EXHIBIT A

SCOPE OF WORK

1. CONTRACT DESCRIPTION

The purpose of this agreement is to set forth the terms and conditions for Solano County Child Welfare Services (CWS) and Solano Family & Children's Services (Contractor) to increase the number of foster children successfully placed in home-based family care, increase capacity of child care programs to meet the needs of foster children in their care, and maximize funding to support the child care needs of eligible families. This agreement identifies the roles and responsibilities of CWS and Contractor in efforts to recruit, retain, and support eligible families with subsidized child care, provide child care navigator services, and child care providers to receive trauma-informed care training and coaching for foster children in their care.

The lack of access to child care for potential foster families seeking to take in a foster child is one of the top barriers to placing young foster children with families. The passage of Senate Bill (SB) 89, established the Emergency Child Care Bridge Program for Foster Children (Bridge Program). The Bridge Program provides a time-limited monthly payment or voucher for child care and a child care navigator to assist with finding a child care provider. Trauma-informed care training and coaching is also provided to child care providers who care for children in foster care.

2. WORK ACTIVITIES

Contractor will:

- A. Help pay for child care costs by providing emergency child care vouchers or payments to a minimum of twenty (20) children for a maximum of 6 months. Provide a child care navigator to all eligible families.
- B. Assist the family, child welfare worker, social worker or probation officer, and other child and family team members with accessing child care at the time of placement as well as identifying child care options appropriate to the child's age and needs.
- C. Connect the family to information and resources about school readiness and child care to empower families and improve their ability to access resources and make informed decisions about the child care needs of the child.
- D. Assist the family in identifying potential opportunities for an ongoing child care subsidy if eligible.
- E. Assist the family in completing appropriate child care program applications and enrolling into a child care program.
- F. Develop an overall, long-term child care plan for the child, including plans, where possible, to minimize child care transitions or disruptions for the child.
- G. Provide Trauma-informed care training and coaching to child care programs participating in the Bridge Program. The training includes, but is not limited to, infant and toddler development and research-based, trauma-informed best care practices for children in the child welfare system. Child care providers will also receive access to coaching to assist them in applying training curriculum and learn strategies for working with children in foster care,
- H. Submit data and outcomes to demonstrate that the program is meeting intended results. Data elements include number 8 through number 20 found on Emergency Child Care Bridge Program Monthly Status Report (CCB 18) which can be found at <http://www.cdss.ca.gov/dssdb/>.

EXHIBIT B
BUDGET DETAIL AND PAYMENT PROVISIONS

1. METHOD OF PAYMENT

- A. Upon submission of an invoice and a Solano County vendor claim by Contractor, and upon approval by County, County will, in accordance with the "Contract Budget" attached to this Contract as Exhibit "B-1" and incorporated into this Contract by this reference, pay Contractor monthly in arrears for fees and expenses actually incurred the prior month, up to the maximum amount set forth in Section 3 of the Standard Contract. Monthly claims for payment should be submitted to County by the 15th day of the subsequent month. Notwithstanding Section 1 in Exhibit C, Contractor is required to submit all monthly claims for services provided through May 31st, no later than June 15th.
- B. Claims submitted by Contractor must meet the criteria set forth in section E and be documented by an agency spreadsheet specifying the County's portion of the total agency budget directly attributable to this Contract. Each invoice must specify services rendered, to whom, date of service and the accrued charges.
- C. Contractor must request approval for transfers between budget line items, which are set forth in Exhibit B-1, when the cumulative amount of such transfers exceed 10% of the total Personnel and Operating amounts. Requests for transfers between budget line items must be presented to the County on the County's "Budget Modification Request Form". Budget line item transfers that exceed 10% of the total Personnel and Operating amounts may be made only upon prior written approval of County, which approval may be withheld in the sole and absolute discretion of County. County may authorize the addition of budget line items for transfers under this section, except for indirect costs and capital expenditures (equipment or real property), provided that the line item added does not substantially change the scope of services to be provided under this Contract and does not increase the contract amount.
- D. Contractor must repay the County for any disallowed costs identified by County through monthly reports, audits, Quality Assurance monitoring, or other sources within thirty days of receipt of notice from County that the costs have been disallowed. Contractor agrees that funds to be disbursed under the terms of this contract will be withheld if repayment is not received by the County within thirty days of receipt of notice from County. Contractor may submit a written appeal to a disallowance to the County Health and Social Services Employment & Eligibility Services Deputy Director, or designee, within fifteen days of receipt of a disallowance notice. The appeal must include the basis for the appeal and any documentation necessary to support the appeal. No fees or expenses incurred by Contractor in the course of appealing a disallowance will be an allowable cost under this Contract and will not be reimbursed by County. The decision of the Deputy Director, or designee, regarding the appeal will be final.
- E. The following criteria apply to Contract Budget submitted by Contractor under this Contract:
 - i. Requests for payment of personnel costs must include positions, salary, and actual percentage of time for each position. If Contractor provides fringe benefits to part time employees, salary and fringe benefits must be pro-rated for non-full-time employees. Salaries are fixed compensation for services performed by staff who are directly employed by Contractor and who are paid on a regular basis. Employee benefits and employer payroll taxes include Contractor's contributions or expenses for social security, employee's life and health insurance plans, unemployment insurance, pension plans, and other similar expenses that are approved

