Independent Accountant's Review Report

To the Board of Supervisors
County of Solano
Fairfield, California

Government Code §26920 requires the Auditor Controller's Office (ACO) at least quarterly review the Treasurer's Statement of Assets including (1) counting cash in the treasury, (2) verifying the records of the county treasurer and auditor are reconciled pursuant to Government Code §26905, and (3) issuing a report to the Board of Supervisors.

The ACO, Internal Audits Division, has conducted a physical count of the cash in the Treasury and confirmed the \$811,788.37 reported in the Treasurer's Statement of Assets agrees with the amount observed. We verified the records of the County Treasury and the Auditor-Controller's Office are reconciled in accordance with the Government Code §26905. Additionally, we reviewed a sample of investments purchased by the Treasury during the fiscal year 2024/25 and held as of June 30, 2025, were in compliance with Government Code §53601 and §53635.

Government Code §26920 also requires the ACO to either perform, or cause to be performed, an audit of the assets in the county treasury at least once per year. The ACO has engaged Eide Bailly to conduct an audit of the assets in the county treasury as of June 30, 2025. The results of the audit will be provided to the Board of Supervisors in a separate report upon completion of the county's audited financial statements.
