**CONTRACT MUST BE EXECUTED BEFORE WORK CAN COMMENCE**

## **EXHIBIT A** **SCOPE OF WORK**

### **1. PROGRAM DESCRIPTION**

Drug Safe Solano (DSS) was created when community partners came together to address the serious issue of opioid use in Solano County. The Solano Coalition for Better Health (SCBH) hosted and formalized the coalition, now known as DSS, in the Fall of 2018, with generous start-up funding and continued support from MedMark Treatment Centers in Fairfield.

The mission of the Solano Opioid Safety Coalition (“Coalition”) is to bring together a diverse cross-section of agencies, community-based organizations, and concerned residents to collaborate and collectively create strategies to address opioid use and abuse disorder.

### **2. CONTRACTOR SHALL BE RESPONSIBLE FOR THE FOLLOWING:**

#### **A. PROGRAM SPECIFIC ACTIVITIES**

- 1) Convene 8-10 monthly meetings with Coalition members.
- 2) Increase new partners engaged as Coalition members by at least 5.
  - Examples of new partners include schools, law enforcement, probation, pharmacists, dentists, and Medical Assisted Treatment prescribers.
- 3) Conduct at least 30 outreach events/visits; and
- 4) Distribute flyers/pamphlets with medical providers, community-based organizations and libraries utilizing opioid use disorder prevention materials developed by the California Department of Public Health and Centers for Disease Control and Prevention.

#### **B. REPORTING REQUIREMENTS**

At the end of the contracted services, contractor shall provide an end-of-year report with detailed deliverables and financial expenditures. This will include copies of outreach materials, agendas, sign-in sheets, meeting notes, Coalition membership list, and any other relevant materials.

**EXHIBIT B**  
**BUDGET DETAIL AND PAYMENT PROVISIONS**

**1. METHOD OF PAYMENT**

- A. Upon submission of an invoice and a Solano County vendor claim by Contractor, and upon approval by County, County shall, in accordance with the "Contract Budget" attached to this Contract as Exhibit "B-1" and incorporated into this Contract by this reference, pay Contractor monthly in arrears for fees and expenses actually incurred the prior month, up to the maximum amount set forth in Section 3 of the Standard Contract. Monthly claims for payment should be submitted to County by the 15<sup>th</sup> day of the subsequent month.
- B. Claims submitted by Contractor must meet the criteria set forth in section E and be documented by a fiscal monitoring report (Exhibit B-2). Each invoice must specify services rendered, to whom, date of service and the accrued charges.
- C. Contractor must request approval for transfers between budget line items, which are set forth in Exhibit B-1, when the cumulative amount of such transfers exceed 10% of the total Contract amount. Requests for transfers between budget line items must be presented to the County on the County's "Budget Modification Request Form". Budget line item transfers that exceed 10% of the total Contract amount may be made only upon prior written approval of County, which approval may be withheld in the sole and absolute discretion of County. County may authorize the addition of budget line items for transfers under this section, except for indirect costs and capital expenditures (equipment or real property), provided that the line item added does not substantially change the scope of services to be provided under this Contract and does not increase the contract amount.
- D. Contractor must repay the County for any disallowed costs identified by County through monthly reports, audits, Quality Assurance monitoring, or other sources within thirty days of receipt of notice from County that the costs have been disallowed. Contractor agrees that funds to be disbursed under the terms of this contract will be withheld if repayment is not received by the County within thirty days of receipt of notice from County. Contractor may submit a written appeal to a disallowance to the County Health and Social Services Mental Health Deputy Director, or designee, within fifteen days of receipt of a disallowance notice. The appeal must include the basis for the appeal and any documentation necessary to support the appeal. No fees or expenses incurred by Contractor in the course of appealing a disallowance will be an allowable cost under this Contract and will not be reimbursed by County. The decision of the County regarding the appeal will be final.
- E. The following criteria apply to Contract Budget submitted by Contractor under this Contract:
  - 1) Requests for payment of personnel costs must include positions, salary, and actual percentage of time for each position. If Contractor provides fringe benefits to part time employees, salary and fringe benefits must be pro-rated for non-full-time employees. Salaries are fixed compensation for services performed by staff who are directly employed by Contractor and who are paid on a regular basis. Employee benefits and employer payroll taxes include Contractor's contributions or expenses for social security, employee's life and health insurance plans, unemployment insurance, pension plans, and other similar expenses that are approved by County. These expenses are allowable when they are included and in accordance with Contractor's approved written policies and allocation plan.

