### Independent Accountant's Review Report

To the Board of Supervisors  
County of Solano  
Fairfield, California

Pursuant to Government Code §26920, we have reviewed the accompanying Statement of Assets of the Solano County Treasury as of September 30, 2025. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

#### ***Management's Responsibility for the Financial Statement***

Solano County Treasury's management is responsible for the preparation and fair presentation of the Statement of Assets in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

#### ***Accountant's Responsibility***

Our responsibility is to conduct the review engagement in accordance with *Global Internal Audit Standards* as developed by the Institute of Internal Auditors. We performed procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the Statement of Assets to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

As required under Government Code §26920, the review also included a physical count of the cash in the Treasury and verification that the records of the County Treasury and the Auditor-Controller's Office are reconciled in accordance with Government Code §26905.

#### ***Accountant's Conclusion***

Based on our review, we are not aware of any material modifications that should be made to the Statement of Assets in order for it to be in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

This report is intended solely for the information and use of the Board of Supervisors and Solano County Treasury management and is not intended to be, and should not be, used by anyone other than these specified parties.

Respectfully,

*Matthew Fong*
