RECONVENE - 9:00 A.M.

This meeting of the Solano County Board of Supervisors reconvened at 9:18 A.M. All members were present and Chair Vasquez presided.

REPORT OF ACTION IN CLOSED SESSION (IF APPLICABLE)

County Counsel Dennis Bunting reported that by unanimous vote, the Board had authorized County Counsel to consider a CEQA challenge in a collaborative effort with Yolo County, Contra Costa County, San Joaquin County, Central Delta Water Agency and South Delta Water Agency. He advised that Solano County's contribution would be up to \$70,000 for retention of two private attorneys, Thomas Keeling and Osha Merserve.

Chair Vasquez noted that this was in regards to the Twin Tunnels and the noise that would occur if the infrastructure was put in place.

SALUTE TO THE FLAG AND A MOMENT OF SILENCE

This meeting of the Solano County Board of Supervisors continued with the Salute to the Flag and a Moment of Silence.

ITEMS FROM THE PUBLIC

Chair Vasquez invited members of the public to address the Board on matters not listed on the agenda but within the subject matter jurisdiction of the Board. The following comments were received:

A) George Guynn, Jr., Suisun City, commented on a recent article regarding voters within the County.

ADDITIONS TO OR DELETIONS FROM THE AGENDA

County Administrator Birgitta Corsello noted a correction to Item 5 and advised that the value of the contract was correct in the title but that the contract attachment did not have the correct value.

APPROVAL OF THE AGENDA

On motion of Supervisor Spering, seconded by Supervisor Hannigan, the Board approved the agenda of the Solano County Board of Supervisors for August 8, 2017 as amended. So ordered by 5-0 vote.

PUBLIC COMMENT ON CONSENT CALENDAR

Chair Vasquez invited members of the public to address the Board on items listed on the Consent Calendar. There was no public comment.

Supervisor Brown requested that Item 2 be moved to the Regular Calendar for discussion.

APPROVAL OF THE CONSENT CALENDAR

On motion of Supervisor Spering, seconded by Supervisor Hannigan, the Board approved the following Consent Calendar items by 5-0 vote.

Treasurer-Tax Collector-County Clerk Chuck Lomeli introduced the item.

Managing Director of Public Financial Management Sarah Hollenbeck provided an overview of the request to refund the 2007 Certificates of Participation and the status of the current bond market.

In response to a question from Supervisor Thomson, Ms. Hollenbeck noted that the cost of issuing the bonds was estimated to be approximately \$325,000 and the underwriter's compensation was estimated to be approximately \$222,000.

In response to a question from Supervisor Brown, Mr. Lomeli provided information on future refinancing of buildings and noted that three buildings had been removed from the list because there was enough collateral and equity in the County Administrative Center and the probation building to meet the requirement for refunding.

Ms. Hollenbeck noted that the Board of Supervisors and the Board of the Solano County Facilities Corporation were both being asked to approve the refunding and then she provided information on the procedures needed to complete the process.

In response to a question from Supervisor Brown, Ms. Hollenbeck noted that the County had managed finances extremely well which had resulted in a very favorable rating for the County.

Hawkins, Delafield and Wood LLP Disclosure Counsel Sean Tierney provided information on disclosure documents.

On motion of Supervisor Hannigan, seconded by Supervisor Spering, the Board adopted Resolution No. 2017-157 authorizing the execution, sale, and delivery of the 2017 Certificates of Participation ("2017 Certificates") in a principal amount not to exceed \$90,000,000 for the refunding of the 2007 Certificates of Participation which were in turn a refunding of the 2002 Certificates of Participation that were issued to fund construction of the County Government Center, Parking Structure, Probation Building, and other County Facilities; Approved the form of the Site Lease, Lease, Trust Agreement, Continuing Disclosure Agreement, Escrow Agreement, Certificate Purchase agreement, and Preliminary Official Statement; Appointed Orrick, Herrington & Sutcliffe LLP as special counsel; and appointed Hawkins, Delafield and Wood LLP as disclosure counsel; and Delegated the County Administrator or her designee authorization to "deem final" the Preliminary Official Statement, negotiate the sale of Certificates of Participation, and authorize county officials to take necessary actions related to the preparation and sale of the certificates. So ordered by 5-0 vote. (see Resolution Book)

County Counsel Dennis Bunting provided an overview of what the Board had just approved and authorized.

Receive a status report from Bruce Wagstaff on the continued progress of implementing the Solano Workforce Development Review recommendations approved by the Board on July 26, 2016

Attachments: [A - Presentation](#)
 [Minute Order](#)

Consultant Bruce Wagstaff provided an overview of the progress of implementing the Solano Workforce Development (WDB) Review recommendations approved by the Board on July 26, 2016.

