20. Unreasonable restrictions on competition under the award; association with federal government

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award regardless of the dollar

amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used.

a. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no Subrecipient may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

b. Monitoring

The Subrecipient's monitoring responsibilities include monitoring of compliance with this condition.

c. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

d. Rules of construction

- 1) The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor, grant Subrecipient or -Subrecipient, agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

- 2) Nothing in this condition shall be understood to authorize or require any Subrecipient or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

21. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ, the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award is to benefit a set of individuals under 18 years of age.

The Subrecipient must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 42

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

23. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

24. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to

Subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to Subrecipients and Subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

25. Restrictions on "Lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the Subrecipient, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the Subrecipient to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, Subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient would or might fall within the scope of these prohibitions, the Subrecipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Subgrant Award Report (SAR)

The Subrecipient must submit a SAR to OVC for each Subrecipient of the VOCA victim assistance funds, within ninety (90) days of awarding funds to the Subrecipient. Subrecipients must submit this information through the automated system.

27. Effect of Failure to Address Audit Issues

The Subrecipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the Subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other

outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

28. Additional DOJ Awarding Agency Requirements

The Subrecipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the Subrecipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

29. Hiring Documents

The Subrecipient must keep, maintain, and preserve all documentation (such as Form I-9s or equivalents) regarding the eligibility of employees hired using the funds.

All appropriate documentation must be maintained on file by the project and available for Cal OES or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Subrecipient may be ineligible for Subaward of any future grants if the Cal OES determines that any of the following has occurred: (1) the Subrecipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

CERTIFICATION

I, the official named below, am the same individual authorized to sign the Grant Subaward [Section 15 on Grant Subaward Face Sheet], and hereby swear that I am duly authorized legally to bind the contractor or grant Subrecipient to the above described certification. Budget Narrative

The budget supports the recommendation of the Victim Services Steering Committee (VSSC) by providing continued funding for two (2) full time Social Worker II's within the Office of Family Violence Prevention, 50% of a CASA Volunteer Supervisor and continued funding for 2 part-time Office Assistant II's with the Office of Family Violence Prevention. 100% of in-kind match expenditures will consist of CASA volunteer hours, a direct result of the funding dedicated to the CASA Volunteer Supervisor.

The budget supports 2.0 FTE Social Worker II's for 19.7 pay periods. The 2.0 FTE Social Worker II carry out most of the services gaps as determined by the VSSC. This includes working with Solano County high school officials to provide outreach, intervention and prevention activities within the school either in person or via electronic means. The Social Worker II will utilize a multi-disciplinary approach, coordinating services with school officials, local law enforcement, child welfare and other applicable victim-service providers. This also includes providing services to residents of the City of Vallejo at the local family resource center, Fighting Back Partnership. This Social Worker II will also responsible for conducting outreach to other local services providers to educate the public and other victim-services providers about the availability of services at the Fairfield location, the Vallejo location and the expanded services available at local high schools. This will include developing a "train the trainer" curriculum

with the goal of further educating law enforcement as to the service available to victims of crime.

The budget also appropriates \$25,000 for 0.5 FTE CASA Volunteer Supervisor. The duties and qualifications of the CASA Volunteer Supervisor include recruiting and training new volunteer advocates, supporting and supervising volunteer advocates and monitoring unassigned cases. 100% of this position's time will be dedicated toward these activities, as well as working directly with child clients of the CASA program. CASA will leverage separate funding to create a 1.0 FTE CASA Supervisor. Volunteer hours from CASA (1107.322 hours projected at an IRS rate of \$29.09/hour) fund the \$32,212 18 VOCA Match. Volunteer hours from CASA (1107.322 hours projected at an IRS rate of \$29.09/hour) fund the \$32,212 18 VOCA Match.

This budget also supports 1300 hours for 2 extra help Office Assistant II (650 hours each x 2 Office Assistants) to provide support services to the Social Worker II's, clients seeking services and other clerical and operational support related to coordinating services with other victim-service providers.

Project Narrative

Problem Statement

Victim-service providers, mental health professionals, law enforcement and prosecutors play a vital role in helping victims of crime heal through offender accountability and providing victim-centric services. Whereas law enforcement and prosecutors focus on offender accountability, victim-service providers focus on the well-being of the victim.

Advocates are responsible for helping victims navigate a myriad of services including protection orders, victim compensation claims, public benefit eligibility, housing and shelter services, counseling, and U-Visa requests. While there are many service available to victims of crime in Solano County, there are gaps in reaching certain populations and a lack of awareness of the availability of services. The Victim Services Steering Committee (VSSC) seeks to utilizing this funding to eliminate these gaps by increasing access and awareness of services for all victims of crime in Solano County.

