The Consortium will give the County notice of the approved schedule within ten (10) days after such approval.

A. County hereby agrees to contribute to the Consortium its share of Administrative Costs, as determined by the Consortium, in advance pursuant to California Government Code section 6504.

B. County shall also contribute an amount equal to any penalties, fines, finance charges, interest or other costs that may result in the event County's tardy payment(s) result in insufficient funds to pay the Consortium's expenses when due.

4.1.5. If, during the term of this MOU, the County is unable to appropriate sufficient funds, or is otherwise unable to meet its financial obligations under this MOU, and there are no other legal procedures or available funds by or with which such obligations can be met, County shall have the right to terminate this MOU and withdraw its membership from the Consortium effective as of the end of that fiscal year by adoption of a resolution of withdrawal by County's Board of Supervisors, provided that a copy of said resolution has been served on all other Members by May 31 of that fiscal year, as provided for in Section 2.11 (Withdrawal of Member) of the JPA Agreement. Withdrawal under this subsection shall not relieve the County of any financial obligations or liabilities arising prior to the effective date of the withdrawal.

4.1.6. Section 17.1.1 of the "Amended and Restated Agreement for a California Statewide Automated Welfare System" between the Consortium and Accenture LLP provides as follows:

17.1.1 Consortium Member Demand for Indemnification

CONTRACTOR's obligation to indemnify CONSORTIUM Members shall only be exercised through the CONSORTIUM and upon written demand by the CONSORTIUM. Any demand for indemnification by a CONSORTIUM Member shall be tendered to the CONSORTIUM, which shall have the authority to make the demand for indemnification to CONTRACTOR. The obligation on CONSORTIUM Members to submit demands for indemnification to the CONSORTIUM rather than directly to the CONTRACTOR shall not apply to L A COUNTY so long as L A COUNTY remains the sole county utilizing the LRS System in actual production. Once a second county migrates into the LRS System and from that point forward, all indemnification claims must go through the CONSORTIUM.

County claims covered by this provision shall be referred to the Consortium's Executive Director for action in accordance with this provision. The Consortium will be entering into other vendor contracts on behalf of the Member counties and anticipates including comparable language in some or all of those contracts. Unless otherwise agreed by the Executive Director or designee, the County will prepare and submit to the Consortium a change order to request a cost estimate for hardware and/or Software licenses and associated maintenance. This request will identify the number of units of hardware and/or Software licenses anticipated for each County Site. The request will specify any special needs or considerations for the items requested. These special needs may include, but are not limited to, monitor sizes, configurations, ergonomics, specialized software, or color printers. The request will also identify whether the County will install all, some, or none of the items requested and whether the County will provide any ongoing technical support that may be necessary.

4.2.3. Upon receiving a change order request from the County for hardware and/or Software licenses, the Consortium will forward the change order to the Primary Project Vendor for a cost estimate that will be provided in accordance with the procedures in the Consortium agreements with the Primary Project Vendor, including estimates with all appropriate costs for the items specified in the request as well as all other hardware and/or Software licenses and hardware maintenance that is necessary

to ensure compliance with Consortium specifications. Such other hardware may include, but is not limited to, network and Central Equipment, such as switches, routers, and servers. The Consortium Staff will forward the estimate to the appropriate County Staff following receipt of the estimate from the Primary Project Vendor Staff.

4.2.4. Once the applicable APD is approved, the County will be responsible for providing written approval, from the State, of the cost estimate to the Consortium. The Consortium will not take any steps to authorize the procurement of the hardware and/or Software licenses until such written authorization is provided. Any increases in the cost estimate must also be approved in writing by the County.

4.2.5. The Consortium Staff will authorize the purchase of the hardware and/or Software licenses after approval of the cost estimate from the Member. The Project Staff will ensure that the requested items are ordered in a timely manner and in compliance with the approved cost estimate.

4.2.6. All Local Equipment and hardware procured under this MOU will become County property unless otherwise agreed to by the Executive Director or designee and County. All software licenses which are purchased by Consortium for use with the System(s) shall be retained by the Consortium and County will be granted permission to use the software pursuant to such licenses, unless otherwise agreed to by the Executive Director or designee and County. County shall be responsible to Consortium for costs associated with acquisition of Software licenses required for County use which are purchased through the Consortium. The County will track and manage property in accordance with mutually agreed upon inventory and accounting practices and procedures identified in the System Operations and Support Plan ("SOSP"). If County and Consortium are unable to agree upon inventory and accounting practices and procedures, County shall track and manage property in accordance with its inventory and accounting practices and procedures. The Consortium shall provide operational support of all hardware in accordance with Consortium procedures and the County network model, unless otherwise agreed to by the Executive Director or designee and Member.

4.2.7. The County will be responsible for the installation of all electrical and Data cabling to support any necessary additional hardware at the County Site(s) unless otherwise agreed to by the Executive Director or designee. Electrical cabling will be installed in compliance with the County's current practices for such installations. Data cabling will be installed and tested per the standards identified in the SOSP. Data cabling test results will be provided to the Consortium for its review.

4.2.8. The County will be responsible for the costs associated with the ordering and installation of Data circuits between the local County Site(s) and the applicable Data centers, unless otherwise agreed to by the Executive Director or designee. The County will work with Primary Project Vendor Staff to ensure that the Data circuit is of appropriate bandwidth in accordance with Consortium specifications.

4.3.1. The County may, at its sole discretion, prepare and submit to the Consortium a change order to request Separate Services to be performed by the Primary Project Vendor or other Project vendors. This request will identify the type(s) of Separate Services sought for each County Site and specify any special needs or considerations for the requested Separate Services. The Consortium, upon receiving a change order request, will forward the change order to the Primary Project Vendor or other Project vendors for a cost estimate, including estimates with all appropriate costs for the services specified in the request. The Consortium will also ensure that such services are appropriately related to the System(s). Any applicable terms, conditions, and limitations of any agreements that provide for such services shall remain applicable.

4.3.2. The County and the Consortium will ensure that such Separate Services are performed in a timely manner and in compliance with the cost estimate provided by the Primary Project Vendor or other Project vendors. The County will communicate with the Consortium regarding the progress of the Separate Services and any issues that may affect the Consortium or the System(s).

4.4. Development of Procedures for Acceptance/Rejection of Deliverables. The Parties agree to develop and implement procedures for the timely acceptance or rejection of Deliverables that may need to be reviewed by Member as necessary for the Project.

4.5. Ownership of Accepted Deliverables. The Parties agree that all rights, titles, and interests to Deliverables accepted by County pursuant to the procedures developed as called for under Section 4.4 (Development of Procedures for Acceptance/Rejection of Deliverables) shall not pass to County except as defined by this MOU or further agreed to in writing.

4.6. Sharing of Business Records. The Parties shall use their reasonable best efforts to resolve disputes arising in the normal course of business at the lowest organizational level between the Party's staff with appropriate authority to resolve the disputes. When a dispute arises between the Consortium and the County that cannot be resolved in the normal course of business, the Executive Director and County Director will work in good faith to resolve the dispute. If the Executive Director and the County Director cannot resolve the disputed issue(s) within five (5) business days, the matter shall be escalated to the Board of Directors of the Consortium for resolution.

4.9. No Alteration of JPA Agreement. The Parties agree that entering into this MOU or performing as provided hereunder shall not in any way change the obligations, rights or authority of the Parties as set forth in the JPA Agreement establishing the Consortium between the counties. Should any provision of this MOU conflict with any provision of the JPA Agreement, the provision of the JPA Agreement shall prevail.
