Summary:

Would define "injury," for certain state and local firefighting personnel, peace officers, certain hospital employees, and certain fire and rescue services coordinators who work for the Office of Emergency Services to include being exposed to or contracting, on or after January 1, 2020, a communicable disease, including coronavirus disease 2019 (COVID-19), that is the subject of a state or local declaration of a state of emergency that is issued on or after January 1, 2020. The bill would create a conclusive presumption, as specified, that the injury arose out of and in the course of the employment. The bill would apply to injuries that occurred prior to the declaration of the state of emergency. The bill would also exempt these provisions from the apportionment requirements.

Summary:

Would appropriate \$11,000,000 on July 1, 2020, and annually thereafter, from the General Fund to the Department of Veterans Affairs for allocation to counties for county veterans service officers based upon a workload unit performance formula to be developed by the department. This bill would also require the department to develop performance metrics to demonstrate the effective use of appropriated funds. Finally, this bill would require the department to submit the annual report of county

veterans service officer activities by November 15 of each year, and to include the new performance metrics within the report.

Summary:

Current property tax law authorizes the board of supervisors of any county to create assessment appeals boards for the county to equalize the valuation of taxable property within the county for purposes of taxation, as provided. Current property tax law limits the number of assessment appeals boards that may be created within a county to 5. This bill would delete this limitation and, instead, authorize the board of supervisors to create as many assessment appeals boards for the county as it deems necessary for the orderly and timely processing, hearing, and disposition of assessment appeals.

Summary:

Would prohibit a tobacco retailer, or any of the tobacco retailer's agents or employees, from selling, offering for sale, or possessing with the intent to sell or offer for sale, a flavored tobacco product or a tobacco product flavor enhancer, as those terms are defined, except as specified. The bill would make a violation of this prohibition an infraction punishable by a fine of \$250 for each violation. The bill would state the intent of the Legislature that these provisions not be construed to preempt or prohibit the adoption and implementation of local ordinances related to the prohibition on the sale of flavored tobacco products. The bill would state that its provisions are severable.

Summary:

Current property tax law requires, for property to be eligible for reassessment under specified provisions, that damage or destruction be caused by one of 3 specified occurrences, including a major misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of disaster if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the region to be in a state of disaster. Current property tax law generally requires that an application for reassessment be filed within the later of the time specified in the county's ordinance or within 12 months of the misfortune or calamity and be executed under penalty of perjury. This bill would expand these provisions to include damage to or destruction of property due to a misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of emergency if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the area to be in a state of emergency.

Summary:

Current law imposes various fees contingent upon a criminal arrest, prosecution, or conviction for the cost of administering the criminal justice system, including administering probation and diversion programs, collecting restitution orders, processing arrests and citations, administering drug testing, and incarcerating inmates. This bill would repeal the authority to collect most of these fees, among others. The bill would make the unpaid balance of most court-imposed costs unenforceable and uncollectible and would require any portion of a judgment imposing those costs to be vacated.

Summary:

Would establish within the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act until January 1, 2030, the Community Paramedicine or Triage to Alternate Destination Act of 2019. The bill would authorize a local EMS agency to develop a community paramedicine or triage to alternate destination program, as defined, to provide specified community paramedicine services. The bill would require the authority to develop regulations to establish minimum standards for a program and would further require the Commission on Emergency Medical Services to review and approve those regulations.

Summary:

The California Constitution prohibits the ad valorem tax rate on real property from exceeding 1% of the full cash value of the property, subject to certain exceptions. This measure would create an additional exception to the 1% limit that would authorize a city, county, city and county, or special district to levy an ad valorem tax to service bonded indebtedness incurred to fund the construction, reconstruction, rehabilitation, or replacement of public infrastructure, affordable housing, or permanent supportive housing, or the acquisition or lease of real property for those purposes, if the proposition proposing that tax is approved by 55% of the voters of the city, county, or city and county, as applicable, and the proposition includes specified accountability requirements.

7/30/2020 #24 SENATE ASSEMBLY BILLS - THIRD READING FILE

Summary:

In a county that has not elected to participate in a truancy mediation program, current law authorizes the county superintendent of schools to petition the juvenile court on behalf of a pupil for proper disposition of a case. In a county that has not established a school attendance review board, existing law authorizes the school district to notify the district attorney or probation officer, as specified, that available community resources cannot resolve the problem of truancy or insubordination. This bill would repeal the authority of the county superintendent of schools to petition the juvenile court on behalf of a pupil, as described above, in a county that has not elected to participate in a truancy mediation program.

Summary:

Current law defines the terms "state of emergency" and "local emergency" to mean a duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by, among other things, fire, storm, or riot. This bill would additionally include a deenergization event, as defined, within a sudden and severe energy shortage constituting a state of emergency and a local emergency.

Summary:

Would require the State Department of Public Health to contract with an appropriate and qualified entity to conduct an evaluation of the adequacy of the local health department infrastructure, and to make recommendations for future staffing, workforce needs, and resources, in order to accurately and adequately fund local public health, as specified. The bill would also require the department to convene an advisory group to oversee the process of selecting an entity to conduct the evaluation and to provide oversight of, and technical assistance to, that entity. The bill would require the department to report the findings and recommendations of the evaluation to the appropriate policy and fiscal committees of the Legislature on or before July 1, 2022.

