B.3 Progress Report Attachment

Goal 1: Expand and increase the supply of assisted housing choices:

- Reviewed and increased payment standards for 0, 1, 2, 3, 4, 5 and 6 bedrooms to ensure families have a reasonable selection of housing in a range of neighborhoods, allowing families to rent units in more desirable areas.
- Continued to administer the Section 8 Homeownership Program.
- Landlord Liaison continued to conduct outreach to maintain current landlords and successfully recruit new ones.

Goal 2: Improve the quality of assisted housing and customer service:

- Continued reviewing and updating current procedures and implementing improvements to the participant file process.
- Provided on-going trainings/guidance to staff on HUD regulation updates, program guidelines, rules and procedures.
- Continued to streamline administrative processes to make forms easier to complete as well as posting forms and program information on the SCHAs website.

Goal 3: Provide an improved living environment

- Continued to conduct outreach to build relationships with owners, affordable housing resource agencies, neighborhood centers and social services agencies whose mission is to improve neighborhoods, provide affordable housing and provide access to social services, recreation and educational opportunities.
- Continued to promote and encourage families to move to higher income areas and to provide updated citywide apartment and realtor listings.
- As part of a citywide effort to address blight, SCHAs was part of a team consisting of multiple city department representatives to conduct inspections at a multifamily property with nearly 50% of the units occupied by HCV participants. Ongoing team inspections helped the property gain and maintain compliance with HQS regulations and other City requirements. All units are now in compliance with HQS.
- Conduct quality control review of case files to make sure that at least 98% of HQS deficiencies are corrected timely in the upcoming year.

Goal 4: Promote self-sufficiency and asset development of assisted households:

- Encouraged all program participants to enroll in the Family Self-Sufficiency Program without limiting the number of eligible families.
- The Self-Help Center continued to be available for participants to apply for jobs and access a variety of programs and supportive services that promote self-sufficiency.
- Provided referrals to elderly and disabled families to organizations that provide supportive services for senior and disabled persons.

Goal 5: Ensure equal opportunity and affirmatively further fair housing:

- Informed participants of Fair Housing rights.
- Promoted Fair Housing in January and April 2026, by conducting a Landlord Fair housing Workshop in collaboration with staff from Legal Services of Northern California.
- Promoted Fair Housing during Fair Housing month by holding a Fair Housing coloring contest for youth participating in afterschool programs.
- Assisted households with disabled household members find suitable housing and provided a listing of accessible units.
- Provided translation of vital documents in Spanish.
- Continued training on updated Fair Housing rules to ensure that access to assisted housing is provided regardless of race, color, religion, national origin, sex, familial status, disability, sexual orientation, gender identity, age, marital status, ancestry, source of income or arbitrary discrimination.

The SCHA was accepted into Department of Housing and Urban Development's (HUD) Moving-to-Work (MTW) demonstration. Participation in the demonstration provides the SCHA with the ability to make the best use of existing program funds to assist Solano County's very-low and low-income residents to obtain safe, decent and affordable housing with Solano County Housing Authority's jurisdiction (Rio Vista, Dixon and the unincorporated areas of Solano County).

The MTW activities planned are:

- Reexaminations – SCHA has transitioned to requiring reexaminations every 36 months for families in which at least 90 percent of income is from a fixed source.
- Self-Certification of Assets: The SCHA increased the value of family assets and anticipated asset income, when applicable. The SCHA now accepts the family's self-certification from \$5,000 or less to \$50,000 or less. All assets valued over \$50,000 continue to require 3rd party verification.
- Landlord Leasing Incentives – By combining the activities

available under the Landlord leasing Incentives category, the SCHA will launch its Landlord Partnership Program (LPP). The LPP is aimed at expanding rental opportunities for families holding housing choice vouchers by making landlord participation in the program more attractive. The LPP will provide financial incentives to landlords who rent to housing choice voucher participants in the form of vacancy payments, damage claims funds, and additional lease-up incentives to landlords with new units.

- **Housing Qualify Standards** – In conjunction with the LPP, the SCHA will conduct pre-qualifying unit inspections for landlords that are willing to participate in the program but have not yet identified an eligible tenant. Conducting pre-qualifying inspections supports the recruitment of new landlords and units as well as retaining existing units within the portfolio of available housing.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or X Annual PHA Plan, hereinafter referred to as "the Plan," of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning 07/2026, in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a signed certification by the appropriate State or local official (form HUD-50077-SL) that the Plan is consistent with the applicable Consolidated Plan, which includes any applicable fair housing goals or strategies, for the PHA's jurisdiction and a description of the way the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the Resident Advisory Board (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the way the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - i. The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - ii. The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - iii. The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours. Where possible, PHAs should make documents available electronically, for public inspection upon request.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment. The PHA ensured all notices and meetings provided effective communication with persons with disabilities and further provided meaningful language access for persons with Limited English Proficiency (LEP).
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Violence Against Women Act (34 U.S.C. § 12291 et seq.), and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, the Violence Against Women Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs.
7. The PHA will affirmatively further fair housing, in compliance with the Fair Housing Act, 24 CFR § 5.150 et seq., 24 CFR § 903.7(o), and 24 CFR § 903.15, which means that it will take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living

patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws (24 CFR § 5.151). Pursuant to 24 CFR § 903.15(c)(2), a PHA's policies should be designed to reduce the concentration of tenants and other assisted persons by race, national origin, and disability. PHA policies should include affirmative steps stated in 24 CFR § 903.15(c)(2)(i) and 24 CFR § 903.15(c)(2)(ii). Furthermore, under 24 CFR § 903.7(o), a PHA must submit a civil rights certification with its Annual and 5-year PHA Plans, except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document. The PHA certifies that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module and/or its successor system: the Housing Information Portal (HIP) in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination based on age pursuant to the Age Discrimination Act of 1975.
10. In accordance with the Fair Housing Act, the PHA will not base a determination of eligibility for housing on marital status and will not otherwise discriminate because of sex.
11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, 'Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped' for people with physical disabilities.
12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
13. The PHA will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implement the regulations at 49 CFR Part 24 as applicable.
14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
15. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
17. The PHA will keep records in accordance with 2 CFR 200.302 and facilitate an effective audit to determine compliance with program requirements.
18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
21. All attachments to the Plan have been and will continue to always be available at all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary

business office of the PHA and, where possible, should be made available for public inspection in an electronic format.

22. The PHA certifies that it is following all applicable Federal statutory and regulatory requirements, including the Declaration of Trust(s).