- 2) Salaries and benefits of personnel involved in more than one contract, grant, or project must be charged to each grant based on the actual percentage of time spent on each grant or project. Timesheets for each employee whose time is charged to this contract must be maintained by Contractor and available upon request by the County.
- 3) Allowable operating expenses are defined as necessary expenditures exclusive of personnel salaries, benefits, equipment or payments to subcontractors. The expenses must be to further the program objectives as defined in Exhibit A of this Contract and be incurred (realized) during the invoiced period. County reserves the right to make the final determination if an operating expense is allowable and necessary.
- 4) Indirect costs are shared costs that cannot be directly assigned to a particular activity but are necessary to the operation of the organization and the performance of the program. The costs of operating and maintaining facilities, accounting services and administrative salaries are examples of indirect costs. In order to include indirect costs or an indirect cost rate in the contract budget, Contractor must have a negotiated indirect cost rate agreement with a federal agency. A Contractor who does not have such a negotiated indirect cost rate agreement may claim an indirect cost rate of up to 10% of modified total direct costs, as defined in 2 CFR 200.68, provided the Contractor does not use the Direct Allocation Method of allocating indirect costs (as discussed in Appendix IV to Part 200).
- 5) Regardless of whether Contractor claims indirect costs through a negotiated indirect cost rate, Direct Allocation Method or up to the 10% of modified total direct costs, Contractor must provide the County with a cost allocation plan that clearly differentiates between direct and indirect costs. Contractor ensures that the same costs that have been treated as indirect costs have not been claimed or budgeted as direct costs, and that similar types of costs in like circumstances have been accounted for consistently. Contractor will provide this plan to County upon request. In the event that Contractor is unable to provide County with an acceptable cost allocation plan, County may disallow any indirect cost billed amounts

## **2. ACCOUNTING STANDARDS**

- A. Contractor shall establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles and practices for organizations/governmental entities as described in Exhibit C – section 13C. Additionally, Contractor must submit claims for payment under this Contract using either a cost allocation method or a direct allocation method.
- B. Contractor's cost allocation method must be supported by a cost allocation plan with a quantifiable methodology validating the basis for paying such expenditures. The cost allocation plan should be prepared within the guidelines set forth under 2 CFR (Code of Federal Regulation) Part 200, subpart E, Cost Principles and Appendix IV to Part 200, Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations.
- C. Contractor shall document all costs by maintaining complete and accurate records of all financial transactions associated with this Contract, including, but not limited to, invoices, time studies, and other official documentation that sufficiently support all charges under this Contract.

### 3. PERSONAL PROPERTY

Contractor shall develop and maintain a system to track the acquisition of tangible personal property purchased with County funds having a cost of at least \$1,500 and submit, upon County's request, an annual accounting of all such property purchased that includes information on cost and acquisition date. Contractor shall ensure adequate safeguards are in place to protect such assets and shall exercise reasonable care over such assets to protect against theft, damage or unauthorized use. Contractor shall, upon County's request, return such assets to the County upon Contract termination; unless the depreciated value of the asset is \$0, based on a straight-line method of depreciation (refer to CFR Part 200.436).

### 4. SUBMISSION OF COST REPORT

- A. County will, at its discretion, schedule a cost report briefing in October of each fiscal year. Contractor will submit its cost report by the deadline set by the County. Contractor's cost report must be complete, accurate and formatted within the guidelines provided by the Solano County Health and Social Services Department.
- B. If Contractor is currently out of compliance with the cost report's submission requirement, Contractor agrees that funds to be disbursed under the terms of this contract will be withheld until such time as Contractor submits an acceptable Cost report. County will not be liable for any interest that may accrue as a result of delay in payment caused by Contractor's failure to submit an appropriate Cost report.
- C. If Contractor provides services to multiple counties, it must use the Net Cost Method, reporting only the costs (activities) directly attributable to County.
- D. Contract will establish a tracking and reporting system to distinguish between expenditures for direct services and expenditures for client supports. DMH Letter No. 06-08, incorporated by this reference, outlines the need and definition of the new service function codes which have been added:

*Service Function Code 70 – Client Housing Support Expenditures*  
*Service Function Code 71 – Client Housing Operating Expenditures*  
*Service Function Code 72 – Client Flexible Support Expenditures*  
*Service Function Code 75 – Non-Medi-Cal Capital Assets*  
*Service Function Code 78 – Other Non-Medi-Cal Client Support Expenditures*

This information will be required at the same time that the annual cost report is due to the County.

