BOARD MEMBER COMMENTS AND REPORTS ON MEETINGS

Chairwoman Hannigan invited members of the Board to make comments or reports on meetings. The following comments were received:

A. Supervisor Thomson requested that a task force be put together made of two Board members, two public members and one member of the hemp industry, to look at hemp issues and provide input on what an ordinance should look like.

County Administrator Birgitta Corsello asked if this request would be in addition to what had already been directed to staff that included an extensive public outreach. She noted that the Board had also directed staff to conduct an expedited process.

Director of Resource Management Bill Emlen noted that the Resource Management Department, the Ag Commissioner and County Counsel had already been meeting and discussing different options for addressing the issues that arose at the prior board meetings relating to the interim emergency ordinance. He then advised that spatial analysis, mapping of existing fields and reviewing land use options were already being worked on as the Board had directed staff to move fairly quickly to bring something back.

Supervisor Vasquez noted that a prior suggestion he gave was to model what had been done with dairies. He advised that a taskforce could assist with looking at what was being done already.

Supervisor Thomson commented that a taskforce could provide input on the process and suggested that the taskforce could be limited to two or three meetings.

County Counsel Bernadette Curry advised that the topic had not been agendaized and recommended that it be brought back with the item in the future.

Supervisor Thomson and Vasquez noted that they were fine with this.

B. Supervisor Brown requested that staff revisit the fee structure that was set up for conservatorship and also look at charges for services provided to outside agencies to see if they were at market rate.

Ms. Corsello advised that the County could not charge a market rate because it was not allowed legally to do that. She then noted that charges were based on a rate based on the cost of the service that the department such as County Counsel provided.

Supervisor Spering advised that it was optional for an outside agency to use County Counsel services.

Ms. Curry advised that the County Counsel rates were competitive compared to outside counsel.

C. Supervisor Brown asked for a breakdown on SB 1 relating to what had been spent and on what projects since its inception.

Chairwoman Hannigan noted that this information was presented to the Board every year.

Supervisor Spering advised that he had received this information already.

Mr. Emlen advised that the department could provide a highlight of the information to the Board.

D. Supervisor Vasquez requested that this meeting of the Solano County Board of Supervisors be adjourned in memory of Pasqual Gerardo Flores, an active member of the Vacaville community.

Chairwoman Hannigan advised that the Board would be adjourning the meeting to Closed Session to discuss the following matters, with no report out:
