DEPARTMENTAL RECOMMENDATION:

The Department of General Services recommends that the Board of Supervisors:

1. Approve a revenue contract with Solano Community College for up to \$60,000 per fiscal year for the Department of General Services-Fleet Management Division to provide vehicle rental and maintenance services, for a three year period beginning July 1, 2017 and ending June 30, 2020; and
2. Authorize the County Administrator or designee to execute the contracts and any amendments within the approved budget

SUMMARY:

The Department of General Services is recommending the Board of Supervisors approve a renewal revenue contract with Solano Community College (Attachment A) for up to \$60,000 per fiscal year to provide continuing vehicle rental and maintenance service for a three-year period beginning July 1, 2017. The agreement has been in place with Solano Community College since 1994 as a part of an on-going effort to partner with other local government agencies to achieve economy of scale and efficiencies in fleet operations.

FINANCIAL IMPACT:

The County will charge Solano Community College up to \$60,000 per fiscal year for the use of 9 assigned County-owned vehicles and daily rental of County-owned pool vehicles on an as-needed basis. County rental/mileage rates cover the replacement, maintenance, insurance, and operating cost for County-owned vehicles. The rental/mileage rates are adjusted annually to recover changes in operational, maintenance, and vehicle replacement costs.

DISCUSSION:

Consistent with Board of Supervisors' direction to support public agency collaboration, the Fleet Management Division of General Services offers other public agencies the opportunity to contract with the County for fleet management services. By contracting with outside agencies to provide vehicle rental and maintenance services, Fleet Management is able to spread overhead costs of operations over a larger customer base, resulting in lower rates for County departments and participating agencies. Fleet Management has provided rental vehicles to outside agencies since 1994 and currently has 64 vehicles in use by five local agencies. The contract with Solano Community College is for a three-year period beginning July 1, 2017 and ending June 30, 2020. The contracts will automatically renew on July 1 of each fiscal year for the duration of the three-year period and can be canceled by either party with 30-day notice.

ALTERNATIVES:

The Board could choose not to approve the contracts. This action is not recommended as the additional vehicles provided to outside agencies reduces the monthly cost to County Departments and outside agencies by spreading operating costs over a larger customer base.

OTHER AGENCY INVOLVEMENT:

Solano Community College supports approval of the contract. County Counsel provided legal guidance and approved the contracts as to form.

CAO RECOMMENDATION:

APPROVE DEPARTMENTAL RECOMMENDATION
