractor shall then assist County as necessary in responding to the request in a timely manner. If a Contractor provides copies of Protected Health Information to the individual, it may charge a reasonable fee for the copies as the regulations shall permit.
4. Contractor shall provide copies of HIPAA Privacy and Security Training records and HIPAA policies and procedures within five (5) calendar days upon request from the County.

#### **VIII. AMENDMENT OF PROTECTED HEALTH INFORMATION**

Upon receipt of notice from County, Contractor shall promptly amend or permit the County access to amend any portion of Protected Health Information in the designated record set which Contractor created for or received from the County so that the County may meet its amendment obligations under 45 CFR § 164.526. If any individual requests an amendment of Protected Information directly from Contractor or its agents or subcontractors, Contractor must notify the County in writing within five (5) days of the request. #### **IX. ACCOUNTING OF DISCLOSURES**

1. At the request of the County, and in the time and manner designed by the County, Contractor and its agents or subcontractors shall make available to the County, the information required to provide an accounting of disclosures to enable the County to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. § 164.528, and the HITECH Act, including but not limited to 42 U.S.C. § 17935. Contractor agrees to implement a process that allows for an accounting to be collected and maintained by the Contractor and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that Contractor maintains an electronic health record and is subject to this requirement.
2. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Health Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.

3. In the event that the request for an accounting is delivered directly to Contractor or its agents or subcontractors, Contractor shall forward within five (5) calendar days a written copy of the request to the County. It shall be the County's responsibility to prepare and deliver any such accounting requested. Contractor shall not disclose any Protected Information except as set forth in this Agreement [45 C.F.R. §§ 164.504(e)(2)(ii)(G) and 165.528]. The provisions of this paragraph shall survive the termination of this Agreement.

#### **X. GOVERNMENTAL ACCESS TO RECORDS**

Contractor shall make its internal practices, books and records relating to its use and disclosure of the protected health information it creates for or receives from the County, available to the County and to the Secretary of the U.S. Department of Health and Human for purposes of determining Contractor's compliance with the Privacy rule [45 C.F.R. § 164.504(e)(2)(ii)(H)]. Contractor shall provide to the County a copy of any Protected Health Information that Contractor provides to the Secretary concurrently with providing such Protected Information to the Secretary.

#### **XI. CERTIFICATION**

To the extent that the County determines that such examination is necessary to comply with the Contractor's legal obligations pursuant to HIPAA relating to certification of its security practices, County, or its authorized agents or contractors may, at the County's expense, examine Contractor's facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to County the extent to which Contractor's security safeguards comply with HIPAA Regulations, the HITECH Act, or this Agreement.

#### **XII. BREACH OF UNSECURED PROTECTED HEALTH INFORMATION**

1. In the case of a breach of unsecured Protected Health Information, Contractor shall comply with the applicable provisions of 42 U.S.C. § 17932 and 45 C.F.R. part 164, subpart D, including but not limited to 45 C.F.R. § 164.410.
2. Contractor agrees to notify County of any access, use or disclosure of Protected Health Information not permitted or provided for by this Agreement of which it becomes aware, including any breach as required in 45 C.F.R. § 164.410. or security incident immediately upon discovery by telephone at 707-784-3198 and [hss-compliance@solanocounty.gov](mailto:hss-compliance@solanocounty.gov) or through the online reporting portal at <https://solanocounty.cqs.symplr.com/Portal> and will include, to the extent possible, the identification of each Individual whose unsecured Protected Health Information has been, or is reasonably believed by the Contractor to have been accessed, acquired, used, or disclosed, a description of the Protected Health Information involved, the nature of the unauthorized access, use or disclosure, the date of the occurrence, and a description of any remedial action taken or proposed to be taken by Contractor. Contractor will also provide to County any other available information that the County requests.
3. A breach or unauthorized access, use or disclosure shall be treated as discovered by the Contractor on the first day on which such unauthorized access, use, or disclosure is known, or should reasonably have been known, to the Contractor or to any person, other than the individual committing the unauthorized disclosure, that is an employee, officer, subcontractor, agent or other representative of the Contractor.
4. Contractor shall mitigate, to the extent practicable, any harmful effect that results from a breach, security incident, or unauthorized access, use or disclosure of unsecured Protected Health Information by Contractor or its employees, officers, subcontractors, agents or representatives.

5. Following a breach, security incident, or any unauthorized access, use or disclosure of unsecured Protected Health Information, Contractor agrees to take any and all corrective action necessary to prevent recurrence, to document any such action, and to make all documentation available to the County.
6. Except as provided by law, Contractor agrees that it will not inform any third party of a breach or unauthorized access, use or disclosure of Unsecured Protected Health Information without obtaining the County's prior written consent. County hereby reserves the sole right to determine whether and how such notice is to be provided to any individuals, regulatory agencies, or others as may be required by law, regulation or contract terms, as well as the contents of such notice. When applicable law requires the breach to be reported to a federal or state agency or that notice be given to media outlets, Contractor shall cooperate with and coordinate with County to ensure such reporting is in compliance with applicable law and to prevent duplicate reporting, and to determine responsibilities for reporting.
7. Contractor acknowledges that it is required to comply with the referenced rules and regulations and that Contractor (including its subcontractors) may be held liable and subject to penalties for failure to comply.
8. In meeting its obligations under this Agreement, it is understood that Contractor is not acting as the County's agent. In performance of the work, duties, and obligations and in the exercise of the rights granted under this Agreement, it is understood and agreed that Contractor is at all times acting an independent contractor in providing services pursuant to this Agreement and Exhibit A, Scope of Work.

### **XIII. TERMINATION OF AGREEMENT**

1. Upon termination of this Agreement for any reason, Contractor shall return or destroy, at County's sole discretion, all other Protected Health Information received from the County, or created or received by Contractor on behalf of the County.
2. Contractor will retain no copies of Protected Health Information in possession of subcontractors or agents of Contractor.
3. Contractor shall provide the County notification of the conditions that make return or destruction not feasible, in the event that Contractor determines that returning or destroying the PHI is not feasible. If the County agrees that the return of the Protected Health Information is not feasible, Contractor shall extend the protections of this Agreement to such Protected Health Information and limit further use and disclosures of such Protected Health Information for so long as the Contractor or any of its agents or subcontractor maintains such information.
4. Contractor agrees to amend this Exhibit as necessary to comply with any newly enacted or issued state or federal law, rule, regulation or policy, or any judicial or administrative decision affecting the use or disclosure of Protected Health Information.
5. Contractor agrees to retain records, minus any Protected Health Information required to be returned by the above section, for a period of at least 7 years following termination of the Agreement. The determining date for retention of records shall be the last date of encounter, transaction, event, or creation of the record.

2. If necessary, Contractor will resist in judicial proceedings any efforts to obtain access to protected substance abuse information, including patient identifying information related to substance use disorder diagnosis, treatment, or referral for treatment, except and unless access is expressly permitted under 42 C.F.R. Part 2. (See 42 C.F.R. § 2.12(c)(4).)