### 5. FINANCIAL STATEMENTS AND AUDITS

- A. Contractor agrees to furnish annual audited financial statements to the County, which must be submitted within 30 days of its publication. If contractor is not required by federal and/or state regulations to have an independent audit of its annual financial statements, Contractor agrees to furnish unaudited annual financial statements by September 1.
- B. Contractor agrees to furnish all records and documents within a reasonable time, in the event that the County, State or Federal Government conducts an audit.

**6. SUBRECIPIENT MONITORING AND MANAGEMENT**

- A. Contractor will complete a self-assessment tool and provide it to the County within 30 days of contract execution. The County will provide the required format.
- B. Every subaward must be clearly identified and include the following information at the time of contract execution. Significant changes to these data elements may require a subaward modification form.

**EXHIBIT C**  
**GENERAL TERMS AND CONDITIONS**

**1. CLOSING OUT**

A. County will pay Contractor's final request for payment providing Contractor has paid all financial obligations undertaken pursuant to this Contract or any other contract and/or obligation that Contractor may have with the County. If Contractor has failed to pay any obligations outstanding, County will withhold from Contractor's final request for payment the amount of such outstanding financial obligations owed by Contractor. Contractor is responsible for County's receipt of a final request for payment 30 days after termination of this Contract.

B. A final undisputed invoice shall be submitted for payment no later than ninety (90) calendar days following the expiration or termination of this Contract, unless a later or alternate deadline is agreed to in writing by the County. The final invoice must be clearly marked "FINAL INVOICE", thus indicating that all payment obligations of the County under this Contract have ceased and that no further payments are due or outstanding.

C. The County may, at its discretion, choose not to honor any delinquent final invoice if the Contractor fails to obtain prior written approval of an alternate final invoice submission deadline. Written County approval for an alternate final invoice submission deadline shall be sought from the County prior to the expiration or termination of this Contract.

**2. TIME**

Time is of the essence in all terms and conditions of this Contract.

**3. TIME OF PERFORMANCE**

Work will not begin, nor claims paid for services under this Contract until all Certificates of Insurance, business and professional licenses/certificates, IRS ID number, signed W-9 form, or other applicable licenses or certificates are on file with the County's Contract Manager.

**4. TERMINATION**

A. This Contract may be terminated by County or Contractor, at any time, with or without cause, upon 30 days' written notice from one to the other.

B. County may terminate this Contract immediately upon notice of Contractor's malfeasance.

C. Following termination, County will reimburse Contractor for all expenditures made in good faith that are unpaid at the time of termination not to exceed the maximum amount payable under this Contract unless Contractor is in default of this Contract.

**5. SIGNATURE AUTHORITY**

The parties executing this Contract certify that they have the proper authority to bind their respective entities to all terms and conditions set forth in this Contract.

**6. REPRESENTATIONS**

A. County relies upon Contractor's professional ability and training as a material inducement to enter into this Contract. Contractor represents that Contractor will perform the work according to generally accepted professional practices and standards and the requirements of applicable federal, state and local laws. County's acceptance of Contractor's work shall not constitute a waiver or release of Contractor from professional responsibility.

B. Contractor further represents that Contractor possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, required to perform the work under this Contract.

## 7. INSURANCE

A. Without limiting Contractor's obligation to indemnify County, Contractor must procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work under this Contract and the results of that work by Contractor, Contractor's agents, representatives, employees or subcontractors.

B. Minimum Scope of Insurance

Coverage must be at least as broad as:

- (1) Insurance Services Office Commercial General Liability coverage (occurrence Form CG 00 01).
- (2) Insurance Services Office Form Number CA 00 01 covering Automobile Liability, Code 1 (any auto).
- (3) Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

If Commercial General Liability insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit. |
| (2) Automobile Liability:   | <b>\$1,000,000</b>                      | per accident for bodily injury and property damage.   |

| (1) Cyber Liability:        | <b>\$1,000,000</b> | per incident with the aggregate limit twice the required limit to cover the full replacement value of damage to, alteration of, loss of, or destruction of electronic data and/or information property of the County that will be in the care, custody or control of Contractor under this Contract. |
| (2) Professional Liability: | <b>\$2,000,000</b> | combined single limit per claim and in the aggregate. The policy shall remain in full force and effect for no less than 5 years following the completion of work under this Contract.  |

E. If Contractor maintains higher limits than the minimums shown above, County is entitled to coverage for the higher limits maintained by Contractor. Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to the County. No representation is made that the minimums shown above are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

F. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either:

(1) The insurer will reduce or eliminate such deductibles or self-insured retentions with respect to County, its officers, officials, agents, employees and volunteers; or

(2) Contractor must provide a financial guarantee satisfactory to County guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

