### **DEPARTMENTAL RECOMMENDATION:**

The Registrar of Voters (ROV) recommends that the Board of Supervisors approve the consolidation of the elections for the submitted qualified bond measures for the Davis Joint Unified School District (DJUSD), the Los Rios Community College District (LRCC) and for the Sacramento County Board of Education (SCBOE) Trustee Area 6 board member with the Statewide Primary Election on Tuesday March 3, 2020.

### **SUMMARY:**

The DJUSD, LRCC and SCBOE have requested (Attachments A, B and C respectively) approvals for the Registrar of Voters to conduct their elections and that their elections be consolidated with the Statewide Primary Election on March 3, 2020.

A summary of the federal, state and local offices will be included in the Statewide Primary Election on Tuesday, March 3, 2020 as shown in Attachment D.

### **FINANCIAL IMPACT:**

The cost of the March 3, 2020 Statewide Primary Election is estimated at \$1,660,193 and was included in the ROV FY2018/19 budget. However, this will be offset by an estimated revenue of \$106,252 from the consolidated districts for ROV election services. The balance will be a General Fund Cost as the Statewide Primary Election is not reimbursed by the State.

The costs associated with preparing the agenda item are nominal and absorbed by the department's FY2019/20 Adopted Budget.

### **ALTERNATIVES:**

The Board of Supervisors could deny the requests of districts to participate in this election; however, Elections Code §10418 provides for consolidation of local elections with a statewide election and ROV will be holding a Statewide Primary Election on March 3, 2020.

### **OTHER AGENCY INVOLVEMENT:**

The ROV has coordinated with all entities submitting requests for consolidation with the March 3, 2020 Statewide Primary Election and reviewed resolutions and related paperwork from each of the cities and districts mentioned herein.
