

ORDINANCE NO. 2018 - _____

**AN INTERIM URGENCY ORDINANCE OF THE SOLANO COUNTY BOARD OF
SUPERVISORS PROHIBITING TEMPORARY CANNABIS EVENTS
IN UNINCORPORATED SOLANO COUNTY**

The Board of Supervisors of the County of Solano do hereby ordain as follows:

SECTION 1. Findings

The Board of Supervisors hereby finds and determines that this ordinance is necessary for the immediate preservation of the public peace, health, and safety, based upon the following facts:

- A. On October 2, 2018, the Board of Supervisors adopted Ordinance 2018-1799 prohibiting all commercial cannabis activities in unincorporated Solano County. This ordinance excepted out temporary cannabis events from this prohibition. Staff was directed to return to the Board to provide alternatives on how these events could be regulated.
- B. Currently, Business & Professions Code section 26200(e) allows state-licensed temporary cannabis events authorizing on-site cannabis sales to, and consumption by, individuals 21 and over at fairgrounds, such as the Solano County Fairgrounds, and district agricultural events, such as those put on by the 36th District Agricultural Association at the Dixon Fairgrounds, if the local jurisdiction has authorized these types of events.
- C. On September 28, 2018, Assembly Bill 2020 was signed into law. This bill will amend section 26200(e) to also allow state-licensed temporary cannabis events at any venue authorized by the local jurisdiction to hold such events.
- D. The regulations for cannabis and temporary cannabis events are still going through the approval process required by the Administrative Procedure Act and have not been finalized. The current temporary regulations, adopted by emergency rulemaking, requires in part, "written approval from the local jurisdiction authorizing the applicant to engage in onsite cannabis sales to, and onsite consumption by, persons 21 years of age or older at the temporary cannabis event." (16 CCR 5601(h)(10).)
- E. The County currently has no ordinances to regulate temporary cannabis events at the Solano County Fairgrounds or other venues in unincorporated Solano County, or on-site cannabis sales and consumption at these events.
- F. Without sufficient regulations, standards, procedures, and thresholds which are enforceable pursuant to an adopted ordinance, there is a current and immediate threat to the public health, safety, and welfare.
- G. Pursuant to Article XI, section 7 of the California Constitution, the County of Solano ("County") may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.
- H. Pursuant to Government Code section 65858, to protect the public safety, health, and welfare, the County may adopt with a four-fifths vote of the board of supervisors an urgency measure adopting an interim ordinance prohibiting potential land uses that

the County is studying, considering, or intends to study within a reasonable time that may be in conflict with existing land use regulations and which shall be in effect immediately.

- I. By adopting this interim urgency ordinance, it is the intent of the Board of Supervisors to enact a moratorium that is only temporary in order to provide time for the County to study and develop appropriate regulations and standards that are consistent with state laws and regulations.

SECTION 2. Definitions

For purposes of this interim ordinance, the following definitions shall apply:

- A. "County." The County of Solano.
- B. "Cannabis." Cannabis shall have the have the same meaning as in Business & Professions Code section 26001(f).
- C. "Cannabis Sales." Cannabis sales shall have the same meaning as in Business & Professions Code section 26001(as).

The exemption provided in Section 14-17(a) of the Solano County Code, allowing a business to operate after having filed an application for a business license and pending final action on that application, shall not apply to any business engaged in, or proposing to engage in, a temporary cannabis event.

SECTION 4. Effective Period

This interim ordinance shall take effect immediately and expire in 45 days (December 21, 2018) in accordance with the provisions set forth in Government Code section 65858.

SECTION 5. Authority

California Government Code section 65858 provides that an urgency measure in the form of an interim zoning ordinance may be adopted, which shall be initially effective for only 45 days following its date of adoption. Such an interim ordinance may be extended by a four-fifths vote of the board of supervisors for an additional period of time, either 10 months and 15 days with the possibility for an additional 12-month extension or for 22 months and 15 days in compliance with Government Code section 65858.

SECTION 6. Penalties

SECTION 7. Severability

SECTION 8. Exemption from the California Environmental Quality Act

This interim ordinance is exempt from California Environmental Quality Act (Public Resources Code §21000 *et seq.*; “CEQA”) because it will preserve the status quo while the County develops a permanent ordinance. Therefore, it can be seen with certainty that there is no possibility that the interim ordinance may have a significant effect on the environment. (CEQA Guidelines, § 15061(b)(3).)