G. Other Insurance Provisions

(1) The general liability and automobile liability policies must contain, or be endorsed to contain, the following provisions:

(a) The County of Solano, its officers, officials, agents, employees, and volunteers must be included as additional insureds with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of Contractor; and with respect to liability arising out of work or operations performed by or on behalf of Contractor including materials, parts or equipment furnished in connection with such work or operations. General Liability coverage shall be provided in the form of an Additional Insured endorsement (CG 20 10 11 85 or both CG 20 10 and CG 20 37 if later ISO revisions are used or the equivalent) to Contractor's insurance policy, or as a separate owner's policy. The insurance afforded to the additional insureds shall be at least as broad as that afforded to the first named insured.

(b) For any claims related to work performed under this Contract, Contractor's insurance coverage must be primary insurance with respect to the County of Solano, its officers, officials, agents, employees, and volunteers. Any insurance maintained by County, its officers, officials, agents, employees, or volunteers is excess of Contractor's insurance and shall not contribute to it.

(2) If Contractor's services are technologically related, Professional Liability coverage shall include, but not be limited to claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to such obligations. The policy shall also include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the County in the care, custody, or control of the Contractor. If not covered under the Contractor's Professional Liability policy, such "property" coverage of the County may be endorsed onto the Contractor's Cyber Liability Policy.

(3) Should any of the above described policies be cancelled prior to the policies' expiration date, Contractor agrees that notice of cancellation will be delivered in accordance with the policy provisions.

H. Waiver of Subrogation

(1) Contractor agrees to waive subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation.

(2) The Workers' Compensation policy must be endorsed with a waiver of subrogation in favor of County for all work performed by Contractor, its employees, agents and subcontractors.

I. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII unless otherwise acceptable to County.

J. Verification of Coverage

(1) Contractor must furnish County with original certificates and endorsements effecting coverage required by this Contract.

(2) The endorsements should be on forms provided by County or, if on other than County's forms, must conform to County's requirements and be acceptable to County.

(3) County must receive and approve all certificates and endorsements before work commences.

(4) However, failure to provide the required certificates and endorsements shall not operate as a waiver of these insurance requirements.

(5) County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage described above at any time.

## **8. BEST EFFORTS**

Contractor represents that Contractor will at all times faithfully, industriously and to the best of its ability, experience and talent, perform to County's reasonable satisfaction.

## **9. DEFAULT**

A. If Contractor defaults in Contractor's performance, County shall promptly notify Contractor in writing. If Contractor fails to cure a default within 30 days after notification, or if the default requires more than 30 days to cure and Contractor fails to commence to cure the default within 30 days after notification, then Contractor's failure shall constitute cause for termination of this Contract.

B. If Contractor fails to cure default within the specified period of time, County may elect to cure the default and any expense incurred shall be payable by Contractor to County. The contract may be terminated at County's sole discretion.

C. If County serves Contractor with a notice of default and Contractor fails to cure the default, Contractor waives any further notice of termination of this Contract.

D. If this Contract is terminated because of Contractor's default, County shall be entitled to recover from Contractor all damages allowed by law.

## **10. INDEMNIFICATION**

A. Contractor will indemnify, hold harmless and assume the defense of the County of Solano, its officers, employees, agents and elective and appointive boards from all claims, losses, damages, including property damages, personal injury, death and liability of every kind, directly or indirectly arising from Contractor's operations or from any persons directly or indirectly employed by, or acting as agent for, Contractor, excepting the sole negligence or willful misconduct of the County of Solano. This indemnification shall extend to claims, losses, damages, injury and liability for injuries occurring after completion of Contractor's services, as well as during the progress of rendering such services.

B. Acceptance of insurance required by this Contract does not relieve Contractor from liability under this indemnification clause. This indemnification clause shall apply to all damages or claims for damages suffered by Contractor's operations regardless if any insurance is applicable or not.

## **11. INDEPENDENT CONTRACTOR**

A. Contractor is an independent contractor and not an agent, officer or employee of County. The parties mutually understand that this Contract is between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

B. Contractor shall have no claim against County for employee rights or benefits including, but not limited to, seniority, vacation time, vacation pay, sick leave, personal time off, overtime, medical, dental or hospital benefits, retirement benefits, Social Security, disability, Workers' Compensation, unemployment insurance benefits, civil service protection, disability retirement benefits, paid holidays or other paid leaves of absence.

C. Contractor is solely obligated to pay all applicable taxes, deductions and other obligations including, but not limited to, federal and state income taxes, withholding, Social Security, unemployment, disability insurance, Workers' Compensation and Medicare payments.