County Administrator Birgitta Corsello noted that both the Sheriff and Probation departments had training programs that were being included in the implementation.

Mr. Wagstaff continued to provide information on the progress of implementing the approved recommendations.

WDB Director Heather Henry commented on workforce development and the importance of a strong workforce system. She then provided information on collaboration efforts of the WDB with Mr. Wagstaff and with various workforce organizations.

Supervisor Hannigan suggested using an IT platform that would date stamp when and where individuals were entering the program and that would track the individuals through their progress so that the data points could be gathered and tracked in the future.

Mr. Wagstaff commented on the importance of keeping track of the individual and to measure the successfulness of the program.

In response to questions from Supervisor Thomson, Mr. Wagstaff provided information on the Essential Skills Program and how it would be reviewed by the CalWORKS program. He then provided information on the Welfare to Work Program.

Ms. Henry provided additional information on employment services and programs that the WDB provided to the CalWORKS program.

Supervisor Thomson commented on the importance of using all available resources to help individuals move off of public assistance and into employment.

In response to a question from Supervisor Spering, Ms. Henry provided information on the WDB's efforts to follow individuals for the first six months after employment and noted that further follow up efforts were being worked on. Mr. Wagstaff also commented on the need to look at how to measure whether or not what was being done was making a difference.

Supervisor Sperring commented on the importance of asking the individual to provide feedback on their experience and progress in the programs.

Chair Vasquez invited members of the public to address the Board on this matter and the following comments were received:

A) Donald Tipton, unincorporated Vallejo, commented on a need for more detailed information on the report.

Mr. Wagstaff commented on basic or essential skills that employers had identified. He then provided information on the purpose of the report and on improvement efforts being conducted as result of the report.

Ms. Henry commented on other efforts taking place in the general arena of workforce development.

Ms. Corsello noted that several reports had been presented to the Board recently concerning local industries and career opportunities for the workforce.

Executive Director of the Napa-Solano Central Labor Council John Riley provided information on the efforts to bring labor, education, law enforcement and other agencies together to work on improving the workforce and essential skills training needed for individuals.

Ms. Corsello commented on the working relationship between all the partners involved in the efforts to improve services.

Chair Vasquez commented on the importance of the programs and providing easy portals to assist individuals into employment.

In response to a question from Supervisor Brown, Mr. Wagstaff commented on reporting of measurements in the future.

Supervisor Brown commented on the importance of data gathering and measuring successfulness of the services. She also suggested using public schools because of the lower cost to attend them.

Engineering Manager Matt Tuggle introduced the item and provided an overview of the request to adopt a resolution to approve Traffic Order 424 to establish a "No Parking" zones on Gordon Valley Road and Mankas Corner Road and to establish all-way stops at Porter Road/Pitt School Road, Suisun Valley Road/Mankas Corner Road, and Fry Road/ Lewis Road.

In response to a question from Supervisor Thomson, Mr. Tuggle provided information on concerns about trucks parking in the bike lane on Hawkins Road and on cars parking on the shoulder and lane on Mankas Corner Road.

In response to a question from Supervisor Brown, Mr. Tuggle commented on responses from businesses in the area regarding the Traffic Order and future improvement plans regarding a SID water line in the Mankas Corner area that needed to be relocated in the future. He then provided information on traffic calming measures being employed and planned for the area.

Chair Vasquez commented on vehicle right of way and respecting driving conditions.

Chair Vasquez invited members of the public to address the Board on this matter and the following comments were received:

A) Rebecca Griswald, Lewis Road, commented on the number of vehicle accidents on Fry Road, in support of the proposed all-way stop, and asked for warning signs be put in place to let drivers know the change was coming.

In response to a question from Supervisor Thomson, Engineering Services Supervisor Nick Burton provided information about noticing and methods used to get drivers' attention concerning new stop signs. Mr. Tuggle noted that a project would be going out to bid to install LED lighted stop signs at designated stop signs.

Chair Vasquez encouraged staff to do what they could to ensure drivers knew about the new stop signs. He then noted that the roads were originally agriculture roads and were being used for much more now.

