Exhibit A
Decision Making Rules of the Solano County Subregion

Government Code section 65584.03 allows the formation of a subregional entity to allocate a subregion's housing need. It goes on to provide that the Subregional Entity's decisions shall be approved "by vote of the county or counties, if any, and the majority of the cities with the majority of the population within a county or counties" unless the local agency members adopt rules governing the Subregional decision-making process.

The following rules shall apply to decisions of the Solano County Subregion:

Staff level discussions of the Solano County Subregion shall occur at meetings of the County's planning directors or their designees, which shall occur roughly monthly over the course of the process.

Final decisions regarding documents, relating to the Solano County Subregion, shall be made by the Solano City-County Coordinating Council (CCCC) at their regular meetings, following CCCC's rules and procedures.
