Proposal No. Child Start
20 August 2019

Mr. Dave Daly
Solano County Nut Tree Airport
301 County Airport Road, Suite 205
Vacaville, CA 95688

Subject: Proposed Child Start Project
1500 Solano Avenue
Vallejo, California
GEOTECHNICAL EXPLORATION SCOPE & COST PROPOSAL

Dear Mr. Daly:

At your request, **KC ENGINEERING COMPANY** is pleased to submit our scope of services and cost proposal to provide a design-level geotechnical exploration report for the proposed Child Start project to be constructed at the subject site. We understand that an approximately 2,500 to 3,000 square feet, on-story child care building is planned on the property. Additional site improvements are expected to consist of underground utilities, driveway and parking lot improvements, a play area, lighting, a garbage enclosure and bio-filtration swales. We understand the site was a former fuel station and has received environmental closure. The location of former backfilled tank areas should be provided for our review.

The purpose of the exploration is to identify the surface and subsurface geotechnical characteristics so that appropriate earthwork grading, foundation, seismic criteria, slab-on-grade, and drainage recommendations can be provided for site planning, design and construction. The following scope of services are proposed:

- 1) Review of Literature. A review of the available and/or published pertinent geologic and geotechnical literature concerning the project site and surrounding area.
- 2) Site Reconnaissance. This will consist of a reconnaissance by the Geotechnical Engineer to observe and map existing surface conditions. We will mark the location of the proposed borings and contact Underground Service Alert.
- 3) Subsurface Exploration Program. This will consist of drilling 3 exploratory borings in the area of the proposed building to depths ranging up to 40 feet, logging the soil layers and groundwater depths, and sampling of the subsurface materials. Bulk samples will also be obtained of the near surface soil materials for soil corrosivity testing. It is noted that a Solano County Environmental Health drilling permit will be required.

865 Cotting Lane, Suite A, Vacaville, California 95688

- 4) **Laboratory Testing.** A laboratory testing program of the soils will be performed to determine the in-place condition of the subsurface engineering characteristics. Testing is anticipated to consist of moisture-density, sieve analysis, strength, Atterberg Limits, R-Value and soil corrosivity.
- 5) **Analysis and Report.** This phase of the investigation will consist of an evaluation and correlation of all the data accumulated and the preparation of a geotechnical report including recommendations for earthwork grading, foundation design, CBC seismic criteria, slab-on-grade, drainage, pavement sections and related design and construction criteria. The report will also address geotechnical or geologic concerns on the site and any required mitigation measures such as lime treatment.
- 6) **Consultation & Plan Review.** This phase consists of consultation with the Architect, Civil and Structural Engineers during the design phase and reviewing the civil improvement and foundation plans for conformance with the geotechnical report. A plan review letter will be provided for submittal to the City/County.

We propose to perform the above items for a fee of \$10,989 as noted in the attached table. Scheduling for the field exploration will proceed shortly after receipt of signed authorization. Our written report will be transmitted within six weeks after our field investigation. With respect to Item 6, we will only invoice for consultation time needed at a Geotechnical Engineers hourly rate of \$180/hour. At this time, 4 to 6 hours of post-report consultation is estimated. Should this proposal meet with your approval, please sign and return the attached contract or issue your service agreement as authorization to proceed with the work.

We appreciate the opportunity of proposing our services to you and look forward to working with you on this project. Should you have any questions relating the contents of this proposal or should you require additional information, please contact our office at your convenience.

Respectfully Submitted,
KC ENGINEERING COMPANY

EXHIBIT C
GENERAL TERMS AND CONDITIONS

1. CLOSING OUT

A. County will pay Contractor's final request for payment providing Contractor has paid all financial obligations undertaken pursuant to this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to pay any obligations outstanding, County will withhold from Contractor's final request for payment the amount of such outstanding financial obligations owed by Contractor. Contractor is responsible for County's receipt of a final request for payment 30 days after termination of this Contract.

B. A final undisputed invoice shall be submitted for payment no later than ninety (90) calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that all payment obligations of the County under this Contract have ceased and that no further payments are due or outstanding.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

2. TIME

Time is of the essence in all terms and conditions of this Contract.