Demographics of Solano County

Vallejo is the largest of Solano County's seven cities, with the City of Fairfield serving as the County Seat. Other cities in the county include Benicia, Dixon, Rio Vista, Suisun City, and Vacaville. Bordered by Napa, Yolo, Sacramento, and Contra Costa Counties, Solano County is geographically dispersed and covers 909 square miles, including 84 square miles of water area and 675 square miles of rural land. Solano County's population is estimated at 447,643 according to

2019 U.S. Census Data, the population of Solano County is 59.6% White, 27.3% Hispanic, 14.8% Black, 16.2% Asian, 7.1% multiracial, 1.3% American Indian, and 1.0% Pacific Islander. The median age is 37.5 years (2010). Of Solano County's residents, 29.8% speak a language other than English. According to the Bureau of Labor Statistics, unemployment in Solano County was at 5.0% in March 2020. According to the Department of Justice, in 2018, 2110 violent crimes were reported in Solano County; 11% forcible rape, 57% aggravated assault, 31% robbery and less than 1% homicide. There were an additional 2180 reports of domestic violence, 23% involved a weapon and an additional 5% including reports of suffocation or strangulation.

VSSC Plan

The Victim Services Steering Committee (VSSC) has identified the following gaps in services and details how these funds will be utilized to address these gaps:

Service Need #1: Increase access to domestic violence, sexual assault and human trafficking resources in area high schools through outreach, prevention and intervention activities.

The VSSC will fund one full time Social Worker II to conduct outreach to local high schools to educate counseling and administrative staff as to the services available and provide referral and contact information. The social worker will conduct monthly check-ins with school counseling staff to assess referrals and conducted additional outreach as needed. Those students referred will participate in prevention and intervention activities in the form of in person or

virtual peer support groups, educational presentations and referral to outside resources deemed appropriate and in accordance with local Child Welfare Service guidelines. Social Worker will utilize a multi-disciplinary approach, coordinating services with local school counselors and administrative staff, local law enforcement, Child Welfare Services and Solano County District Attorney Victim/Witness Program. The VSSC will measure the number of referrals and the number of participants as the unit of measure. The Social Worker will collaborate with school staff to determine the most appropriate and practical method to achieve grant objectives and goals during the current pandemic. Agencies involved with addressing this service need include the Solano Family Justice Center, the Office of Family Violence Prevention, SafeQuest Solano, the Fairfield/Suisun Unified School District, Solano County Child Welfare Services and the Solano County District Attorney's Victim/Witness Unit.

Service Need #2 Increase awareness of and access to services to individuals in underserved communities.

The VSSC will fund one full time Social Worker to provide services in Vallejo inside the Fighting Back Partnership Family Resource Center during their normal business hours of Monday through Friday from 9 am to 5 pm. Additionally, this Social Worker will be responsible for conducting outreach to other local service providers to bring awareness of the services provided by the Solano Family Justice Center at the Fairfield and Vallejo locations, including the local courthouses, law enforcement agencies including the Solano County Probation

Department, and all units within the Child Welfare Services system. Outreach activities will also include developing a "train the trainer" curriculum for the Solano County Sheriff's Office to be presented by the Social Worker to members of the Sheriff's Office to be determined by administrative staff. The VSSC will measure the number of outreach activities as one unit of measure and the number of referrals received at Fighting Back Partnership as an additional unit of measure. Agencies involved with addressing this services need are: Solano Family Justice Center, the Office of Family Violence Prevention, SafeQuest Solano, Fighting Back Partnership, Solano County Sheriff's Office, Solano County Superior Court, Solano Legal Access Center, Solano County Probation Department and Solano County Child Welfare Services.

Service Need #3: Increase courtroom advocacy through Court Appointed Special Advocates Solano (CASA) for children in foster care as the result of being victims of abuse and neglect.

These children, when paired up with a CASA volunteer, are more likely to find a safe, permanent home, spend less time in foster care, and do better in school. Currently, CASA currently has a shortage of advocates for their clients. The plan for this service need is to fund 50% of a CASA Volunteer Supervisor, who will be responsible for finding potential volunteers, training the volunteers, and working with the children referred to CASA. The goal of solving this service need is to increase the amount of CASA volunteers available for abused and neglected children. The VSSC will measure the number of volunteers trained by the

Volunteer Supervisor and the number of hours provided by these trained volunteered. Agencies involved with addressing this service need are CASA, Solano Superior Court, and the District Attorney's Office.

The Solano County District Attorney's Office was previously selected to administer the XC Grant Subaward and will function as the single point of contact. The Solano County District Attorney's Office of Family Violence Prevention is a victim service provider and manages the Solano Family Justice Center, a "one-stop-shop" for victims of crime. Staff at the SFJC will provide direct services to victims of crime and will also be responsible for collecting and tracking data as mandated by Cal OES.