On motion of Supervisor Thomson, seconded by Supervisor Spering, the Board adopted Resolution No. 2017- 158 approving Traffic Order 424, establishing "No Parking" zones on Gordon Valley Road and Mankas Corner Road; and establishing all-way stops at Porter Road/Pitt School Road, Pleasants Valley Road/Vaca Valley Road, Suisun Valley Road/Mankas Corner Road, and Fry Road/ Lewis Road. Receive summary reports and presentations on two studies and related work prepared under a \$228,000 grant from the Delta Conservancy (#2016-17-106) consisting of a Countywide Agricultural Economic Baseline Assessment and Cache Slough Case Study, and a Land Evaluation and Site Assessment (LESA) Study for the Cache Slough region of the County

Attachments: [A - LESA Executive Summary](#)
 [Presentation](#)
 [Minute Order](#)

Director of Resource Management Bill Emlen introduced the item.

Water & Natural Resources Program Manager Roberta Goulart provided information on the Delta Conservancy grant to the County to develop agriculture and land use data and maps, the Cache Slough Region, state agencies' interest in Aquatic and Terrestrial Habitat and importance of studies and data collection.

Agriculture Commissioner and Sealer of Weights and Measures Jim Allan provided an overview of the Land Evaluation and Site Assessment (LESA) Study for the Cache Slough region.

Chair Vasquez thanked Wendy Rash of Natural Resources Conservation Service for bringing the need to conduct the LESA process forward. He then commented on the importance of protecting the Cache Slough area.

Ms. Rash provided an overview of the purpose of LESA conducted in the Cache Slough.

Ag Innovations Senior Facilitator Genevieve Taylor provided an overview of the LESA process.

FlowWest representative Anna Constantino provided an overview of the LESA model tool used for the study and on the LESA score calculation process.

Ms. Rash provided an overview of the factors used in the calculation process.

Ms. Taylor commented on the factors noting the importance of them to the land users.

Ms. Rash provided an overview of a hypothetical project score and maps of detailed information regarding the different factors used.

Supervisor Brown commented on the water rights map.

Ms. Rash continued to provide information on the factor maps and on a Cache Slough LESA score map.

Ms. Taylor commented on the Cache Slough LESA score map and noted that it was being shown at a high level to ensure land user privacy.

Ms. Constantino also commented on the score map and the distribution of the score map.

Supervisor Brown commented on the scoring of the map and thanked the presenters for using a binary method and histogram.

Ms. Taylor provided information on lessons learned from stakeholders.

In response to comments from Chair Vasquez, Ms. Taylor noted that stakeholders felt they were supporting habitat already and noted that measurement of habitat was included in the LESA. Ms. Rash noted that the Solano Land Trust data already showed that endangered species and habitats were already being protected. Ms. Goulart noted that the Delta Conservancy was funding some of the work being done on this matter.

Ms. Rash noted that the importance of the habitats was addressed in the LESA.

Chair Vasquez commented on the importance for being able to talk about how much farming practices were protecting habitats already and doing their fair share.

Supervisor Brown noted the importance of making sure that message would not get lost.

Ms. Goulart noted that the message would be incorporated in discussions with the Delta Conservancy and everywhere staff could bring it up.

Ms. Rash continued to provide an overview of lessons learned from the LESA team.

Supervisor Thomson commented on the importance of articulating why agriculture was important in contributing to the value of the Delta. He then commented on movement of water through the Delta, on ecosystem restoration and impacts to agriculture, and on payment-in-lieu due to the County from the state.

Principal Planner Matt Walsh provided an overview of the Middle Green Valley Specific Plan and recommended revisions to that plan.

Chair Vasquez opened the public hearing.

Chair Vasquez invited members of the public to address the Board on this matter and the following comments were received:

A) Brendan Kelly, Green Valley, commented in support of the revisions to the Middle Green Valley Specific Plan.

B) Duane Kromm, Solano County Orderly Growth Committee, commented in support of the revisions to the Middle Green Valley Specific Plan.

Chair Vasquez closed the public hearing.

In response to questions from Supervisor Thomson, Mr. Walsh provided information on the proposed revision to change "Secondary Living Unit" to "Accessory Dwelling", noting that it was only a name change. He then provided information on minor use permits and how they were used.

Supervisor Brown noted that the school district would not be building a new neighborhood school in this area and that future landowners would not know about this.

Supervisor Spering commented in support of the Middle Green Valley Specific Plan. He then commented on how the plan mitigated many common issues that typically arise with subdivisions and how it would bring value to the community.

On motion of Supervisor Spering, seconded by Supervisor Hannigan, the Board approved reading the proposed ordinance revising the Middle Green Valley Specific Plan by title only and waived further reading by a majority vote. So ordered by 5-0 vote.

On motion of Supervisor Spering, seconded by Supervisor Hannigan, the Board adopted Ordinance 2017-1786 revising the Middle Green Valley Specific Plan. So ordered by 5-0 vote.

Chair Vasquez commented on the history of the Middle Green Valley project.
