
Solano County Library

Strategic Directions:

Conversation, Connection, Community

New Strategic Directions

- Build partnerships to make a difference in people's lives
 - Inspire and educate by sharing our passions
 - Lead through change and learning
 - Celebrate our diverse and distinctive environment
-

Process

- Service assessment
 - Community check-in
 - Staff check-in
 - Realign service
-

Build Partnerships

- Deepen the connections between individuals and organizations to enhance community life

- Strengthen education and personal growth experience for our communities

Change and Learn

- The Library leads through change and learning
- We value our reputation for service and integrity

Cherish Our Place

- Celebrate our diverse and distinctive environment
- Bring the community in to the library
- Bring the library out into the community

Acknowledgements

- Many thanks to the thoughtful and passionate responses from our community – an outpouring of expertise, wisdom and wit, along with common sense.
 - These directions will insure that the Library continues to be a vital part of the community it serves.
-