3. TIME OF PERFORMANCE

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

4. TERMINATION

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

5. SIGNATURE AUTHORITY

The parties executing this Contract certify that they have the proper authority to bind their respective entities to all terms and conditions set forth in this Contract.

6. REPRESENTATIONS

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

B. Minimum Scope of Insurance
Coverage must be at least as broad as:

- (2) Insurance Services Office Form Number CA 00 01 covering Automobile Liability, Code 1 (any auto).

Contractor must maintain limits no less than:

- | | | |
|---|---|---|
| (1) General Liability:
(Including operations, products
and completed operations.) | \$2,000,000 | per occurrence for bodily injury, personal injury and property damage, or the full per occurrence limits of the policy, whichever is greater. If Commercial General Liability insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit. |
| (2) Automobile Liability: | \$1,000,000 | per accident for bodily injury and property damage. |
| (3) Workers' Compensation: | As required by the State of California. | |
| (4) Employer's Liability: | \$1,000,000 | per accident for bodily injury or disease. |

D. Additional Insurance Coverage

- | | | |
|-----------------------------|--------------------|--|
| (1) Cyber Liability: | \$1,000,000 | per incident with the aggregate limit twice the required limit to cover the full replacement value of damage to, alteration of, loss of, or destruction of electronic data and/or information property of the County that will be in the care, custody or control of Contractor under this Contract. |
| | | |
| (2) Professional Liability: | \$2,000,000 | combined single limit per claim and in the aggregate. The policy shall remain in full force and effect for no less than 5 years following the completion of work under this Contract. |

E. If Contractor maintains higher limits than the minimums shown above, County is entitled to coverage for the higher limits maintained by Contractor. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

F. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either:

- (1) The insurer will reduce or eliminate such deductibles or self-insured retentions with respect to County, its officers, officials, agents, employees and volunteers; or
- (2) Contractor must provide a financial guarantee satisfactory to County guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

G. Other Insurance Provisions

(1) The general liability and automobile liability policies must contain, or be endorsed to contain, the following provisions:

- (a) The County of Solano, its officers, officials, agents, employees, and volunteers must be included as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of Contractor; and with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts or equipment furnished in connection with such work or operations. General Liability coverage shall be provided in the form of an Additional Insured endorsement (CG 20 10 11 85 or both CG 20 10 and CG 20 37 if later ISO revisions are used or the equivalent) to Contractor's insurance policy, or as a separate owner's policy. The insurance afforded to the additional insureds shall be at least as broad as that afforded to the first named insured.

(b) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(2) If Contractor's services are technologically related, Professional Liability coverage shall include, but not be limited to claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to such obligations. The policy shall also include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the County in the care, custody, or control of the Contractor. If not covered under the Contractor's Professional Liability policy, such "property" coverage of the County may be endorsed onto the Contractor's Cyber Liability Policy.

(3) Should any of the above described policies be cancelled prior to the policies' expiration date, Contractor agrees that notice of cancellation will be delivered in accordance with the policy provisions.

H. Waiver of Subrogation

(1) Contractor agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

(2) The Workers' Compensation policy must be endorsed with a waiver of subrogation in favor of County for all work performed by Contractor, its employees, agents and subcontractors.

I. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII unless otherwise acceptable to County.

J. Verification of Coverage

(1) Contractor must furnish County with original certificates and endorsements effecting coverage required by this Contract.

(2) The endorsements should be on forms provided by County or, if on other than County's forms, must conform to County's requirements and be acceptable to County.

(3) County must receive and approve all certificates and endorsements before work commences.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

(5) County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage described above at any time.

8. BEST EFFORTS

Contractor represents that Contractor will at all times faithfully, industriously and to the best of

its ability, experience and talent, perform to County's reasonable satisfaction.

9. DEFAULT

A. If Contractor defaults in Contractor's performance, County shall promptly notify Contractor in writing. If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall constitute cause for termination of this Contract.

B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County. The contract may be terminated at County's sole discretion.

C. If County serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.

D. If this Contract is terminated because of Contractor's default, County shall be entitled to recover from Contractor all damages allowed by law.

