 [Minute Order](#)

On motion of Supervisor Thomson, seconded by Supervisor Spering, the Board directed that it was too early to determine what to do with the Rule 20A credits, that staff go back and look at what the projects might be appropriate and incorporate them in with the transportation plan and that staff look at how best to use the credits and leverage them. So ordered by 5-0 vote.

Supervisor Spering requested that staff also look into alternative connections for solar projects and that this topic be referred to the legislative committee for follow up.