Summary:

Would require the Department of Water Resources to provide at least 10 days' notice to the Joint

Legislative Budget Committee and relevant policy and fiscal committees of the Legislature before holding public sessions to negotiate any potential amendment of a long-term water supply contract that is of projectwide significance with substantially similar terms intended to be offered to all contractors. The bill would require the department, before the execution of a specified proposed amendment to a long-term water supply contract and at least 60 days before final approval of such an amendment, to submit to the Joint Legislative Budget Committee and relevant policy and fiscal committees of the Legislature certain information regarding the terms and conditions of a proposed amendment of a long-term water supply contract and to submit a copy of the long-term contract as it is proposed to be amended.

CEQA LEGISLATIVE BILL TRACKING REPORT / AUGUST 3, 2020 LEG. COMMITTEE MEETING

Bill ID/Topic	Location	Summary
<p>AB 2553 Ting D</p> <p>Shelter crisis declarations.</p>	<p>7/1/2020-S. HOUSING 7/14/2020-From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on HOUSING.</p>	<p>Existing law authorizes a governing body of a political subdivision, as those terms are defined, to declare a shelter crisis if the governing body makes a specified finding. Upon declaration of a shelter crisis, existing law, among other things, suspends certain state and local laws, regulations, and ordinances to the extent that strict compliance would prevent, hinder, or delay the mitigation of the effects of the shelter crisis. This bill would instead apply those additional provisions to a shelter crisis declared by any county or city. By expanding the scope of these provisions to apply within any county or city that has declared a shelter crisis, the bill would expand the above-described exemption from the California Environmental Quality Act. The bill would additionally exempt homeless shelters that are constructed or allowed pursuant to the shelter crisis declarations from the Recreational Vehicle Park Occupancy Law, which governs occupancy and tenancy of recreational vehicle parks. The bill would also revise the definition of a "homeless shelter" to include a parking lot owned or leased by a city, county, or city and county specifically identified as one allowed for safe parking by homeless and unstably housed individuals. The bill would require the county or city to develop the above-described shelter plan on or before July 1, 2021, or on or before July 1 of the year following the declaration of the shelter crisis, as specified, and to include a plan to transition residents from homeless shelters to permanent housing. The bill would require the above-described annual report, for reports due by January 1, 2022, and thereafter, to include the bed capacity of new homeless shelters built, as specified. The bill would require a declaration of a shelter crisis by a city, county, or city and county and those additional provisions that are or may be utilized by a city, county, or city and county to apply to any land owned or leased by an agency or entity created pursuant to the Joint Exercise of Powers Act, if the city, county, or city and county that declared a shelter crisis is one of the parties to the agreement creating the entity or agency and the real property owned or leased by the agency or entity is located within the jurisdiction of the city, county, or city and county that declared the shelter crisis. The bill would extend the repeal date of these provisions to January 1, 2026. This bill contains other existing laws.</p>
<p>AB 3279 Friedman D</p> <p>California Environmental Quality Act: administrative and judicial procedures.</p>	<p>6/23/2020-S. E.Q. 7/27/2020-From committee chair, with author's amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on EQ.</p>	<p>(1) The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. This bill would authorize the public agency to deny the request of the plaintiff or petitioner to prepare the record of proceedings, as provided, in which case the bill would require the</p>

		public agency or the real party in interest to bear the costs of preparation and certification of the record of proceedings and would prohibit the recovery of those costs from the plaintiff or petitioner. The bill would require the court to schedule a case management conference within 30 days of the filing of an action to review the scope, timing, and cost of the record of proceedings. This bill contains other related provisions and other existing laws.
<u>SB 55</u> <u>Jackson</u> D California Environmental Quality Act: housing and land use.	7/27/2020-A. RLS. 7/27/2020-From committee with author's amendments. Read second time and amended. Re-referred to Com. on PUB. S. Re-referred to Com. on RLS. pursuant to Assembly Rule 96.	(1)The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. This bill, until January 1, 2025, would exempt from the requirements of CEQA emergency shelters or supportive housing projects meeting certain requirements. The bill would require an agency that determines that an emergency shelter or supportive housing project is exempt from CEQA pursuant to these provisions to file a notice of exemption with the Office of Planning and Research, as provided. By requiring local agencies to file this notice of exemption, the bill would impose a state-mandated local program. This bill contains other existing laws.

Upon appropriation, existing law requires the Business, Consumer Services, and Housing Agency to distribute \$650,000,000 among continuums of care, cities, and counties pursuant to the program. This bill, the California Access to Housing and Services Act, would establish the California Access to Housing and Services Fund in the State Treasury and continuously appropriate moneys in the fund solely for the purpose of implementing and administering the bill's provisions. The bill, for the 2020–21 fiscal year and each fiscal year thereafter, would require, upon appropriation by the Legislature, the Controller to transfer up to \$2,000,000,000 from the General Fund to the fund and require the Department of Housing and Community Development and the State Department of Social Services to jointly administer the fund pursuant to a memorandum of understanding, as provided.