D. Contractor shall indemnify and hold County harmless from any liability which County may incur because of Contractor's failure to pay such obligations nor shall County be responsible for any employer-related costs not otherwise agreed to in advance between the County and Contractor.

E. As an independent contractor, Contractor is not subject to the direction and control of County except as to the final result contracted for under this Contract. County may not require Contractor to change Contractor's manner of doing business but may require redirection of efforts to fulfill this Contract.

F. Contractor may provide services to others during the same period Contractor provides service to County under this Contract.

G. Any third persons employed by Contractor shall be under Contractor's exclusive direction, supervision and control. Contractor shall determine all conditions of employment including hours, wages, working conditions, discipline, hiring and discharging or any other condition of employment.

H. As an independent contractor, Contractor shall indemnify and hold County harmless from any claims that may be made against County based on any contention by a third party that an employer-employee relationship exists under this Contract.

I. Contractor, with full knowledge and understanding of the foregoing, freely, knowingly, willingly and voluntarily waives the right to assert any claim to any right or benefit or term or condition of employment insofar as they may be related to or arise from compensation paid hereunder.

## **12. RESPONSIBILITIES OF CONTRACTOR**

A. The parties understand and agree that Contractor possesses the requisite skills necessary to perform the work under this Contract and County relies upon such skills. Contractor pledges to perform the work skillfully and professionally. County's acceptance of Contractor's work does not constitute a release of Contractor from professional responsibility.

B. Contractor verifies that Contractor has reviewed the scope of work to be performed under this Contract and agrees that in Contractor's professional judgment, the work can and shall be completed for costs within the maximum amount set forth in this Contract.

C. To fully comply with the terms and conditions of this Contract, Contractor shall:

(1) Establish and maintain a system of accounts for budgeted funds that complies with generally accepted accounting principles for government agencies;

(2) Document all costs by maintaining complete and accurate records of all financial transactions associated with this Contract, including, but not limited to, invoices and other official documentation that sufficiently support all charges under this Contract;

(3) Submit monthly reimbursement claims for expenditures that directly benefit Solano County;

(4) Be liable for repayment of any disallowed costs identified through quarterly reports, audits, monitoring or other sources; and

(5) Retain financial, programmatic, client data and other service records for 3 years from the date of the end of the contract award or for 3 years from the date of termination, whichever is later.

## **13. COMPLIANCE WITH LAW**

A. Contractor shall comply with all federal, state and local laws and regulations applicable to Contractor's performance, including, but not limited to, licensing, employment and purchasing practices, wages, hours and conditions of employment.

B. To the extent federal funds are used in whole or in part to fund this Contract, Contractor specifically agrees to comply with Executive Order 11246 entitled "Equal Employment Opportunity", as amended and supplemented in Department of Labor regulations; the Copeland "Ant-Kickback" Act (18 U.S.C. §874) and its implementing regulations (29 C.F.R. part 3); the Clean Air Act (42 U.S.C. §7401 et seq.); the Clean Water Act (33 U.S.C. §1251); and the Energy Policy and Conservation Act (Pub. L. 94-165).

C. Contractor represents that it will comply with the applicable cost principles and administrative requirements including claims for payment or reimbursement by County as set forth in 2 C.F.R. part 200, as currently enacted or as may be amended throughout the term of this Contract.

B. Contractor shall not use client specific information for any purpose other than carrying out Contractor's obligations under this Contract.

C. Contractor shall promptly transmit to County all requests for disclosure of confidential information.

D. Except as otherwise permitted by this Contract or authorized by law, Contractor shall not disclose any confidential information to anyone other than the State of California without prior written authorization from County.

A. Contractor represents that Contractor and/or Contractor's employees and/or their immediate families and/or Board of Directors and/or officers have no interest, including, but not limited to, other projects or independent contracts, and shall not acquire any interest, direct or indirect, including separate contracts for the work to be performed hereunder, which conflicts with the rendering of services under this Contract. Contractor shall employ or retain no such person while rendering services under this Contract. Services rendered by Contractor's associates or employees shall not relieve Contractor from personal responsibility under this clause.

B. Contractor has an affirmative duty to disclose to County in writing the name(s) of any person(s) who have an actual, potential or apparent conflict of interest.

#### **16. DRUG FREE WORKPLACE**

Contractor represents that Contractor is knowledgeable of Government Code section 8350 et seq., regarding a drug free workplace and shall abide by and implement its statutory requirements.

#### **17. HEALTH AND SAFETY STANDARDS**
