### **DEPARTMENTAL RECOMMENDATION:**

Receive and file the Meeting Attendance Reports for the month of February, 2012 from the members of the Board of Supervisors as required for compliance with Government Code Section 53232.3(d).

### **SUMMARY:**

Government Code Section 53232.3(d) requires that members of legislative bodies report on meetings attended for which there has been expense reimbursement (mileage, meals, lodging, etc.), or other compensation. The reports on meetings attended by the Supervisors during the month of February, 2012 were submitted in compliance with the requirement and are on file with the Clerk of the Board. The lists of meetings do not represent all meetings attended by the Supervisors, but only those for which reimbursement or stipends were received. This report is submitted on a monthly basis to reflect the meeting attendance from the previous month.

Attached is a listing of the 2012 Board of Supervisors Appointments.