by County. These expenses are allowable when they are included and in accordance with Contractor's approved written policies and allocation plan.

- ii. Salaries and benefits of personnel involved in more than one contract, grant, or project must be charged to each grant based on the actual percentage of time spent on each grant or project. Timesheets for each employee whose time is charged to this Contract must be maintained by Contractor and available upon request by the County.
- iii. Allowable operating expenses are defined as necessary expenditures exclusive of personnel salaries, benefits, equipment or payments to subcontractors. The expenses must be to further the program objectives as defined in Exhibit A of this Contract and be incurred (realized) during the invoiced period. County reserves the right to make the final determination if an operating expense is allowable and necessary.
- iv. Indirect costs are shared costs that cannot be directly assigned to a particular activity, but are necessary to the operation of the organization and the performance of the program. The costs of operating and maintaining facilities, accounting services and administrative salaries are examples of indirect costs. In order to include indirect costs or an indirect cost rate in the contract budget, Contractor must have a negotiated indirect cost rate agreement with a federal agency. If Contractor does not have such a negotiated indirect cost rate agreement then Contractor may claim an indirect cost rate of up to 10% of modified total direct costs, as defined in 2 CFR part 200.68, provided Contractor does not use the Direct Allocation Method of allocating indirect costs (as discussed in Appendix IV to part 200).

Regardless of whether Contractor claims indirect costs through a negotiated indirect cost rate, Direct Allocation Method, or the 10% of modified total direct costs, Contractor must provide the County with a cost allocation plan that clearly differentiates between direct and indirect costs. Contractor ensures that the same costs that have been treated as indirect costs have not been claimed or budgeted as direct costs, and that similar types of costs in like circumstances have been accounted for consistently. Contractor will provide this plan to County upon request. In the event that Contractor is unable to provide County with an acceptable cost allocation plan, County may disallow any indirect cost billed amounts.

County will provide Contractor with an annual advance payment for only those costs related to childcare payments. An advance payment will not be provided for administration expenditures, which include all line items under the personnel and operating categories included in Exhibit B-1 of this Contract. Monthly invoices will be submitted separately for administration and childcare expenditures with the PIN breakout report accompanying the childcare invoices. Contractor will provide County with a vendor claim supported by written notification to request an advance payment at the beginning of each fiscal year. Each advance payment request will only be for a maximum of 25% of the budgeted line item for childcare expenditures included in Exhibit B-1. The advance request may be accepted, decreased or denied at County's sole discretion. Prior to the end of each fiscal year, Contractor will provide County with a reconciliation comparing the advance payment amount to the actual childcare expenditures incurred by the Contractor. After the end of the third quarter, any advance payment that exceeded the childcare expenditures during the first three quarters will be subtracted from the fourth quarter invoices. This will result in Contractor not being reimbursed for the last quarter, or a portion of it, of each fiscal year if the advance amount provided exceeds the final quarter invoices. If the advance amount exceeds the final quarter invoices then Contractor must issue a check to the County for the remaining overpayment amount resulting in County reimbursement to equal Contractor costs specifically for this Contract and up to the maximum amount set forth in Section 3 of the Standard Contract.

2. ACCOUNTING STANDARDS

- A. Contractor will establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles and practices for organizations/governmental entities as described in Exhibit C – section 13B. Additionally, Contractor must submit claims for payment under this Contract using either a cost allocation method or a direct allocation method.
- B. Contractor's cost allocation method must be supported by a cost allocation plan with a quantifiable methodology validating the basis for paying such expenditures. The cost allocation plan should be prepared within the guidelines set forth under 2 CFR part 200, subpart E, Cost Principles and Appendix IV to part 200, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations.
- C. Contractor will document all costs by maintaining complete and accurate records of all financial transactions associated with this Contract, including, but not limited to, invoices, time studies, and other official documentation that sufficiently support all charges under this Contract.