10. INDEMNIFICATION

A. Contractor will indemnify, hold harmless and assume the defense of the County of Solano, its officers, employees, agents and elective and appointive boards from all claims, losses, damages, including property damages, personal injury, death and liability of every kind, directly or indirectly arising from Contractor's operations or from any persons directly or indirectly employed by, or acting as agent for, Contractor, excepting the sole negligence or willful misconduct of the County of Solano. This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

B. Acceptance of insurance required by this Contract does not relieve Contractor from liability under this indemnification clause. This indemnification clause shall apply to all damages or claims for damages suffered by Contractor's operations regardless if any insurance is applicable or not.

11. INDEPENDENT CONTRACTOR

A. Contractor is an independent contractor and not an agent, officer or employee of County. The parties mutually understand that this Contract is between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

B. Contractor shall have no claim against County for employee rights or benefits including, but not limited to, seniority, vacation time, vacation pay, sick leave, personal time off, overtime, medical, dental or hospital benefits, retirement benefits, Social Security, disability, Workers' Compensation, unemployment insurance benefits, civil service protection, disability retirement benefits, paid holidays or other paid leaves of absence.

C. Contractor is solely obligated to pay all applicable taxes, deductions and other obligations including, but not limited to, federal and state income taxes, withholding, Social Security, unemployment, disability insurance, Workers' Compensation and Medicare payments.

D. Contractor shall indemnify and hold County harmless from any liability which County may incur because of Contractor's failure to pay such obligations nor shall County be responsible for any employer-related costs not otherwise agreed to in advance between the County and Contractor.

E. As an independent contractor, Contractor is not subject to the direction and control of

County except as to the final result contracted for under this Contract. County may not require Contractor to change Contractor's manner of doing business, but may require redirection of efforts to fulfill this Contract.

F. Contractor may provide services to others during the same period Contractor provides service to County under this Contract.

G. Any third persons employed by Contractor shall be under Contractor's exclusive direction, supervision and control. Contractor shall determine all conditions of employment including hours, wages, working conditions, discipline, hiring and discharging or any other condition of employment.

H. As an independent contractor, Contractor shall indemnify and hold County harmless from any claims that may be made against County based on any contention by a third party that an employer-employee relationship exists under this Contract.

I. Contractor, with full knowledge and understanding of the foregoing, freely, knowingly, willingly and voluntarily waives the right to assert any claim to any right or benefit or term or condition of employment insofar as they may be related to or arise from compensation paid hereunder.

12. RESPONSIBILITIES OF CONTRACTOR

A. The parties understand and agree that Contractor possesses the requisite skills necessary to perform the work under this Contract and County relies upon such skills. Contractor pledges to perform the work skillfully and professionally. County's acceptance of Contractor's work does not constitute a release of Contractor from professional responsibility.

B. Contractor verifies that Contractor has reviewed the scope of work to be performed under this Contract and agrees that in Contractor's professional judgment, the work can and shall be completed for costs within the maximum amount set forth in this Contract.

C. To fully comply with the terms and conditions of this Contract, Contractor shall:

(1) Establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles for government agencies;

seq.); the Clean Water Act (33 U.S.C. §1251); and the Energy Policy and Conservation Act (Pub. L. 94-165).

16. DRUG FREE WORKPLACE

Contractor represents that Contractor is knowledgeable of Government Code section 8350 et seq., regarding a drug free workplace and shall abide by and implement its statutory requirements.

C. If County consents to the use of subcontractors, Contractor shall require and verify that its subcontractors maintain insurance meeting all the requirements stated in Section 7 above.

D. Assignment by Contractor of any monies due shall not constitute an assignment of the Contract.

22. UNFORESEEN CIRCUMSTANCES

Contractor is not responsible for any delay caused by natural disaster, war, civil disturbance, labor dispute or other cause beyond Contractor's reasonable control, provided Contractor gives written notice to County of the cause of the delay within 10 days of the start of the delay.

26. COUNTY'S OBLIGATION SUBJECT TO AVAILABILITY OF FUNDS

A. The County's obligation under this Contract is subject to the availability of authorized funds. The County may terminate the Contract, or any part of the Contract work, without prejudice to any right or remedy of the County, for lack of appropriation of funds. D. This Contract is void and unenforceable if all or parts of federal or state funds applicable to this Contract are not available to County. If applicable funding is reduced, County may either:

- (1) Cancel this Contract; or,
- (2) Offer a contract amendment reflecting the reduced funding.

27. CHANGES AND AMENDMENTS