3. PERSONAL PROPERTY

- A. Contractor will develop and maintain a system to track the acquisition of tangible personal property purchased with County funds having a cost of at least \$1,500 and submit, upon County's request, an annual accounting of all such property purchased that includes information on cost and acquisition date. Contractor will ensure adequate safeguards are in place to protect such assets and will exercise reasonable care over such assets to protect against theft, damage or unauthorized use. Contractor will, upon County's request, return such assets to the County upon contract termination; unless the depreciated value of the asset is \$0, based on a straight-line method of depreciation (refer to CFR part 200.436).

4. FINANCIAL STATEMENTS AND AUDITS

- A. Contractor agrees to furnish an annual audited financial statement to the County, which must be submitted within 30 days of its publication.
- B. Contractor agrees to furnish all records and documents within a reasonable time, in the event that the County, state or federal government conducts an audit.

5. SUB-RECIPIENT MONITORING AND MANAGEMENT

- A. Contractor will complete a self-assessment tool and provide it to the County within 30 days of contract execution. The County will provide the required format.
- B. Contractor will provide a fiscal monitoring report which compares the contract budget per line item in relation to the monthly invoice, cumulative total invoice, and the total contract balance. The County will provide the required format.
- C. In adherence with 2 CFR part 200, subpart D, this Contract (subaward) must include the following information at the time of contract (subaward) execution. Significant changes to these data elements may require modification.
 - i. Sub recipient Name (which must match the name associated with its DUNS number): Solano Family and Children's Services

GENERAL TERMS AND CONDITIONS

1. CLOSING OUT

A. County will pay Contractor's final request for payment providing Contractor has paid all financial obligations undertaken pursuant to this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to pay any obligations outstanding, County will withhold from Contractor's final request for payment the amount of such outstanding financial obligations owed by Contractor. Contractor is responsible for County's receipt of a final request for payment 30 days after termination of this Contract.

B. A final undisputed invoice shall be submitted for payment no later than ninety (90) calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that all payment obligations of the County under this Contract have ceased and that no further payments are due or outstanding.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

2. TIME

Time is of the essence in all terms and conditions of this Contract.

3. TIME OF PERFORMANCE

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

4. TERMINATION

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

5. SIGNATURE AUTHORITY

The parties executing this Contract certify that they have the proper authority to bind their respective entities to all terms and conditions set forth in this Contract.

6. REPRESENTATIONS

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

(5) County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage described above at any time.

8. BEST EFFORTS

Contractor represents that Contractor will at all times faithfully, industriously and to the best of its ability, experience and talent, perform to County's reasonable satisfaction.

9. DEFAULT

A. If Contractor defaults in Contractor's performance, County shall promptly notify Contractor in writing. B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County. The contract may be terminated at County's sole discretion.

C. If County serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.

D. If this Contract is terminated because of Contractor's default, County shall be entitled to recover from Contractor all damages allowed by law.

10. INDEMNIFICATION

This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

B. Acceptance of insurance required by this Contract does not relieve Contractor from liability under this indemnification clause. This indemnification clause shall apply to all damages or claims for damages suffered by Contractor's operations regardless if any insurance is applicable or not.

11. INDEPENDENT CONTRACTOR

A. Contractor is an independent contractor and not an agent, officer or employee of County. The parties mutually understand that this Contract is between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

B. Contractor shall have no claim against County for employee rights or benefits including, but not limited to, seniority, vacation time, vacation pay, sick leave, personal time off, overtime, medical, dental or hospital benefits, retirement benefits, Social Security, disability, Workers' Compensation, unemployment insurance benefits, civil service protection, disability retirement benefits, paid holidays or other paid leaves of absence.

C. Contractor is solely obligated to pay all applicable taxes, deductions and other obligations including, but not limited to, federal and state income taxes, withholding, Social Security, unemployment, disability insurance, Workers' Compensation and Medicare payments.

D. Contractor shall indemnify and hold County harmless from any liability which County may incur because of Contractor's failure to pay such obligations nor shall County be responsible for any employer-related costs not otherwise agreed to in advance between the County and Contractor.
